With the Compliments of

The President Mr. Geoffrey B. Cutter

and

Members of the Board of Management

of the Queen Elizabeth Home

Your past support is appreciated and your continued assistance in this current year invited.
115th ANNUAL REPORT
of the Board of Management for the Year Ended 30th June, 1972

To the Contributors of the Queen Elizabeth Home.

Ladies and Gentlemen,

It is my privilege on behalf of the Board of Management to present the 115th Report and Statement of Accounts for the year ended 30th June, 1972.

This review of a further year in the current history of this Home illustrates the extensive range of services provided by the Queen Elizabeth Home to meet present day needs of the ageing, frail and handicapped in our community, with ever increasing application of modern skills.

The original motto of the Home could well be recalled, however, in the light of present day experience, and some still remember the mosaic tiling of the original front entrance lobby where the following words stood out —

"No creed nor colour barred, Charity never falteth."

These words have a distinctively modern tone, although necessity and charity may have to be understood in the light of present day social welfare provisions.

The Board of Management continues to encourage every progressive trend in fulfilling its task, but it strives to do so in the humane spirit of our founders, and with human dignity.

BED CAPACITY

Beginning in 1859 with a modest building to house orphans and deserted children as well as aged and chronically ill, accommodation has grown to the following proportions —

Main Building:
Infirmary .... 542
George Skerritt Wing .... 44
Ambulant .... 118

Hostels .... 96
Percy Baxter Homes .... 45
Eyes House Flats .... 4
Percy and Lloyd Symons Memorial Flats .... 10

FINANCE

Profit is in no means the objective of such an organisation as The Queen Elizabeth Home, but in an age of inflation and soaring costs it calls for the utmost skill and discretion to balance available income with expenses, in order to maintain the Home’s high standard of service.

Following the deficit of $11,232 in the last financial period, additional grants were received toward the end of this financial year from the Hospitals and Charities Commission, resulting in a surplus of $16,899. Instructions have been received, however, to make a considerable provision for accrued long service leave from the account to which such accumulated balances are transferred.

There has been a small levelling of average daily costs per patient in comparison with last year. The increase in the year under review has been from $7.09 per day to $8.00 per day, an increase of 91 cents per day as compared with an increase of $1.13 per day for the last financial period.
STATISTICAL

The daily average of registered patients accommodated throughout the year was 760.22, compared with 752.67 for the previous period. This represented a percentage occupancy of 96.2 percent — a very high figure indeed, illustrating the active policy of making every possible bed available at all times.

Day Hospital visits totalled 16,087 for the year, compared with the previous largest number of attendances last year of 12,133. Our Day Hospital is operating beyond the capacity originally planned for the new George Skerritt Wing, and this is a matter of active concern to the Board.

WAITING LISTS

The number of applicants on our waiting list exceeded 500 for the first time this year, and the serious consideration of this problem by the Board of Management led to the approach to the Hospitals Commission for approval to make specific planning for a further infirmary unit to provide for an additional 200 patients.

At the same time, it is important to note that over 250 of these applicants are being maintained in their own homes, at least for the present, through the Home Care. Laundry and Day Hospital services provided by this Home, together with the local Meals on Wheels services for which the actual meals are prepared in the Home's kitchen.

● BOARD OF MANAGEMENT

Reference was made in the last report to the regretted sudden death of Mr. Charles Norval Eyres, a Board Member for 32 years.

The vacancy on the Board was filled on 5th July, 1971, with the appointment of Mr. Clark D. Chester.

MANAGER'S OVERSEAS STUDY TOUR

With many of these matters in mind, and in order to ensure that this Home keeps abreast with present day developments, the Board arranged with the approval of the Hospitals Commission for the Manager, Mr. F. G. Black, to undertake an extensive Overseas Study Tour during the latter part of the year covered by this report, and extending into the new period.

The Third International Course on Social Gerontology held at Dubrovnik, Yugoslavia, in May, and the Ninth International Gerontological Congress at Kiev, in Russia, at the beginning of July, were made the focal points of this study tour, but Mr. Black has been engaged almost daily on intensive inspections and discussions with recommended specialists in this field in Italy, Spain, France, Switzerland and Scandinavia, prior to moving on to England and Scotland, where Professor Ferguson Anderson, of Glasgow, who was guest speaker at the 1968 State Geriatric Conference here in Ballarat, has been kind enough to arrange Mr. Black's itinerary.

