**EIGHTY-EIGHTH ANNUAL REPORT**  
**of the Committee of Management**  
of the  
**Wimmera Base Hospital**

(Incorporated)

**HORSHAM**

FOR THE YEAR 1/7/61 TO 30/6/62

**PRESIDENT'S REPORT TO THE CONTRIBUTORS**

**To the Life Governors and Contributors :**

On behalf of the Committee of Management, it is my privilege and pleasure to present this, the eighty-eighth Annual Report and Audited Statement of Accounts for the year ended 30th June, 1962.

**We served the Community :**

During the year—

1. 207 beds were available 24 hours per day, 7 days per week.
2. A total of 2,882 patients were treated.
3. There was a daily average of 113.3 in-patients receiving treatment.
4. 4,469 out-patients received treatment having 7,982 attendances.
5. 432 maternity patients were treated.
6. 379 babies were born.
7. 299 major and 928 minor operations were performed.

In order to provide this service—

1. 2,384 X-rays were taken.
  2. 3,500 Pathology tests were carried out.
  3. 3,441 Physiotherapy treatments were given.
  4. 66,629 meals were served.
  5. 183 persons were employed on the staff.
- All of these show an increase over previous years.

**REGIONAL SERVICE :**

The Group Laundry continues to function in a most satisfactory manner, both as regards supplies and standards of laundry. From this service other installations have been made now in Warrnambool region and are projected in Gippsland, Mildura and Mooroopna areas. We remain convinced that this is the most satisfactory method of hospital laundry treatment and trust that our experiences will be of assistance to the other regions in their initial stages. Towards the close of this year, Warracknabeal elected to become a participating member, also Avonlea Old Folk's Home. This has necessitated additional equipment which has been installed.

During the year, meetings have been held with Wimmera and Glenelg and Wimmera and Mallee regions ; these have been most helpful at administrative level.

Continuity has been maintained in the regional physiotherapy service and this is available to all hospitals in the region.

**BLOOD BANK**

The Bank continued with blood taking sessions each week throughout the year, and our thanks are due to the Red Cross ladies for this very real help in this service. There was a period when we were without a Resident Medical Officer and a Biochemist, and during this time our Honorary Medical Staff carried out cross matching of blood. Our sincere thanks are due to them.

## FINANCE :

### Maintenance—

The total income for the year was £217,044 and the total cost of running the hospital was £215,641, showing a surplus for the year of £1,402.

### Income—

The income for the year increased by £1,300; the main variation for the year being an increase of £12,000 in patients' fees received. This is a reflection of our higher daily average.

### Expenditure—

Total expenditure showed an increase of £15,000 for the year. This included £8,000 salaries and wages due to increased award rates; £1,500 for provisions, increased daily average. Domestic shows an increase of £4,000; this is due in part to increased laundry £1,500 and in the past, sale of steam to the Linen service has been treated as a deduction from costs whereas this year this amount is shown as income.

### Capital—

Capital expenditure for the year was £22,000. This was a decrease on previous years, as the Kitchen renovations programme was delayed.

During the year the Geriatric Units were completed, £3,700; additions and minor alterations, £6,700; equipment, £7,000; and laundry equipment, £4,500.

A Government Grant of £15,700 was received towards these works. This opportunity is taken on behalf of your Committee of Management to express our thanks to the Commissioners, Dr. Lindell, Mr. McLellan and Mr. Thomas, and through them to their Architectural and Administrative staffs, for the co-operation and assistance throughout the year.

## MATRON'S REPORT :

The Nurses' Annual Graduation Ceremony was held on Friday, February 23rd, with Miss Betty Lawson, Matron of the Royal Women's Hospital, as Guest Speaker.

The Ryan Prize was awarded to Sister S. Webb and the following Sisters graduated and received their certificates:

S. R. Webb	D. J. May	M. I. Kempton
H. E. May	W. M. Whelan	J. I. Jones
K. C. Chan	J. Gartside	H. O. M. Haebich
B. E. Morrison	C. J. Eime	

## EQUIPMENT :

During the year, many items of new equipment have been installed. Automatic garbage disposal units have been fitted in all pantries. Modern high speed sterilizers, £500 each, have taken the place of worn-out boiling water type; with the installation of two more this program of replacements will have been completed, throughout the hospital. A sterile water unit, costing £450, has been installed in the operating theatre. Two iced water units have been approved and will be fitted before the summer. Heating of Public Wards is now nearing completion and will be of great benefit to our patients.

## GROUNDS :

The general appearance of the hospital continues to be of concern to the Committee and during the year, the fence in Baillie Street was removed, as also was the old fence in Robinson Street, where the lawn has been taken out over the old footpath. The entrance driveway from Robinson Street has been sealed, all giving the surrounds a very favorable appearance.

