Ass'tant Domestic Supervisor	:	Miss N. Healey.
Senior Cook	:	Mr. T. Margerison.
Head Laundryman	:	Mr. S. Hutchinson.
Ambulance Officer	:	Mr. D. Nicks.

7. COUNTRY ADVISORS OF COMMITTEE OF MANAGEMENT :

Messrs. J. C. M. Carter (Laharum), J. M. Johns (Dooen), W. E. Dahlenburg (Pimp'nio), R. P. Walker (Goroke), I. Draffin (Rupanyup), H. Wade (Nátimuk).

Foreword

The problem as to whether the Hospital field should be socialized and become a full Government responsibility is exercising the minds of many people today.

Hospital service costs more today than it ever did, due to higher wages for personnel and a higher cost for almost everything we buy.

Hospital accommodation is required today in both city and country to a degree never before experienced.

Lack of proper and adequate housing, high cost of proper diet, and specialized drugs, the growing increase in the incidence of degenerative diseases, due to our greater life expectancy, have each contributed to the general hospital and medical problem.

If our present system of hospital management is to continue we need:—

1. Greater Government financial assistance.
2. Closer scrutiny into the expenditure of all moneys received.
3. An expansion of the field of voluntary contributions.

It is our belief that each of the above avenues can still exercise a great influence on our present system of caring for the sick in our public hospitals.

The Seventy-Sixth Annual Report of
the Committee of Management of
Wimmera Base Hospital

(INCORPORATED)

For the Year 1st April, 1949, to 30th March, 1950

To the Governors and Contributors,

Ladies and Gentlemen,

My Committee of Management has pleasure in presenting the 76th Annual Report and Financial Statements for the above year.

PATIENTS. This year was slightly busier than last year. Our work is governed solely by the available accommodation. Our Intermediate and Semi-private beds are limited and the Hospital has no private accommodation for patient treatment. The period under review 2889 patients were treated. Daily average being 124.07 with an average stay in days of 15.67. 63 Repatriation patients and 27 Tuberculosis patients were treated. In addition 25 patients were admitted under the Third Party Motor Car Accident Insurance Act.

A factor which is applicable to all hospitals and one which will continue to cause concern until solved is, that the Hospital had 13 in-patients for a period of twelve months and over.

RENOVATIONS AND REPAIRS TO OLD HOSPITAL. This fact has been considered. The original feeling was that the old buildings would be demolished. This is not so. Plans are now drawn up for renovating and repairing together with certain additional buildings that will make our public wards sound and fit for use at a later period for accommodating the aged and the infirm people of Horsham and the Wimmera District. This work is additional to the completion of a new hospital, the first section of which has now been in use since 1941.

COMPLETION OF OUR NEW HOSPITAL AND NURSES HOME: This matter has not progressed as we would wish. During this financial year my Committee of Management has commenced an appeal, the amount of £10,000 being our initial target. This amount, we are confident, will be in hand at an early date. The amount of £10,000 will not be in any way sufficient to carry out our building projects. We trust that when primary moves can be initiated regarding the second portion of our building programme, that with the help of the Hospitals and Charities Commission, a start can then be made to complete this very essential and necessary building scheme.

Such a development merits the wholehearted support of the people of Horsham, surrounding shires, and the whole of the Wimmera District.

I feel confident our people will not let the objective of such a task remain unfulfilled.

THE NAME OF THE HOSPITAL. Your Committee decided to change the name of the hospital to "Wimmera Base Hospital" and such a change was approved by the Hospitals and Charities Commission. The chief reason being that such a name would typify the area from which over 50 per cent. of our patients come from for treatment at the hospital.

FINANCE. This is not the only, or main source of worry, regarding hospital management. Today the problems have become more complex so that it is necessary to endeavour to find out not only how money can be acquired, but also how money can be saved. It can be saved by hospital design and functional set-up, purchasing, goods distribution and use thereof, and in many other ways, but finally the greatest factor is the intelligent interpretation given to the job by those who have to do the work and this can be helped very much by those whose duty it is to see that all those conditions that are essential for such a set-up endeavour to bring them about as soon as possible. I believe that this problem is being faced at the present time. However, I feel sure that you will all agree with me when I say that to meet rising costs and free treatment in our public wards that more Government money must be made available during the coming year to help Committees of Management carry on their work of maintaining our public hospitals in a manner worthy of giving sick people all those amenities to which they are entitled.

Various statements are submitted and can be studied at the leisure of our contributors.

MAINTENANCE ACCOUNT. Expenditure £62,457—chief item being Salaries and Wages, £38,461. There has been a general rise in our three other main accounts.

