NINTH ANNUAL REPORT

OF THE

COMMITTEE OF MANAGEMENT

OF

THE BALMORAT BENEVOLENT ASYLUM.

In submitting a Report of their proceedings for the past year, the Committee of Management have the pleasure of congratulating the Governors and Subscribers upon the continued prosperity and usefulness of the Institution, notwithstanding the increased demands made upon it for assistance, as shown by the following statements.

The numbers remaining in the Asylum at the end of 1865, were 103 males, 17 females, 56 children; total, 176. Admitted during 1866, 119 males, 35 females, 9 children, and 12 children born; making a total of 351 persons to whom the Institution has afforded a home. Discharged and left during the year, 112 males, 40 females, 8 children; total, 160. Died, 26 males, 3 females; total, 29. Remaining at the close of 1866, 110 males, 12 females, 57 children; total, 179. Average number of inmates during the year, 182½.

The average cost of maintenance per head during the year amounts to £24 8s. 6d., which shows an increase on the previous year of £2 3s. 6d. It will be seen by reference to the financial statement that there is an increase in several items of expenditure, the chief cause of the increased cost of maintenance being the high price paid for meat during the greater part of the year.

The expenditure of £2460 15s. 8d. in out-door relief, shows an increase on the previous year of £390 18s. 8d. Your Committee have used every effort to secure the administration of out-door relief only to deserving persons, but have been unable to avoid an increased expenditure, the average number of families on the books during the year being £179½, consisting of 206 adults, and 321 children, the average cost per family being £13 14s. 2d. The numbers on the books at the close of the previous year were 172 families, consisting of 181 adults, and 279

children. The Chinese out-door recipients of relief are still a heavy tax upon the Institution, and your Committee would recommend that some active measures be taken to ensure the necessary provision for the care of those suffering from leprosy before another winter.

The continued increase in the demand for accommodation for cases requiring medical treatment, induced your Committee to renew the application previously made to the Government for a building grant, which resulted in the sum of £1800 being allotted for that purpose. Having thus far succeeded they determined to provide a hospital ward for the accommodation of the class of inmates above referred to, who have hitherto been confined to two small wards, where the ventilation for that purpose is incomplete. It was found, however, that to carry out the original design of the building, the necessary ventilation could not be obtained, the Committee therefore requested Mr. Doane, the architect, to prepare a design providing increased height to the proposed addition to the main building, and in accordance with his recommendation the north wing has been extended 80 feet westward, by a width of 26 feet, thereby forming two large wards, the lower one it is proposed to use as a hospital ward, the upper one as a dormitory. Plans were also prepared by Mr. Doane, for work-rooms and other out-offices, where those of the inmates who are able to work may be employed; and in September last a contract was entered into with Mr. Thomas Nicholls, for the completion of the whole works for the sum of £1669 10s.; the contract is now nearly completed, and the buildings will be ready for occupation in a few weeks.

The iron entrance gates, mentioned in the report of 1865, have been received at a cost of £88; the importers, Messrs. Eyres Brothers, having kindly presented to the Institution, and erected on the stone piers at the entrance to the grounds a pair of very handsome lamps, made from a design furnished by them to the manufacturer. The Committee also desire to acknowledge, with thanks, the kindness of the Borough Council of Ballarat, in agreeing to light the two lamps at the entrance gates, gratuitously.

The Committee desire to acknowledge, with thanks, the receipt of £100 from the executors of the late Matthew Campbell, Esq., who, for a number of years was honorably connected with public affairs in Ballarat, and has left substantial proof of his sympathy with its charitable institutions.

The special thanks of the Committee are due to those gentlemen who took part in carrying out the United Demonstration of Boxing Day, 1865. The net proceeds paid over to the Institution in the early part of 1866, amounted to £175 13s.

In addition to the usual subscriptions, your Committee desire to acknowledge, with thanks, the special collections made in aid of the Institution by the ministers and congregations of Christ Church, St. Peter's, St. Andrew's, Dawson Street Congregational Church, Presbyterian Church, Buninyong, and the Wesleyan Churches.

Also, donations of books, &c., for the use of the inmates, from Mrs. A. Joyce, Norwood Station, per Rev. J. J. Halley, Mrs. B. Hepburn, Mr. W. P. Bechervaise, Mr. James Campbell, Mr. H. Smith, and the late Mr. Tugwell.

The produce of the dairy for the past year, charging 4d. per quart for milk, and 1s. 6d. per lb. for butter, together with £2 2s. 6d. for calves sold, amounts to £276 5s. 2d., which, deducting cost of forage, &c., £130 1s. 10d., leaves a profit of £146 3s. 4d. The return of vegetables supplied to the house during the year from the garden, charged at market rates, amounts to £127 13s., being £13 6s. 4d. in excess of the previous year.

Your Committee have to report that in September last, the President, Mr. Doane, tendered his resignation in consequence of his being professionally employed as architect for the additions to the building; and at a special meeting of Governors, held on the 8th of October, Robert Lewis, Esq., was elected President for the unexpired portion of the year.

Before resigning their trust, your Committee desire to record their satisfaction with the manner in which the salaried and honorary officers of the Institution have discharged their various duties during the past year, and in conclusion, to tender their most sincere thanks to those ladies and gentlemen who have, by visiting and other means, evinced their desire to protect and further the objects of this valuable Institution, and they trust that the same liberal support hitherto accorded to the Asylum will be continued.