## COMMITTEE OF MANAGEMENT :

On the 1st March, 1962, Mr. A. Phillips tendered his resignation as Junior Vice-President and from the Committee of Management due to pressure of business. The committee is deeply appreciative of the services rendered by Mr Phillips during his membership. Mr. W. J. Morson was appointed Junior Vice-President, and Mr. Gil Le Plastrier and Mr. A. Johns were appointed to fill vacancies on the Committee of Management during the year.

## **GERIATRIC UNITS :**

For some years these units have featured in our reports as one of the hopes of the Committee and this year saw the completion of two units, and on Wednesday, 20th December, 1961, Dr. Lindell, Chairman of the Hospitals and Charities Commission performed the opening ceremony. Your Committee feel that everything possible for the comfort of the patients has been included in the building of these units, and this opportunity is taken to pay a tribute to that very small, but loyal and hard working band of ladies, "The Old Folk's Auxiliary," whose financial donation raised by personal efforts, has made the establishment of these units possible. Just this month, Television has been installed by the Auxiliary as an added comfort to these patients.

## **ANCILLARY SERVICES :**

### **(a) Occupational Therapy—**

This year saw the introduction of this service to our patients. Your Committee's views in this matter were twofold, firstly, the immediate and then the future. For the immediate, we were fortunate in having on our staff, Mrs Hilton, who is conversant with the physical aspects of Occupational Therapy and she visited various institutions for observation periods and is now instructing our elderly patients in this form of therapy. For the long term or future of this service, a bursary has been granted to Miss Christine Crouch to study the 3 year course at the College of Occupational Therapy. It is felt that this programme will be extended to the other hospitals in the region, and ultimately will be co-ordinated with the physiotherapy service on a regional basis to the benefit of all long stay patients.

### **(b) Physiotherapy—**

Over the past few years, the Physiotherapy Department has been functioning under very cramped conditions, but with the completion of the Nurses' Homes, accommodation was made available and with considerable renovations and reorganisation this department now has approximately twice the area previously occupied. Additional equipment consistent with this area has now provided a very high standard of physiotherapy for the patients to the hospital.

### **(c) Pathology—**

This has for some time been a weak link in our chain of service, however we feel that this is about to be overcome and several steps have been taken. Firstly, through the co-operation of Dr. Murphy, Pathologist and the Committee of the Mildura Base Hospital, we have Miss Sandra Hale in training at that Hospital and your Committee is grateful to Mildura Base Hospital for this assistance. A bursary has been granted to Miss Margaret Ryan, to do a Science Course at the Melbourne University and on completion to return to the Wimmera Base Hospital.

Through the good offices of Dr. Wilder, Medical adviser to the Hospitals and Charities Commission, negotiations have been completed for a qualified medical technologist to come to this hospital; it is also anticipated that another qualified technologist will be obtained, and following these appointments, that a Pathologist will be appointed to the Wimmera Base Hospital. This is the blue print for a complete pathological service to the Wimmera region. This is the picture for the immediate future, but for the present, your Committee is grateful to Mr Jules Collard, B.V.Sc., who has maintained our biochemistry section of the hospital.

### **(d) X-Ray—**

During the year, a most important step was taken in this department, Dr Lyell Andrews, M.B.B.S., D.D.R. of the Glenelg Base Hospital was appointed Visiting Radiologist and your Committee takes this opportunity to thank the Committee of the Glenelg Base Hospital for making this service available, because to this hospital it now means that all films are read and reported on by a radiological specialist. With the resignation of Mr. C. R. Dilliway, Mr G. W. Strange has been appointed radiographer and under these arrangements, this department is expanding rapidly.

## **HONORARY MEDICAL STAFF:**

Due to the shortage of Resident Medical Officers, this has been a very strenuous time for the Honorary Medical Staff, and the Committee of Management takes this opportunity to thank them for the services which they have rendered, in addition to those of teaching our trainee nurses, conducting our blood-taking sessions and virtually being on call for all medical matters in the hospital.

We welcome to the Honorary Medical Staff, Mr. E. E. Brownstein and Dr. A. T. Thompson.

During the year, Dr. B. Hutton-Jones tendered his resignation, after 20 years of service and in recognition of his services to the Hospital, your Committee of Management conferred upon him a Life Governorship of the Hospital.

## **HONORARY STAFF :**

On behalf of our public patients, your Committee extends their thanks to our Honorary Dental Officers for their gratuitous services rendered during the year.

To our Honorary Solicitor, we are indeed grateful for his legal advice so readily given.

On behalf of all our patients, we express our thanks to the Honorary Chaplains for the service and spiritual comfort given and with them we acknowledge the ever increasing need in these times for their spiritual help and guidance.

## **VISITING CLINICAL SERVICES :**

Throughout the year, the hospital was served by visiting clinical specialists, and this opportunity is taken on behalf of our patients to thank the various organisations responsible. The Peter MacCallum Clinic, who this year commenced an aerial service to Horsham, the Consultation Council of Poliomyelitis and the Mental Hygiene Authority, to all of these the members of the Committee of Management express their thanks for the services rendered.