BUILDINGS

ADMINISTRATIVE EXTENSIONS

Reference was made in the last report to extensions to the front administrative areas of the main buildings, which had reached the stage of calling tenders. This work has been practically completed, and for the first time for nearly 15 years the Board of Management will have exclusive use of an area for monthly meetings, committee meetings and receptions for official visitors.

The general administration has been transferred to the northern side of the main entrance, where an open office area accommodates the detailed services connected with matters relating to residents and staff.

ARGYLE WARD

Architects' drawings for extensions to the Argyle Ward, providing suitable lounge and dining room areas, have been approved by the Hospitals Commission and tenders are expected to be called shortly. Many more frail men are now needing care in this area, and these extensions will provide them with comfortable amenities, without having to be taken to lounge and dining rooms in other parts of the building.

BRIM BRIM AMENITIES BUILDING

The temporary building previously used for Physiotherapy treatment was transferred to the
Home's farmlet, "Brim Brim," at Buninyong, during the year and converted into a very comfortable amenities room. As stated in the last report when this project was being planned, this building stands as a tribute to the Ballarat Travellers' Social Club, which has provided considerable sums over many years from charitable appeals.

PERCY BAXTER HOMES

Reference has already been made to the erection of seven additional flats in the Percy Baxter Homes area. These units were financed by the Percy Baxter Charitable Trust, with the valued assistance of Commonwealth Government Aged Persons Homes Funds, and the Board would record its indebtedness to these instrumentalities for making it possible to expand this important service.

Architects have prepared a survey of the remaining land in this area so that consideration may be given to reserving living space for the residents, as well as adding further units as practicable.

EAST SUN ROOMS

Although the vermiculite ceilings of the first and second floor sun rooms were tested and pronounced sound, it has been felt desirable to replace them to ensure the complete safety of residents, and a tender has been accepted for this work.

FIRE PRECAUTIONS AND DISASTER PLANNING

Following upon the installation of the redesigned fire services and new pump house mentioned in the last Annual Report, a complete survey and recommendations were made by Fire and Safety authorities during the past year, incorporating the latest regulations which control these important matters. After references to the Hospitals Commission, these recommendations have been handed over to Architects to prepare specifications with a view to calling tenders for the work to proceed.

GROUP LAUNDRY

After more than 20 years of consideration by the planning department of the Hospitals Commission the matter of a Hospitals Group Laundry and Linen Service under the control of the Queen Elizabeth Home was brought to a critical stage during the year under review, when it appeared that large quantities of linen would be sent from Ballarat to Geelong for servicing.

The Board feels its responsibility as an employer of labour in the Ballarat district, and the 543 paid staff comprise a very large section of the local labour force. When it became known that up to 60 persons could lose employment with the transfer of hospital laundry away from Ballarat, strong representations were made by municipal and developmental heads to the State Government, resulting in a direction by the Minister of Health that active planning should proceed immediately for the Linen Supply in Ballarat. Visits of inspection have been made to existing Group Laundries by the Manager, Deputy Manager and the Architects appointed for this project. Investigating latest laundry equipment is one of the matters occupying the Manager overseas, and immediately after his return it is expected that this important project will proceed to development.

EQUIPMENT

The policy of continuous reports by Departmental Heads ensures that all equipment is kept in first class condition, and replacements have been made where required. After nearly 14 years of constant service, a number of heated food trolleys have reached the end of economic usefulness. Approval has been received and orders lodged for six new electrically operated trolleys, each with a capacity to maintain food for 10 meals at right temperature.

LADIES' AUXILIARY

A full half century of service has been completed by the Ladies' Auxiliary of the Home, and the Board's congratulations were conveyed at the 50th Annual Meeting on June 19th. A suitable function is planned for later in the year to mark this splendid achievement. During the year a special gift of four valuable water beds was provided by the Auxiliary as well as all the regular features which brighten the lives of the residents.

The staff of trained nurses has been strengthened to cover periods between normal day and night working shifts, to ensure that adequate skilled attention is available at all times. Regular groups of students passing through the Home Nursing Aide School maintain a full complement of trained Nursing Aides, and the excellent work of the tutor sisters, including at present one male tutor, is evidenced in the high percentage of qualifying students each year.