Food costing	£8166
Drugs, etc.	3802
Wood, Light, Gas, Linen, Crockery, etc.	8290
	<hr/>
	£20267

This year the State Government made available special grants of £8564. Total Government Grants being £48043 of which £5969 was received from the Commonwealth Government as a Hospital Benefits Fund payments for non-public patients—in the balance of £42,074 was included a sum of £442 in payment of fees for tuberculosis payments. Patients fees, including £411 ambulance fees, came to £15,831.

Municipal grants and payment for infectious fees £1035—the public subscribing an amount of £2744.

On an income and expenditure basis a credit of £5587 has been transferred this financial year to our Maintenance Fund Account.

EQUIPMENT—REPLACED AND NEW PURCHASES. During the year new equipment has been installed in the following departments:

Laundry: Burton 33 in. Vacuum Ironer

X-ray Department: Ultrays 500 M.A. 85 K.V.A. 4 valve X-ray Generator

Theatre: One Electro-Surgical Cutting Unit.

Purchased with the help of the 3HA Cheer Box Club.

On plant and machinery £6503 was spent during the year and £621 on various other sections of the buildings and in renewal of furniture and equipment.

NURSES HOME EXTENSION. A sum of £3150 has been spent in purchasing, renovating and furnishing a home at 20 Baillie Street to house ten Sisters. The Committee of Management expressed its thanks to the members of the 3HA Cheer Box Club who completely furnished the sitting room in this home. This accommodation temporarily helped to solve an acute hospital problem, the proper housing of the members of our Nursing Staff.

ANNEXE HOSPITAL. This year a separate report is being made out for our Annexe Hospital.

The Sub-Committee is doing excellent work as well as all the staff members concerned at the hospital.

During the year 51 patients were treated for 1158 patients days. Maintenance costs were £2284, showing a deficit of £465 against which a reserve of £950 has been built up and not transferred at end of the year.

The hospital property was purchased for £1800 and tenders let for repairs and renovations at a price of £1400. In addition £6500 is in hand for a new hospital for which the land has already been purchased at a sum of £396.

As the parent hospital, my Committee of Management is glad of the opportunity of co-operating with our Annexe Hospital Committee and the people of Murtoa and district in carrying out a hospital service that is very deeply appreciated.

COMMITTEE OF MANAGEMENT—MEMBERS DUE TO RETIRE: Messrs. Conroy, Crosthwaite, Ward, Smith, Anderson. There are two unfilled vacancies on the committee. The five members retire in accordance with procedure, and are eligible for re-election and offer themselves accordingly.

We regret the illness of our fellow Committeeman, Mr. Frank Langlands, who has been granted leave of absence and we trust that in time he will be fit and well again.

GOVERNMENT REPRESENTATIVE: Mr. K. H. Lovett, Secretary of the Shire of Wimmera, was appointed by the Governor in Council as the Government representative on the Committee of Management. His appointment is welcomed with pleasure members feeling that he will uphold the prestige of the appointment so ably filled by his predecessors.

Mr. D. S. WALLIS. The Committee of Management in this report expresses its appreciation of the splendid services rendered to the hospital by Mr. D. S. Wallis and wish him every success in his advancement by his firm, occasioned by his transfer to a responsible state position at his firm's head office in Melbourne.

MEDICAL STAFF. We thank the members of our Honorary Medical Staff for their services during the year. Our hospital is now at that stage where service expansion is difficult without further patient accommodation. There are appointments that could then be made and I feel to the advantage of our Honorary Medical Officers in hospital working and routine. We are grateful for the help given by our Resident Medical Officers and our Nursing Staff and also for that willingness to co-operate with the departmental officers at the hospital. It is felt that the happy relationship existing will continue to enhance the good name and the value of our hospital to the people during the coming years, and also be of similar advantage to all patients who are admitted for treatment.

GRADUATION CEREMONY: Our inaugural ceremony was held in December. The Guest Speaker being Miss Schafer, Matron of the Queen Victoria Memorial Hospital.

General Nursing Certificates were obtained by Sisters:—

D. A. Baker,	L. Clark,
H. J. Guthridge,	A. E. Etherton
L. M. Hateley,	G. Powell,
M. E. Knonagel,	J. A. Hogart,
M. K. Kranz,	S. O. Keam,
L. M. Scholfield,	B. W. Rushbrook,
Mrs. M. Scott,	F. J. Voigt,
(S. D. Robinson),	S. B. Wilkins,
O. J. Byrne,	I. I. Isbel,
Mrs. W. Muller	T. E. Lindsay.
(N. M. Hutchinson).	

First Year Trainees were presented with the Florence Nightingale Certificate.

T. F. Ryan Nursing Prize:

Winner—Sister M. E. Knonagel,
Runner-up—Sister L. Clark.