This year saw the commencement of another specialist service in the form of regular visits from Dr. J. Morley, Orthopaedic Surgeon under the auspices of the Victorian Society of Crippled Children and Adults.

## **AUXILIARIES :**

This year our auxiliaries are threefold, our Ladies' Auxiliary, Old Folk's Auxiliary and Younger Set Auxiliary; to all of these, on your behalf, the sincere appreciation of the Committee of Management is expressed for their personal efforts for the hospital.

During the year, the Ladies' Auxiliary raised the sum of £1,200 for the Hospital. The Old Folk's Auxiliary made a donation of £1,326 and the Younger Set raised £493 for the Hospital. It would indeed be most difficult for the Hospital if these donations were not made.

## **CONCLUSION :**

In the final analysis, the hospital is only four brick walls and the service within them is only as good as our staff, and on behalf of your Committee of Management, I wish to convey our thanks to Matron Woolley and her assistants, the nursing staff, both trained and students, the Tutor Sisters, the Administrative staff, the technical and the lay staff, all of whom form the team that serve our patients.

Our thanks to the Red Cross ladies who have provided a library service to the patients throughout the year, and also to the ladies of the various visiting guilds.

On behalf of the Committee of Management and the recruitment officers of the Hospitals and Charities Commission, we express our thanks to the Headmasters of the Schools and Mother Superior of the Convent for their assistance in providing opportunities for the recruitment of nurses amongst their pupils.

The Press have been most helpful and I am pleased to record the cordial relationships which exist between them and the Committee of Management and the administration of the hospital.

To my colleagues of the Committee of Management, I extend my personal thanks for their regular attendance and thoughtful attention given to all the problems in connection with the policy of the hospital. To all who have helped throughout the year, we say this very sincere thank-you and trust we may look forward to your continued support.

ROSS WEBSTER, President.

## ANNUAL REPORT WIMMERA BASE HOSPITAL LADIES' AUXILIARY, 1962

I have much pleasure to present to you, the Annual Report of the Wimmera Base Hospital Ladies' Auxiliary, 1961-62.

I am very pleased to say, we have had another very successful year. We have at present, 40 members. Mrs Seddon, Mrs Lawrence and Mrs Searle resigned during the year, to live in Melbourne. We farewelled and thanked them for their work during their residence here. We gained five new members. During the year we gave the General Committee £1,000 for the cost of the cooling units for the hospital. We have since been raising funds to complete our objective of heating the hospital. We had previously contributed £1,250 towards this fund, but with rising costs, that amount did not cover the present cost. This money is subsidised by a Government grant. I am pleased to say that this work has been completed and will be a great benefit to both patients and nurses. We held an opportunity Stall in the Fire Brigade Hall in September, which was very successful. We participated in the C.C.A. 3LK Community Club. Mrs Corner as our Captain, assisted by our members, did a magnificent job. We attended the final pay-out afternoon and collected a minor prize. Mrs Anderson attended the Anti Cancer meeting. Mrs Stanway and Mrs Anderson represented the Auxiliary at the Nurses' Graduation Ceremony. I wish to thank them, also Mrs Carter and Mrs Alford for carrying on the work during my absence through illness, in March and April.

The members once again helped prepare the supper and donated trifles for the Nurses' Ball. Our revenue has been from the Opportunity Shop in Pynsent Street, with Mrs Joly as the organiser, and the Raffle Table in Firebrace Street, with Mrs Anderson as organiser. Both organisers and their helpers have done marvellous work, each Friday from 10 a.m. until 5p.m. We thank the Jung ladies, Mrs G. Plush, Mrs Alf Burgess and Mr Friedman for their donations of a dinner, and Mrs Max Hartman, a fur cape. We also thank all who have made donations for our Christmas Hamper, and all of those generous folk who have made regular gifts to our Opportunity Shop. Without this support we could not carry on. We thank Mr Dalton for allowing us to have our shop on his property; Diana Lea for storing our goods each week; Matron and Staff; Miss Healy and helpers; Mr McIver, Mr Robinson for weekly auditing raffle books and returns; Mr Maurie Smith for annual audit; Mail Times, 3WV, 3LK for publicity. My special thanks to my office-bearers and all members and friends of the Auxiliary for their loyal support to me. I trust that you will all continue with the good work. I wish the new office-bearers every success for the coming year.

MAVIS TIPPETT, President.

The total cost of the service was £1,265 which was made up as follows:

Salary—Physiotherapist	£998
Petrol, Oil, Minor Repairs	149
Registration and Insurance	43
Depreciation	40
Sundry Expenses	35
	£1,265

This cost was shared equally between the Wimmera Base Hospital, and the participating Wimmera Hospitals.

A total of 16,846 miles was covered during the year by our Regional Physiotherapists, Mrs Madeline Edgar and Miss Alison Watts.

It is pleasing to report that the ante-natal classes held at the Base Hospital have been well attended and have provided another valuable service to residents in this area.