At the Nursing Aide Graduation Ceremony held on 19th August, 1971, certificates were presented to 30 Nursing Aides who had successfully completed their training. This year the Ivy May Dicker gold medal Award was won by Nurse B. Kinnersley. As in recent years, there were additional special prizes for those who had shown distinctiveness in training, and these were presented to Nurses A. Pogliani, R. Marwick and Mr. A. Wise.

Medical Staff

We record our appreciation of the services of the Consulting Medical Officers and visiting Medical Officers, who assist our Medical Superintendent and Senior Resident Medical Officer. A series of luncheon visits by local Medical Practitioners has been arranged during the year by our Medical Superintendent to make them familiar with the services provided by this Home.

We have the sound film “Stroke” available, and this has been shown to several groups of relatives and attendants of patients discharged from our Intensive Rehabilitation Ward, to demonstrate the most beneficial means of helping the patients on the road back to active life at home.

X-ray Service

During the first full year of service, 520 X-ray examinations were made, and reports supplied by our Radiologist, Dr. I. Goy.

Paramedical Services

Two qualified full-time Physiotherapists joined our staff during the year, and Mr. N. Pierini is now devoting his services to Day Hospital patients exclusively.

A full range of Occupational Therapy, Craft Work and diversional activities has been continued. A regional conference of Occupational Therapists was held at the Home, and painting was added to the instruction in the pottery section, under the supervision of Miss B. Panke.

We record appreciation of the services of the Regional Speech Therapist, Miss Maria Jackman, who attends two sessions weekly from the Ballarat Base Hospital.

State Geriatric Conference

Delegates from the Queen Elizabeth Home attended the Annual State Geriatric Conference which was sponsored this year by the Kingston Centre, Melbourne, in October, 1971. This State Conference in Geriatrics which is sponsored by the Hospitals and Charities Commission of Victoria annually is very valuable in that it allows the exchange of ideas and information on the progress being made in an area which has become of national importance.

Presbyterian Fellowship of Australia

The 48th successive Annual High Tea and Concert for residents of this Home was held during the year, and the enthusiasm and sympathetic attitude of the young people of the Fellowship was highly commended from several sources.

Ambulance Service

 Provision has been made in the extensions to the front entrance for adequate shelter for ambulance patients, and the automatically operated doors further assist in the comfortable handling of patients.

The daily transport of 60 elderly people to and from the Day Hospital of the Queen Elizabeth Home continues to be effectively carried out by the Ballarat and District Ambulance Service, as well as all emergency and hospital appointment calls.

Ballarat and District Base Hospital

Your Board acknowledges the harmonious relationships which exist at all levels between the
Queen Elizabeth Home and the Ballarat and District Base Hospital.

BALLARAT AND DISTRICT NURSING SOCIETY

As in previous years we acknowledge the wonderful work carried out by the Ballarat and District Nursing Society without whose care and attention to people in their own homes would result in an even greater demand on the services of the Queen Elizabeth Home.

RED CROSS SOCIETY

As anticipated in last year’s report, the Red Cross Book Library of 1000 volumes commenced to operate during the year, and the friendly greetings of the volunteer library attendants are appreciated as much as the books themselves.

Bus trips in the Red Cross unit are thoroughly enjoyed by many who would otherwise have little opportunity to go for outings. Mrs. C. H. Clamp continues to provide the welcome weekly visit to ex-service men.

ORGANISATIONS

The Queen Elizabeth Home enjoys the goodwill of all community organisations in the area, and special thanks are due to these, which include the R.S.S.A.I.L.A., Musos and Pads Association, Church Ladies’ Guilds and Auxiliaries, M. B. John Employees’ Charities Group, Ballarat Travelers’ Social Club and the Social Services Group from the schools.

LEGACIES AND BEQUESTS

Legacies and bequests are applied strictly in accordance with the Testators’ wishes and are listed separately in the Report.

Many of the developments achieved by the Home have been initiated directly from monies received from these sources, and the Home is deeply grateful to those people who made provision for the Queen Elizabeth Home to benefit from their Estates.

RELIGIOUS SERVICES

All denominations are represented among the residents of the Home and the Chapel is in use daily. The services conducted and the attendance by Chaplains, representing the various denominations, are greatly appreciated by the residents.

VOLUNTEER SERVICES

There is much that goes on in a quiet unpretentious way that could not be adequately recorded in this report, but the evidence is seen in the sense of well-being among our residents. In many cases relatives of former patients continue to visit other residents long after their own loved ones have passed away.

