## Forty-Seventh Annual Report for Year ending June 30th, 1921

To the Governors, Life Members and Other Supporters of the  
Above-Named Institution.

### LADIES and GENTLEMEN.—

Your board of management have the honor to present their report for the year ending June 30th, 1921, showing the general conditions and financial affairs of the hospital, and cordially invite your earnest attention to same; also balance sheet, all of which are submitted for your information and approbation.

### FINANCIAL.

The year began with a credit balance of £349 18/6 to the general account, and £114 3/5 to the current building and improvement account. Total receipts were £2685 17/6, and total expenditure (including extraordinary expenditure) £3024 0/4, leaving to the institution's credit the sum of £125 19/1. The following are some of the special sources from which revenue was derived, and the very satisfactory results are highly appreciated by the board of management.

Special Collections.. . . .	£567 12 7
Murton Hospital Sunday (1919) .. . . .	101 15 5
Natinuk Hospital Sunday	88 0 11
Dimboola Hospital Sunday	45 8 0
Jung Race Club .. . . .	101 6 6

### BUILDINGS.

These are being maintained in a fairly good state of repair, as both materials and labor are very expensive, so economy is used where possible with efficiency and comfort to the patients. In our 1920-21 report, mention was made of fact that we had been successful in securing the advice of the acting Chief Architect of the Public Works Department, Mr. Kerr, for the purpose of advising your board of management in connection with the proposed building and improvement scheme. Mr. Kerr's report came to hand and, summed up briefly, states that the hospital is in a dilapidated and unsatisfactory state, and estimates the cost necessary to complete his plan in the vicinity of £4000. Towards this proposed expenditure, your committee has on fixed deposit at the Bank of Victoria a sum of £1443 7/1, in addition to £113 13/5 credit current balance. It will thus be seen that the monies available are not nearly sufficient to carry out the work. Recognizing this fact, your board of management appointed a deputation consisting of the President (Mr. G. S. Symonds), Mr. J. Hocking and the Secretary (Mr. E. J. Glenister) to wait on the Acting Treasurer, The Hon. H. S. W. Lawson, for the purpose of placing before him our financial difficulties, and requesting that the Government would assist us. We re-

gret to say that the deputation was not successful in its mission. Mr. Lawson said that his sympathies were always with hospitals, but unfortunately the whole of the amount set aside by Parliament for charities had been expended, consequently it would be impossible to accede to the deputation's request. Your board of management, recognising that in order to cope with the increased demand for accommodation for patients, something must be done and that quickly, decided to launch an appeal for funds. We regret to say that the response to date is most disappointing. However, we are hopeful that the people of the district will realise their responsibilities in this matter, and by so doing help us to start and complete this most urgent and necessary work.

#### PATIENTS.

The resources of the hospital in providing accommodation and treatment were again heavily taxed during the past year, and the benefits of the institution were extended to 575 patients. Of this number 483 were admitted as in-patients, including 22 who remained in hospital on 30th June, 1920, whilst 92 were treated as out-patients. The daily average for the year was 23.65. These figures, although constituting a record in the work of the hospital, hardly convey the great difficulty experienced at times in finding room for patients. The number of beds available for treatment of patients at the hospital is 40, and at times all were occupied. The busy periods occurred during the months of January, April and May, with a daily average of 28.25, 30.16, and 29.31 respectively. The following list will show the number of in-patients treated at the hospital during the past six years:— 1915-16, 282; 1916-17, 327; 1917-18, 401; 1918-19, 396; 1919-20, 418; and 1920-21, 461.

#### SPECIAL COLLECTIONS.

Your board of management are once again deeply indebted to Mrs. James Anderson for the great interest she has shown in the hospital. As a result of her untiring efforts and systematic canvassing, a sum of £367 12/7 was handed to the treasurer of the institution. To accomplish such a wonderful record must have entailed an immense amount of hard work and worry, and we express to Mrs. Anderson our grateful appreciation of her efforts. A detailed list of contributors to this collection appears in another part of this report. To the members of the committee of the Jung Race Club and their energetic secretary (Mr. Lurze) who organised a race meeting for the benefit of the hospital, and which resulted in a profit of £101 5/6, we extend our very best thanks.

#### HOSPITAL SUNDAYS.

Excellent work was done by the committees associated with the Hospital Sunday movement at Murtoa, Natimuk, and Dinboola. At each place increased collections resulted. We desire to thank the committees and secretaries for the excellent results achieved, and for the kindly interest they take in your institution. Horsham's effort this year was marked with success. In the afternoon an appeal was made by various speakers in May Park, and in the evening, after the church services, a sacred concert was given in the Town Hall, the programme being arranged by Mr. A. Langlands. We are grateful to Mr. Langlands, the Horsham Orchestra.

and the vocalists who assisted at the concert, and to Mesdames Hill and Bowden who materially helped to swell the receipts by the sale of badges.

