#### INTRODUCTION

This Annual Report has been prepared on behalf of the Wimmera Base Hospital Foundation Trustees, for the community, to involve and inform people regarding the Foundation.

The Wimmera Base Hospital Foundation was created in June, 1989, for the purpose of establishing an independent public charitable fund to which any person, corporation or association may contribute or bequest money or property for the sole purpose of assisting Wimmera Health Care Group to cater for the health care needs of our community.

Funds held by the Foundation are professionally managed and invested in accordance with the Trustee Act.

The principal will never be spent. Only the interest earned will be spent on projects agreed to between the Hospital Board of Management and Trustees of the Foundation.

It is not the intention of the Hospital to relieve the Government of its responsibility to the people of the Wimmera. Money raised by the Foundation and any other funds or property received will in no way affect the Hospital's annual budget allocations from the Government.

### Chairman's Report

On behalf of my fellow Board of trustees, I am pleased to present the Tenth Annual Report of the Wimmera Base Hospital Foundation. In ten years we have witnessed steady growth of the Foundation of over a quarter of a million dollars. This year donors were invited to consider the Foundation in their long term deferred giving plans. Whilst these funds might not be realised for some years, the effort we put in today will benefit future generations in years to come.

I sincerely thank my fellow Trustees, Foundation Administrator Maree Taberner and the many people who, like me, share the importance of planning ahead.

Don Johns

<u>Chairman</u>

### Administrator's Report

Whilst growth has not been forthcoming from donations, retained capital continues to grow.

It is pleasing to report that this year saw a broadening of investments held by the Foundation with the introduction of 'The Prudent Person Rules'. The prudent person rule encourages Trustees to diversify investments to reduce the impact of inflation and market risk. To this end monies have been invested in Management funds which have income and the potential for capital growth over the longer term.

Whilst no direct mail campaigns have been undertaken seeking donations, existing donors were sent bequest information.

It has been a shortened year due to my absence during long service leave.

With the onset of a new millennium, I will remain alert to developments that may arise and be positioned to maximise opportunities as they emerge.

Maree Taberner Administrator
