Foreword

In eternity there is indeed something true and sublime. But all these times and places and occasions are now and here. God Himself culminates in the present moment, and will never be more divine in the lapse of all the ages. And we are enabled to apprehend at all what is sublime and noble only by the perpetual instilling and drenching of the reality that surrounds us. The universe constantly and obediently answers to our conceptions ; whether we travel fast or slow, the track is laid for us. Let us spend our lives in conceiving then. The Poet or the Artist never yet had so fair and noble a design but some of his posterity at least could accomplish it.

HENRY DAVID THOREAU.

The Seventy-Eighth Annual Report of the Committee of Management of Wimmera Base Hospital

(INCORPORATED)

HORSHAM

FOR THE YEAR ENDED 31st MARCH, 1952

To the Governors and Contributors.

It is my pleasure on behalf of the Committee of Management to present to you the 78th Annual Report of your Hospital.

I do so acknowledging our endeavours to make our Hospital what we feel it should be, and at the same time recognising the tremendous amount that has to be done under difficulties that beset all Hospital Committees of Management in their desire to do what is best for the sick of all the people in our Community.

As a country Base Hospital our problems are an ever growing one. We have problems of Staff shortage, insufficient accommodation for patients and nurses, with an ever increasing financial problem to meet our obligations on sound business and economic lines. Our work revolves around the patients from the highly skilled medical officer to the ordinary member of our Domestic staff, each driving a cog of different magnitude in the Hospital machine of patient well being.

This year 3,018 In-Patients were treated—123 less than last year. The statistical figures published here give such information.

PATIENTS' STATISTICAL REPORT, 1/4/51 - 31/3/52

IN-PATIENTS	Male	Female	Total
Patients remaining 31/3/51	66	81	147
Admitted during the period	1209	1662	2871
Discharged during the period	1171	1622	2793
Died during the period	53	50	103
Remaining 31/3/52	51	71	122
Daily average	60.13	74.85	134.98
Operations for Year—Major, 313; Minor, 958; Total, 1721.			

OUT-PATIENTS	Male	Female	Total
Out-Patients treated	1032	687	1719
Number of Attendances	1754	942	2696
Average number of attendances	1.89	1.37	1.57

Average cost per patient treated £30/4/.

Patient daily cost 37/2.

Yearly cost per patient £680/1/-.

During the year 339 patients were admitted to your Midwifery Ward—over 323 babies being born. These figures are above last year's figures, chiefly because this year Wembley Private Hospital was closed, our Midwifery Block was busier through extra demand on patient accommodation.

The Tuberculosis Chalet beds have been consistently occupied, the number of admissions for the year being 14 with 29 patients receiving treatment.

Today there are very few patients admitted for treatment of infectious diseases.

I would here mention our appreciation of the work done by Mr. John Colquhoun as visiting specialist in our Clinic on Poliomyelitis and allied diseases.

Your Committee willingly agreed to the formation of a "Peter McCallum Clinic" at the Hospital at the direction of the Cancer Institute Board. This clinic will be actively operating during the coming year.

FINANCE—The finances of your Hospital have worried your Committee. I express the opinion that some alternative must be found for financing both the Building aspect and Maintenance side of your Hospital to the present system, if our Hospitals are going to fulfil their complete function. Your Committee believes that unless greater Government money is made available to Committees of Management one of two things might happen—

- (a) a curtailment of services or
- (b) the patient must pay either by assessment or by the imposition of a Hospital Tax.

Briefly, a deficit of £8,323 was shown in the Maintenance Account. £93,297 was required to meet our expenditure accounts, £22,456 more than last year, our income being £84,974. From all Government sources, Commonwealth and State, £57,299 was received leaving £27,675 to be found from fees and donations.

This year your Committee decided to renovate the old Hospital and keep the new Intermediate Block in repair—our overall expenditure for Repairs and Replacements was £7,991.

NEW PROPERTY—A new Store Room and a Nurses' Lecture Room were built during the year and with other capital expenditure a sum of £9172 was spent.