Matron's Prize to:—

Sister I. Isbel.

The Committee is conscious of the great service rendered to the hospital by Matron, Sisters and members of our Nursing Staff. Despite the trend of affairs today an acknowledgment of the loyalty and devotion of the members of our Nursing Staff is again reiterated.

A HOSPITAL SERVICE: We appreciate the privilege of working in co-operation with the Red Cross Society in its relief to many country people. Opportunity is here taken of thanking the members of our Blood Donors Group for their helpful and beneficial co-operation during the year.

HOSPITALS AND CHARITIES COMMISSION: As each year passes the liaison existing between Commission officers and hospital management becomes more evident.

It is with gratefulness that an acknowledgment is made of the consideration given to our needs by the Chairman of the Commission, and the financial help given our hospital by the Government through the avenue of the Hospitals and Charities Commission. There is no doubt that the Government is conscious of the fact of helping hospitals and has increasingly carried out this policy during the last six years.

HOSPITAL AUXILIARIES: We have our two main auxiliaries, the Ladies Hospital Auxiliary, and the Carnival Committee, and from the great work done on behalf of this hospital one forgets sometimes and calls the 3HA Cheer Box Club of Horsham another auxiliary. Their work is deeply appreciated.

The splendid help given each year to all the hospitals in this area by the 3DB-LK Radio Appeal is a great financial help as well as a yearly moral reminder of our need to think charitably and make our hospitals milestones of goodwill throughout our land.

Our outstanding individual worker and raiser of money is Mrs. Anderson, who this year handed in a sum of £1022/3/7, making her total individual collections on behalf of the Hospital £11,131/8/5. Mrs. Anderson is unique as a hospital helper and the great thanks of my Committee of Management is expressed to her again in this annual report.

A means which could easily spread whereby money could be raised is the annual hospital efforts held by Pimpinio, Drung South, Polkenmet East and Longerenong. The kindly and continuous support of these country areas is appreciated.

Although we mention the above constant helpers there are many people who are always helping the hospital. We remember ministers of all churches and Salvation Army offices daily seen at the hospital and the following organisations who regularly visit the hospital:—

The R.S.S. & A.I.L.A. Ladies' Auxiliary, Ladies' Hospital Auxiliary, the Ladies' Catholic Guild, Country Women's Association, the Methodist Ladies' Guild, the Presbyterian Ladies' Guild, Church of Christ Ladies' Guild, Lutheran Ladies' Guild, Church of England Ladies' Guild, 3HA Cheer Box Club, Women's Section of the Country Party, Miss Elsie Davis and her band of young helpers.

There are seasonal times of the year, such as Christmas, when all the churches and bands fall into line and do a great work. We also have had a yearly visit from a visiting Salvation Army Band, this year we were delighted to listen to the Perth Citadel Salvation Army Band.

I feel confident when I say thank you to all our friends and helpers that our hospital will always enjoy the goodwill and receive financial support from the citizens of Horsham and surrounding districts.

MUNICIPAL HELP AND UNDERSTANDING: We thank our City Council, the Shire of Wimmera, for its very fine annual charitable grant, and all the following shires in our area for their financial help, namely:—

Dunnunkle, Arapiles, Dimboola, Kowree.

Further it is appreciated that all our municipalities are members of our Infectious Diseases Group.

Our Infectious Diseases Block certainly needs repairs and renovations. This work has already been given to the Public Works Department to carry out, our municipalities immediately accepted their share of financial obligation regarding such work.

CONSULTATIVE COUNCIL FOR POLIOMYELITIS: This council holds a quarterly clinic at the hospital when we are favoured by our visiting specialist, Mr. John Colquhoun. Many patients from surrounding districts attend such clinics. Your hospital is also collaborating with the Hamilton and District Base Hospital in the services of a splint maker, who attends the above clinics.

OBITUARY: Since our last hospital report we mourn the passing of Mr. C. W. Macdonald, who served the hospital as a committee man and as our honorary architect for many years. A great and courteous gentleman who lived to help.

MINISTERIAL VISIT: During the year the hospital was visited by the Honourable C. P. Gartside, Minister of Health, by whose instigation and support our plans for general repairs and renovations of our old hospital were set in motion.

T. B. CHALET: We acknowledge with thanks the work of the Public Works Department and the Health Department in laying out our Chalet Garden. This will be a delightful spot when all the shrubs and trees have developed.

FINALLY: We thank all service staff members for another year of service and trust that all our new staff appointees will be happy. Amongst such we have several new Australians. We welcome Miss Betty Brown, who accepted the position of domestic supervisor vacated by Miss Rita King who tendered her resignation.