One very much appreciated service is carried on weekly by volunteer lady hairdresser, Miss M. Abraham, who commenced this service at the inception of the George Skerritt Wing, and brings much pleasure through her skill and kindness.

Miss Olive Conaughton does most of her craft instruction for the benefit of our Ladies’ Auxiliary funds, but her friendly interest in some of our more handicapped patients is greatly valued.

MEALS ON WHEELS

This service was extended to the Borough of Sebastopol during the past year, and altogether 25,129 meals were prepared, served and packed in heated containers for volunteers to deliver to an average of nearly 100 homes each day.

Congratulations are extended to the organising Committees of both services.

HOSPITALS AND CHARITIES COMMISSION

The Board of Management records its appreciation of the work of the Chairman, Commission and Officers of the Hospitals and Charities Commission. Their interest and assistance in the various matters submitted during the year have been greatly valued.

On behalf of the Board of Management,

GEORGE B. CUTTER,
President.

AUDITORS' REPORT

We report that we have examined the accounts of The Queen Elizabeth Home for the year ended 30th June, 1972. In accordance with usual hospital accounting practice, provisions have not been made for depreciation of Buildings, Plant and Equipment, nor for Holiday Pay accrued at 30th June, 1972. Subject to the foregoing, in our opinion, the Balance Sheet and Statement of Income and Expenditure are properly drawn up so as to give a true and fair view of the state of the Institution's financial affairs at the 30th June, 1972, and of the financial results of its services for the period ended on that date. The accounting and other records examined by us have been properly maintained.

3rd August, 1972.

To our Members and Friends.
Ladies and Gentlemen.

I have the honour to present to you the 50th Annual Report covering the activities of the Auxiliary for the past 12 months.

MEMBERS

With Mrs. K. Carvosso as our President, our year has been very happy and successful, both socially and financially. Members have given many hours of their time in assisting with the many functions which have been held for the Auxiliary. They have also assisted in bus trips, picnics and other special functions when called upon to do so.

During the year we lost two valued members — Mrs. E. White and Mrs. N. Fraser — they will be greatly missed. We have added four new members this year.

The Board of Management honoured us by giving a Life Governorship to Mrs. K. Carvosso, who for many years has worked very consistently for the Auxiliary.

EFFORTS

The Annual Card Party raised $63.95. Concert presented by John Gilbert and Geoff Smith $141.95, Annual Fete $53.67, Monthly Card Parties $183.74, Autumn Fashion Parade $112.08. Miss Conoughton this year donated $169 from sale of work made by handicapped residents. Mrs. Travis, of Traralgon, donated $16 this year from sale of her work in appreciation of kindness to her brother in the Home. For the third year we have received an anonymous donation of $20. From sale of tickets for Light Opera Company $56. Mr. and Mrs. L. Rodd opened their home for a Coffee Party, and from this kind gesture $287.37 was received. Mrs. N. Pring, through her own efforts raised $34.20. Mrs. F. Re held a very successful Coffee Party at her home and $144.27 was received. A Card Evening was held at the home of Mrs. D. Marks. Mrs. W. Najim and Mrs. Marks were hostesses and $35.64 was raised. Members took part in a Television Quiz for Weg Lees Super Quiz and were very successful in receiving prizes.

To all these very kind people we express our sincere gratitude and thank them most sincerely for their interest and devotion to the Auxiliary.

CHRISTMAS APPEAL

Through the generosity of our many donors $149.86 was donated to the funds for the Christmas gifts to be given to each resident.

CHRISTMAS TREE

Each year the Christmas Tree is received with much gratitude from the residents, and the eagerly awaited appearance of Father Christmas with their gifts adds joy to the life of many.

This year it was held on Friday, 17th December, 1971. Fathers Christmas were Messrs. Torney, Nolan, Whita, Lonsdale, Trevenen and Chester.

Our Ladies assist Father Christmas deliver his gifts and add their cheery greeting to each resident.

The Ballarat Calisthenic Club again entertained in all wards adding enjoyment to the night.

Mr. Barry Wilkies arranged a very enjoyable programme in Lederman Hall, assisted by Mrs. C. Lette and Mrs. A. Sargent.

Grateful thanks from Members of the Auxiliary are extended to all these folk, especially the Staff of the Home, who make each patient look lovely for the occasion.

The Board of Management expressed thanks to our Members and later entertained them at supper.

