THE TWENTY-THIRD ANNUAL REPORT  
OF THE  
COMMITTEE OF MANAGEMENT  
OF THE  
PLEASANT CREEK HOSPITAL.

~~~~~  
FOR THE YEAR 1881.  
~~~~~

*To the Governors, Subscribers and Contributors, of the  
Pleasant Creek Hospital.*

THE Board of Management, in presenting their twenty-third Annual Report to the Governors and Subscribers of the Pleasant Creek Hospital, have pleasure in congratulating them on the continued interest shewn in the prosperity of the Institution by the public, and the evidence of its usefulness in meeting the requirements of the large district to whose necessities it ministers.

It will be remembered that for some years past the claims upon the Institution were so much in excess of its means that a debt was accumulated that gave your Board much anxiety, for whilst on one hand the industrial depression of the district had curtailed the contributions of Subscribers, and the grant-in-aid by the State was diminished; on the other hand, the demands of the Institution maintained the high average of the more prosperous times. Under the circumstances, and with the concurrence of the Subscribers at their last Annual Meeting, it was arranged that the admission of patients should be restricted to the most necessitous cases.

This has been done, and has resulted in a largely diminished average of patients receiving attention during the past year, and a corresponding reduction in the cost of maintenance. A reduction was also made in the amount paid for salaries and wages. Under these and other items the expenditure for the past year is about £400 less than that of the previous year, whilst the public contributions show a slight increase. The amount actually received from the Government is less than last year, but the amount placed on the

estimates, the balance of which will soon be available, is somewhat greater, and will go far to reduce the overdraft of £516, which closed the year's account of 1881, as against the overdraft of £661 outstanding in December, 1880.

During the year the Institution has suffered the loss, by death, of one of its Trustees, Mr. William Hobbs, a gentleman who had shown the warmest interest in the charity from its earliest days, and who by active personal labors in the management did good service to the Institution. It will devolve upon the Governors and Subscribers to elect a Trustee in his place.

By death also during the year the Institution lost its Resident Medical Officer, Dr. Colquhoun, whose connection therewith dated from the first establishment of the Hospital in 1859, and which continued (with but one short interval) up to the time of his decease. The skilful, successful, and attentive services of Dr. Colquhoun for this long period will make him gratefully remembered by many of those who were cared for by him under the auspices of your charity.

The Board have appointed Dr. David Skinner as Resident Surgeon, and from his high professional qualifications, his experience in hospital work, and the other recommendations which were submitted to them, they have every reason to believe that the interest of the Institution in his hands will be well cared for, and its professional reputation maintained. The rule which you adopted last year, permitting the Resident Surgeon private practice within the borough, has not been found to interfere with the duties of that officer at the Hospital, while it has enabled the Institution to secure his professional services at a more moderate cost.

During the illness of Dr. Colquhoun and up to the time of Dr. Skinner's taking charge, your Honorary Surgeons, Dr. Syme and Dr. A. Bennett, in turns took professional charge of the Hospital, and for this, and their continuous professional assistance throughout the year, the Board record their warmest thanks.

The Board has also thankfully to acknowledge the kindly interest in the Hospital felt by the various ministers of religion throughout the town, and the result of their appeal to their congregations towards the Hospital Sunday collections. They are also indebted to the Hon. John Woods, M.P., for his interest in the Institution, and for his special efforts in connection with the Hospital Sunday labors.

They have also to acknowledge, with thanks, the kindness of various newspaper proprietors and agents in furnishing the Hospital gratuitously with newspapers.

The various appendices attached hereto, give in detail particulars respecting the income and expenditure of the Institution, and the extent of its operations during the year.

Mr. Richard H. Hart has been added to the list of Life Governors, as a recognition of his exertions in connection with the Cantata Concert, through which the handsome sum of £51 3s. 6d. was contributed to the Hospital funds.

The changes foreshadowed in our last Report, as to the probable altered relations of charitable institutions with the central Government in the matter of grants, have not yet been formulated, but the appointment of a Government Inspector, and his personal visits, inquiries, and reports, indicate an intention on the part of the Government to have a personal interest and direct oversight in the management of these institutions, and by advice and otherwise to ensure their most methodical, effective, and economic management.

The Inspector's report on the Pleasant Creek Hospital has been published, and your Board regard it on the whole as very satisfactory.

The Store Books and Forms of Accounts which he recommended, for the purpose of securing a uniformity in all Hospitals, have been adopted. One or two suggestions which he has made will come under the consideration of your Board at an early date.

It now devolves upon you to elect a new Committee and Auditors in place of those whose year of office has expired.

VALENTINE ARCHER,

PRESIDENT.