THE AMBULANCE SERVICE this year was taken over by the Horsham and District Ambulance Service and your Committee handed over the "Dodge" Ambulance car and £260 to the new Service.

In addition a Home and Ambulance Station have been built on Hospital property at a cost of £3,600—a financial Grant from the Hospitals and Charities Commission to recoup 50 per cent of this cost can be expected during the coming year.

FURTHER RENOVATIONS—Your Committee has decided to renovate completely during this year, 1952-1953, the whole of the old Hospital, in addition to the old Nurses' Home—this building is to be used to accommodate the members of our District Nursing Service. The probable cost of this work will be in the vicinity of £13,000.

The bulk of such work will be carried out by Hospital permanent staff members as our own carpenters and painters are now employed on Hospital works.

HONORARY MEDICAL STAFF—The members of the Honorary Medical Staff have again rendered splendid service at the Hospital by giving of their time and their skill to all Hospital patients. Our thanks are due to them for their work in the Hospital Service.

This year to help with the greater number of students graduating, your Committee willingly agreed to the suggestion of the Hospitals and Charities Commission, and three Medical Officers are now appointed to the Hospital's Resident Medical Staff.

Our thanks are due to the members of our Honorary Dental Staff, who give of their time and ability willingly at call.

During the year we were fortunate in acquiring the services of Mr. F. W. Graham, who has taken charge of our Physiotherapy Department, an ever growing section of Hospital Patient Treatment.

COMMITTEE—Messrs O. D. Fitzgerald and H. H. Evans retire by effluxion of time and are eligible for re-election to the Committee.

GRADUATION CEREMONY—This year's ceremony was held in the Memorial Hall and to a crowded audience our Guest Speaker, Dr. John Hurley, member of the Hospitals and Charities Commission, gave an inspirational address to a large and appreciative audience.

Certificates were handed to Nurses who had passed their final Nurses Board Examination and Florence Nightingale Pledges to Trainee Nurses who had commenced nursing duties since our last Graduation Ceremony.

The chief prize winners were as follows :

T. F. Ryan Nursing Prize : Sister O. J. BAKER.

Most improved Nurse
Matron's Prize : Nurse M. J. CARTER.
Best Theoretical Nurse—
Two Prizes by two Tutor Sisters—
Sister McLennan's Prize : Nurse B. E. FLAVEL.
Sister Scott's Prize : Sister O. J. BAKER.
Best First Year Nurse—President's Prize : Nurse J. CARTER.

We thank Matron, Senior Sister, Tutor Sisters for a year of loyal service to the patients—a year in which many difficulties were overcome in filling staff vacancies—a problem more acute as the reaction to patient treatment and time involved is being realized by the effects of our 40 hour week.

LADIES' HOSPITAL AUXILIARY—We are grateful for the continued help and co-operation of our auxiliary, functioning with success under general difficulties. A full report of the auxiliary is published elsewhere in this report.

We also express our thanks to the members of the 3HA Cheer Box Club for loyal and continued support. This body gives its donations for specific requirements and this year a short wave Diathermy Set and four children's cots were the aim—objective accomplished. Thank you for such help.

CARNIVAL REPORT—I thank the President and members of the Hospital Carnival Committee for help and assistance during the year, when by the efforts of the Carnival Committee a sum of £400 was handed over as a donation to the Hospital through the medium of the 3DB-LK Radio Appeal.

A separate Report and Statement of Receipts and Expenditure is embodied in this Report.

ANNEXE HOSPITAL, MURTOA—Our Annexe Hospital is working on sound lines—doing good work and will be extending Hospital accommodation this year to meet extra patient demands and accommodation. A separate report is published by the Annexe Sub-Committee.

MRS. PHOEBE F. ANDERSON, M.B.E.—We again congratulate Mrs. Anderson first on overcoming the disability of her accident and secondly in again raising such a splendid sum for the Hospital—£1,171, which this year was placed to Hospital Funds through the 3DB-LK Hospitals Radio Appeal Committee.