Our hospital can only function completely when there exists inter-relationship between the various staff sections, and harmony overcoming the many problems and difficulties that do crop up during the year's work. In this manner only will the patients admitted for treatment receive the maximum attention and comfort which it is our ideal to attain.

It is our belief that in the due course of time each patient, irrespective of classification, will be accommodated in an individual room and towards that aim our strivings will be maintained.

On behalf of the Committee of Management,

A. L. HUTCHESSON, President.

During the year 192,432 meals were served from this Kitchen.

STATE SCHOOLS EFFORTS

As usual the hospital is indebted to the scholars, teachers and parents of the schools in our district who again helped the hospital by gifts in kind and cash donations. Since our Annexe Hospital has been controlled by the parent hospital the appeal from the Murtoa school has been given to the Annexe Hospital.

We are grateful to all who help in this way—such co-operation is appreciated. We would like to mention the Horsham High School which yearly concentrates on an egg appeal. The hospital uses up to 3500 dozen eggs per annum. The figures for 1949 show an increase of £70/10/6 on help given in 1948.

We say thank you very much to Mr. Freeman and scholars and teachers for such splendid help.

STATE SCHOOLS

WIMMERA BASE HOSPITAL

CHRISTMAS CHEER

Christmas time at the hospital is always a time for extra activity and happiness. This is made possible by the Church guilds and choirs and Salvation Army Band. Our two bands, the Horsham City Band and the Horsham Pipe Band, the Returned Soldiers Association and the Horsham Angling Club and the Horsham Gun Club are always loyal and willing supporters of our Christmas Appeal. These organizations with a host of individual well-wishers make the hospital at Christmas a brighter and happier place on account of their good thoughts, appreciated gifts, and welcome cash donations.

We would like to take this opportunity of thanking Mr. J. R. Baillie our bandmaster, who has now retired, for all he has done for the hospital, in fact we believe our Christmas Cheer Fund originated with him and at the same time welcome his successor, Mr. J. McLean.

REPORT OF PRESIDENT OF LADIES' HOSPITAL AUXILIARY FOR YEAR 1949

Our 1949 activities commenced on 9th April with the conduct of an afternoon tea booth at the Hospital Carnival, when we were able to hand the amount of £27 to the Carnival committee. The Annual Hospital Ball was held on 29th April and profit amounted to £74. We were fortunate to be able to draw several raffles conducted during May and June at our picture night on 23rd June, and we are indebted to the management of the 20th Century Theatre for making available such an excellent film as "Scott of the Antarctic." We netted £12 as our percentage of the large number of tickets sold for this night.

I would like to convey my thanks to Mrs. A. Hutchinson for supplying supper at the flag bridge night held on 18th July, the whole night being Mrs. Hutchinson's effort. Our funds benefited by £5/13/6 from this night. We were fortunate in receiving a donation in July from the Sun News-Pictorial for the sum of £79, and during August Mr. A. Wood kindly loaned us his premises for our produce stall, when takings amounted to £18.

Here I would like to acknowledge gifts of all kinds made to us annually for our stalls, and towards the supper for the hospital ball. Both town and country people are most generous with their donations and I do want them to know how much we appreciate their assistance.

On 4th October our Button Day sales totalled £70, while lucky envelopes sold at the show brought in £42, despite bad weather which prevented us operating on both days. Towards the end of the year we raffled a Christmas cake and cigarettes and in two afternoons added £41 to our revenue. To the ladies who throughout the year took their turn at raffle tables in the street, I would like to express my thanks. This is a job we all dislike doing, but when we see the result—£112 during this year—we are rewarded.

As I draw near the end of my report, many people come to mind whom I would like to thank sincerely for the help they have given me during my term of office. They are too numerous to name individually, but I know I will be excused if I do name our efficient secretary, Mrs. Coulson, who has given me invaluable help; Mr. C. Wale, our auditor; and the Council for so kindly making available this committee room. And to you, the committee, with whom I have found it a pleasure to work, I say Thank You.

D. HARFIELD, President.

HOSPITAL CARNIVAL COMMITTEE

The hospital carnival for 1949 was not as successful financially as that of 1948. However, a very interesting programme of cycling and pedestrian events were contested which made good entertainment, for those who patronised the effort. Stalls conducted by the A.N.A., A.W.A., Apex, Ladies' Hospital Auxiliary, G. Phillips, R.S.L. and J. Whitty, contributed in no small way to the financial return.

Net profit for the effort was £820/17/1, but a balance carried forward from 1948 enabled the committee to again make a donation to the hospital of £1000.

I take this opportunity of sincerely thanking all who, in anyway, helped to make the carnival a success. T. E. CONROY, (President).