ANNUAL PICNIC

The Picnic was held in March this year and was again most successful. The large numbers were again made possible by the kind staff who volunteered to bring the very fragile ones along to partake of the luncheon supplied by the Auxiliary, which was held in the Wendouree Municipal Hall. Many expressions of gratitude were received from Residents for the lovely meal and bus trips around Creswick and White Swan before returning home. Residents were taken on bus trips to Special Functions during Begonia Festival.
MOTHER’S DAY POSIES

Mother’s Day posies were made and presented to all ladies in the Home by members of the Auxiliary. Each month during the winter season members have played bingo bowls with the residents and entertained them to afternoon tea.

EASTER EGGS

Easter eggs were given to all residents of the Home, Pleasant Home, Eynes House and Brim Brim again this year. Diabetic chocolate, face washers and soap were given to those who could not have an Easter egg.

The Auxiliary presented the film “The Road Back” to the Home to be used to illustrate to patients and their families how to rehabilitate themselves to enable them to return to their own homes.

Four ward beds needed for specialized nursing, were also donated, and soap trays for hospitalized patients were also given.

APPRECIATION

This is only a brief resume of our work during the year, and in conclusion my most grateful thanks are extended to our President, Mrs. K. Carvosso, Treasurer, Mrs. F. Black, Assistant Secretary, Mrs. M. Dillon, and Mrs. W. Cassells for her conducting monthly card parties. To Mrs. G. Whetelaw and Mrs. F. Pryor for buying materials for distribution to members to be made into goods for stalls.

To all our members I say thank you for your kindness, sincerity and help. To Mr. McMillan for his guidance during the year thank you most sincerely. On your behalf I thank most sincerely the Manager Mr. F. Black, Deputy Manager Mr. A. D. McMillan for their help during the year. To Matron, Miss W. Rollett, and all nursing staff, who are always very co-operative in our efforts — thank you all. Mr. A. Richardson and his staff also all domestic staff who work hard for us, and to the Office staff we say a big thank you. Special thanks are due to all our contributors and to Miss Y. Robertson and the Ballarat Courier for their publicity and co-operation.

This report would not be complete without reference to the many years of honorary service given by our Auditor, the late Mr. J. E. F. Hewitt. Our sympathies have been extended to his family. We are grateful to Mr. Philip Whits who has undertaken these duties.

BERNEICE I. FERGUSON,
Honorary Secretary.

PRESIDENT’S ADDENDUM

Reflecting on the year’s activities as outlined by our Secretary, Mrs. Ferguson, I realise what a privilege and great honour it is to be President of such a worthy and exciting Auxiliary. All the achievements of the past year have only been possible through the hard work and loyal co-operation by all members. So I give my warmest thanks to all members of the Auxiliary. My personal thanks to Mrs. E. Ferguson, our most efficient Secretary, Assistant Secretary, Mrs. M. Dillon; Treasurer, Mrs. F. Black, whose help and advice have been much appreciated; also our Press Reporter, Mrs. K. Miller; Mrs. W. Cassells for her assistance of our Monthly Card Parties; Mrs. J. Pryor and Mrs. F. Whetelaw for their help distributing materials for our Work Stall; Miss Conaughton and Mrs. M. Norton whose help has been greatly appreciated.

With the support and interest of Mr. F. Black, Mr. A. McMillan, Matron Miss W. Rollett and Staff. our work has been made much easier and I thank them most sincerely. Little did I realise on taking office just 12 months ago that so much could be accomplished. I have derived a great feeling of satisfaction for the experience. I offer my congratulations and best wishes to the incoming President, and may she enjoy the same happy year.

MARJORIE CARVOSSO,
President.

Mrs. J. M. BLACK, Hon. Treasurer.

Mrs. O. EGGLETON, Hon. Acting Treasurer.

In my opinion the Receipts and Expenditure Account for the year ended 31st May, 1972, of The Queen Elizabeth Home Ladies’ Auxiliary has been properly drawn up to give a true and fair view of the Auxiliary’s affairs at 31st May, 1972, and of the results of its activities for the year ended on that date.

Records examined by me have been properly maintained.

8th June, 1972. PHILIP R. WHITLA, A.A.S.A.
The scene at the official opening of the Home's bowling green, with the President Mr. G. B. Cutter, players and representatives of Ballarat district Bowling Clubs.

Ladies' Auxiliary members are shown distributing floral posies to mark Mother's Day — now an annual feature that is greatly appreciated by women residents of the Home.