We would like to say thank you to this Committee and to the members of the 3DB Staff who give their time and who by their personal efforts make such a success of our Annual Hospitals Radio Appeal.

A complete list of names of donors and subscribers to the Hospital is published in this report.

We would like to mention Miss Elsie Davis and her helpers who every Sunday visit the Hospital and give a bunch of flowers to each patient.

We remember the Town Council, the Shires, School Children, Town Organisations which help the Hospital every week throughout the year.

People are always showing acts of kindness to patients. The Red Cross Society with its Library Service, 3HA Broadcasting Station with its help to the children, Rotarians, Apexians and many others.

I would like to express to all members of our paid staff the thanks of my Committee of Management for a year of Service in the Hospital's interest.

Finally on behalf of the Committee I thank all of our people and friends who have helped in any way during the year, to the Chairman and members of the Hospitals and Charities Commission for help and a ready understanding of our request for help, both financially and also as regards equipment needs.

I say thank you for this co-operation.

I am convinced that as we maintain a high level of efficiency in patient treatment, we will be able to appeal to the Commission, the public and to the patients for money to make our Hospital function as you would all have it function.

O. D. FITZGERALD, President.

**LADIES' HOSPITAL AUXILIARY
PRESIDENT'S REPORT FOR 1951**

Our 1951 activities commenced with running the Afternoon Tea at the Hospital Carnival, which resulted in a profit of £16. We had eight new members for the year (all good ones).

The Annual Hospital Ball was held on May 21st, the profit from same including Raffles and Novelties, was £201/13/7.

Two Devonshire Tea afternoons resulted in a profit of £13, and a successful Card afternoon and Stall was arranged for the month of August.

During the year the various schools: Horsham High, State, Brigidine Convent, McKenzie Creek and Pimpinio conducted a Penny Drive which resulted in a profit of £167/10/-. A very big thank you to them for their wonderful effort.

The Lucky Envelope stalls at the Horsham Show returned us £127. We had two stands this year, for which we thank the Agricultural Committee. Through illness, I was unable to attend, and I thank all those who carried on.

During October we conducted our sale of Buttons, the result being £82/10/-. This year we carried the sale on for a week, which I think a very good idea; with the uncertain weather we had during that month.

Through the year we conducted various Raffles, which were a wonderful source of revenue, £569 being the result of same. Our Christmas Stocking showed a profit of £80. I give a special thank you to Mrs. Sinclair, who was responsible for making the stocking, also Miss McIntosh, of Diana Lea, for their show window, and selling tickets to the value of £30.

As I draw near the end of my report, many people come to mind whom I would like to thank for the help they have given me during my term of office. They are too numerous to name individually; but I thank Mrs. Coulson, our efficient Secretary over a number of years, Mr. Lewin, our Auditor, the City Council for use of the Committee room; and all members of the Hospital Ladies' Auxiliary—who did so much to help me. I thank Matron Arthur for her encouragement to me, also the Nurses who gave up their time to help, as they always do. To Mr. Shoebridge, Secretary of the Hospital, for his generosity, not forgetting Mr. D. Millen, of Prestige Ltd., for all the help he gave us throughout the year. The general public, both town and country, I sincerely thank, for their loyal support, which I hope they will continue to give our very worthy cause, the Wimmera Base Hospital.

O. O'BEIRNE, President.

REPORT OF CARNIVAL COMMITTEE FOR YEAR 1950-51

In submitting our financial statement for the 1951 Carnival, we do so with feelings of disappointment at the small return for the work involved.

However, we take the opportunity of conveying our thanks and appreciation to the many ladies and gentlemen, who sacrificed their time and energies to the cause, and also to our many friends who helped in cash and kind. To our patrons who attended the Carnival, and who were generous to a fault, we say a big Thank You.

T. E. CONROY, President.

H. GREENBERG, Secretary.