#### **MEDICAL and NURSING STAFF.**

As the increase in the number of patients treated would indicate, the work in the Institution during the past year has been of a strenuous nature, creating much heavier demands on the medical officer, matron, and staff than usual. We are pleased to express our appreciation of the work of the medical officer, Dr. S. D. Read, and the unremitting care and attention bestowed upon patients by the matron (Miss Humphries) and staff. The shortage of nurses through illness added greatly to the anxiety in regard to the management of the nursing side of the hospital; but the matron, by her thoughtful care so arranged that the effect of these difficulties was reduced to a minimum. Since our last report Nurses Ross and Hunter passed their final examination. Nurse Ross retired from the institution, but the services of Nurse Hunter are to be retained for an additional three months. The present staff consists of the Matron (Miss May Humphries), Sister McClooman, Nurses Hunter, Guest and Murphy (third year), Nurses Pearse and Murray (second year), and Nurses Fraser, Burness, Mahoney and West (first year).

#### **HONORARY STAFF.**

To those doctors who have so generously helped the hospital during the year, the committee convey their gratitude and thanks. Especially do we thank Dr. Black, who besides administering anaesthetics, has rendered the hospital very valuable help when necessary.

#### **CHRISTMAS TREE**

On Christmas Eve a Christmas Tree was held. In former years the function was carried out during the afternoon, but this year a departure was made from this custom, and the tree held in the evening. Great enthusiasm was displayed by the nurses, who spent what time they had at their disposal decorating the various wards. The effect was very pleasing, and brought forth expressions of approbation from the many visitors. Special thanks are due to the kind friends who, by the useful and thoughtful gifts, assisted to make the Christmas Tree such an unbounded success.

#### **GIFTS TO HOSPITAL.**

Gifts in kind have been numerous during the year. Books, magazines, flowers and provisions have been received consistently from many local citizens. Both the local newspapers proprietors have again donated sufficient copies of the "Times" and "Star" to supply the wards. Copies of the West Wimmera Mail, Dimboola Banner and Dimboola Standard have also been forwarded to the institution. Your board desires to express its warm thanks to the many friends for their valuable contributions.

#### **EGG APPEAL.**

The egg appeal this year was a very successful one, sufficient eggs being received to tide the hospital over the twelve months. We desire to express to the teachers and scholars of the various schools who contributed our appreciation of their efforts on behalf of the institution.

**NEW  
CHALET.**

There has just been completed at the hospital a new chalet for the purpose of treating patients suffering from tubercular trouble. The chalet was the gift of Mr. and Mrs. Thomas Young, of "Sunyside," Horsham, and was erected to the memory of their late daughter, Elizabeth Annie Young. To Mr. and Mrs. Young we accord our sincere and best thanks for such an excellent gift which we assure them is much appreciated.

**DONATION.**

We acknowledge with many thanks receipt of cheque for £50 from the Estate of the late George Ward, with the request that this money be placed on fixed deposit and the interest accruing therefrom used for maintenance purposes. The condition stipulated has been complied with and the cheque lodged at the Bank of Victoria, Horsham.

**THANKS.**

We again record our appreciation of the efforts of the Horsham Borough Band, who besides assisting in various movements for the hospital's welfare, has made periodical visits to the institution and, with music, done much to give pleasure to the patients, the staff and visitors. To Mr. C. H. Hoskin, for regular visits to the patients, we accord our thanks.

**COMMITTEE.**

Your board regrets to report that during the period under review Mr. Stephen George Knight, whose services had proved of great value to the hospital, passed away. The vacancy caused by the death of the late Mr. Knight will be filled at the annual meeting. Two new members of the committee were elected during the year, Mr. William Lloyd filling the place of Mr. J. J. Hennessy, who left the district, and Mr. John E. Curran that of the late Mr. George Ryan. The members of committee who retire by effluxion of time are Messrs H. Balfour Cathcart, R. Appleton and Wilson C. Bolton. All are eligible for re-election. Before concluding we desire to express appreciation of the valuable services rendered the institution by the Secretary, Mr. E. J. Glenister. The manner in which this officer's duties are performed reflects great credit upon him, and the present satisfactory financial position is due in no small measure to his exertions. For and on behalf of the committee.

G. S. SYMONDS,	President.
