## SUPPORTING PARTNERS

Ballarat Community Health, East Grampians Health Service, Rural North West Health, Stawell Regional Health, Western Victoria Primary Health Network, Wimmera Health Care Group

# THE PRESENT

Good ideas aren't always heard

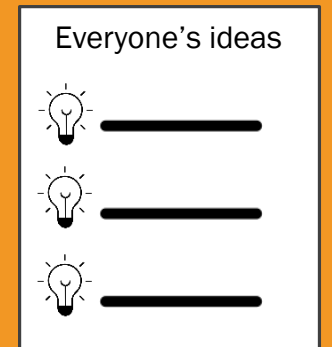

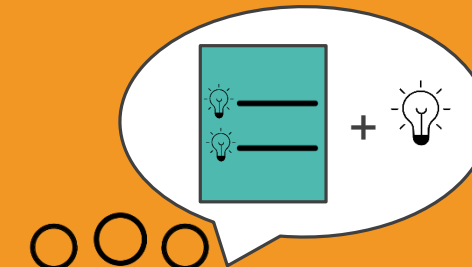

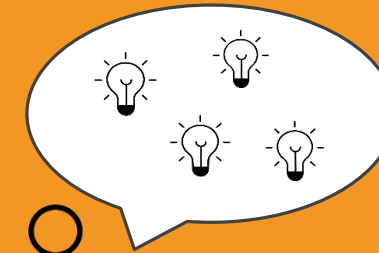

Academic research doesn't always match everyone's needs

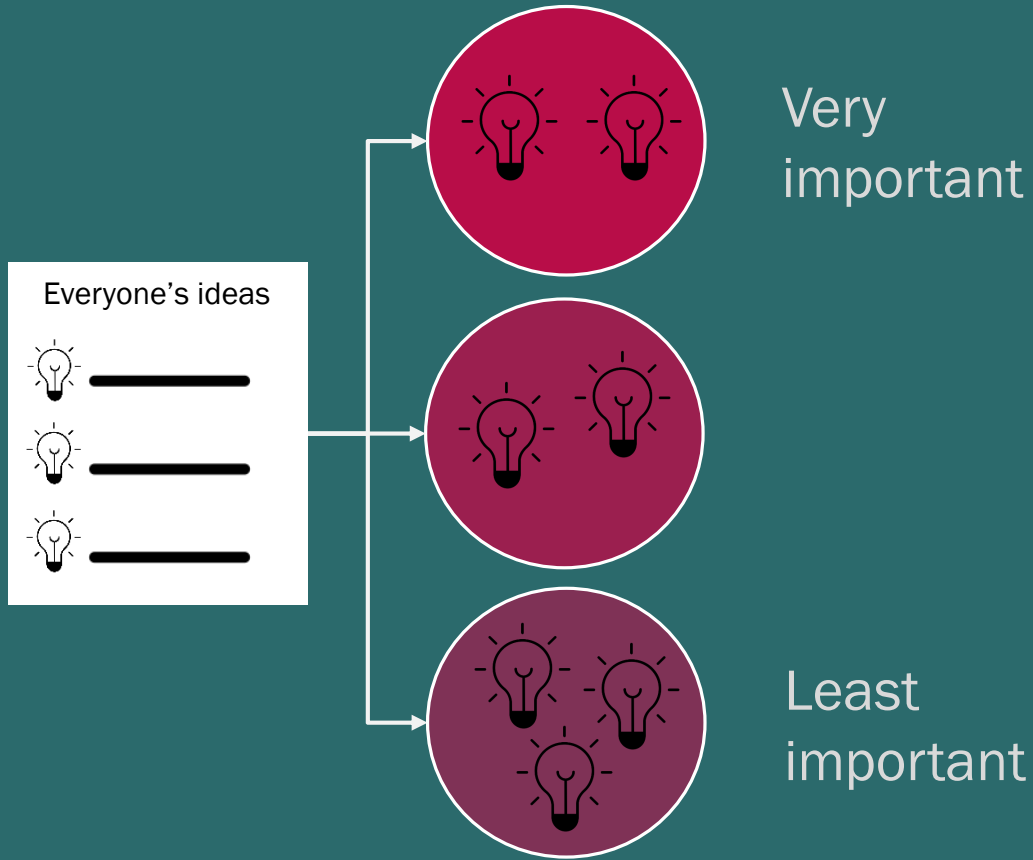

Research doesn't always address rural & regional health inequalities

# COLLECTING IDEAS

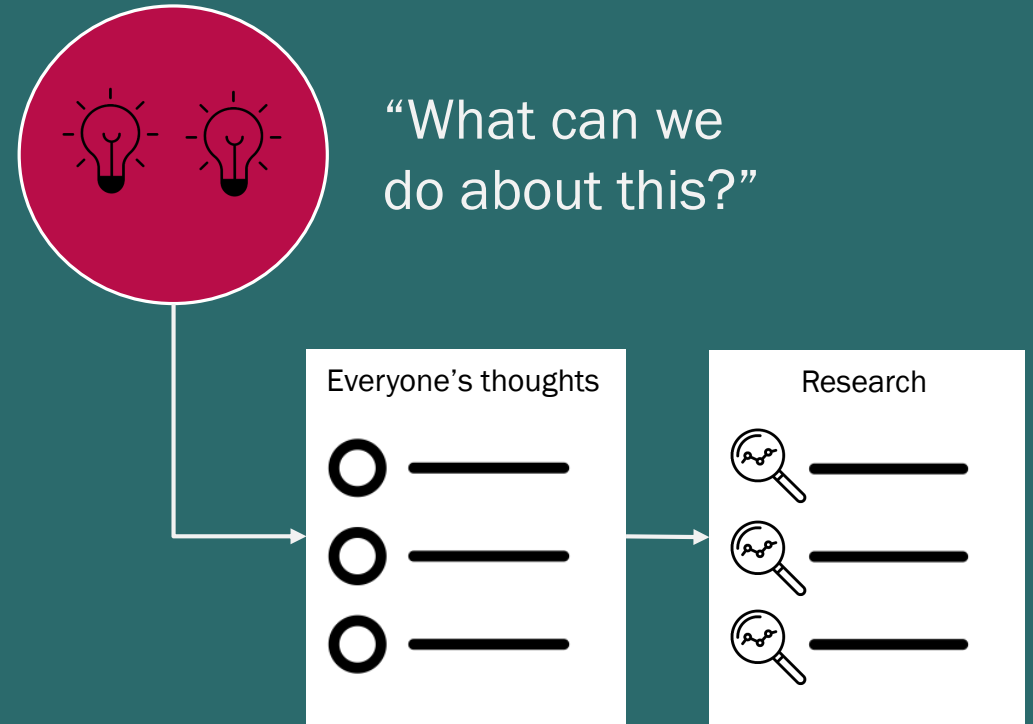

# SORT & RANK

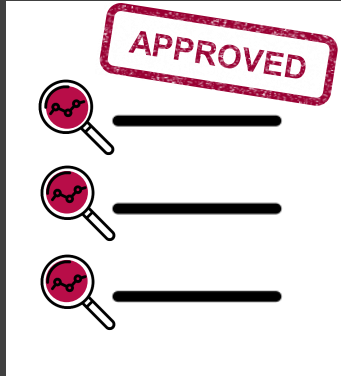

Everyone sorts ideas into groups/topics  
Everyone ranks the groups/topics

# IDEAS TO RESEARCH

Everyone suggests solutions  
Researchers develop questions

# AGREEING ON PRIORITIES

Everyone reviews the research questions

Everyone verifies the research priorities

# THE FUTURE

Consensus on allied health research priorities for the Grampians region