## Rules of the Pleasant Creek Hospital.

---

1. The Hospital will afford, gratuitously, surgical and medical aid to any poor person requiring it, irrespective of creed, country, or color; but any person who shall be admitted, under any circumstances, and shall be found able to pay, shall be required to do so. Paying patients may be received, under certain conditions, according to the Bye-laws.

2. The Hospital shall be managed by the Patrons, President, two Vice-Presidents, five Trustees, an Honorary Treasurer, the Honorary Surgeons, and a Committee of Management not exceeding twenty-four, twelve of whom shall be residents of outlying districts. The above-named officers, with the exception of the Treasurer and Trustees, shall be elected annually, at the Annual General Meeting, in the month of January in each year, by duly qualified Subscribers. The Committee to be elected shall be nominated at or before such meeting, but nominations cannot be received (except for members of the outlying districts) without the consent of the person nominated.

3. Should a vacancy occur in any of the above-named offices, it shall be filled at the then or next ensuing General Meeting of Subscribers; but in all cases, except those of Treasurer or Trustees, the Board is empowered to temporarily fill the vacancy.

4. The duly qualified electors shall, at each Annual General Meeting, appoint two Auditors not members of the Board, to examine the accounts; but in case either of such Auditors neglect or refuse to perform his duty, the Board is empowered to temporarily appoint another Auditor or Auditors. And also it shall be competent for the President, or, in his absence, a Vice-President, at the request of not less than ten duly-qualified Subscribers, to convene by advertisement a meeting of Subscribers at any time, for the purpose of electing Auditors, if any emergency arise to warrant the same.

5. The Board of Management shall include all officers named in the second rule; it shall direct the collection and distribution of funds; appoint and dismiss all paid officers and servants; frame regulations for the management of the Hospital; present a report to the Annual General Meeting; and conduct the affairs of the Hospital generally; and may, from among themselves, from time to time, appoint committees for any purpose which, in their opinion, would be better regulated and managed by means of such committees; and it may fix the quorum of such committees, and may continue, alter, or discontinue such committees.

6. The Board shall meet for general business, once at least in each month, and for special business whenever requisite; such meetings to be convened by the Secretary at any time or place that may be ordered by the Board, the President, a Vice-President, or upon the requisition of not less than three members of the Board. At any meeting, seven members shall form a quorum, and in the absence of the President or Vice-Presidents, one of the members present shall be elected to act as chairman.

7. That every contributor of £25, in one sum, shall be a Life Governor; also, any person nominated by any Society that has added a sum of not less than £25, or the Executors to a Will, by which a sum of not less than £100 has been added to the funds of the Hospital, shall be Life Governors; and the Board of Management shall have power to add to the List of Life Governors such persons as it may deem expedient for eminent services rendered.

8. Every Life Governor shall have the privilege of voting at all meetings of Subscribers, and of recommending five in-door and five out-door patients in each year. And every contributor of £1 and upwards shall be entitled to vote at such meetings, and of recommending one in-door and one out-

door patient for each pound subscribed during the year. Members of the Board are not to be limited in the number of patients they may recommend, but no person shall be qualified to vote at a meeting of Subscribers, unless he shall have been a Subscriber of at least £1 for the space of six months previous to such meeting, provided always that where a Subscriber shall have paid his subscription for the year immediately preceding the year in which any such meeting shall take place, the payment of his subscription for the then current year at any time before such meeting, shall entitle such Subscriber to vote. Life Governors and Life Subscribers only entitled to vote by proxy.

9. That accidents, and such cases as may be deemed of decided emergency by the Medical Officer in attendance, be received at any time; and that in ordinary cases patients shall be admitted daily (Sunday excepted), at such hours as may be from time to time appointed by the Board on the recommendation of a Subscriber of at least £1 sterling for the then current year, and on the authority of the Admission Committee, who shall certify that such patient is not capable of providing for medical attendance; but patients shall be admitted at any time on a special order, signed by the House Committee and one of the Honorary Surgeons.

10. That no female for the purpose of confinement, child under five years of age insane person or one affected with an infectious disease (with the exception of cases of accident or emergency as per Rule 9), shall be admitted except by the express permission of the House Committee or Board of Management.

11. The House Committee shall at least once a week visit the Hospital for the purpose of inspecting the arrangements thereof, and of inquiring of the patients if they are properly attended to, and shall report in writing to the next meeting of the Board any alterations or suggestions they may think necessary; such Committee to be selected by agreement amongst the members during the sitting of the Board.

12. If any member of the Board shall neglect his duty for the space of two months (the Trustees excepted), he shall suffer disqualification (unless upon well-founded excuse), and another shall be appointed in his stead if the Board think fit. And any contractor to the Hospital, being a member of the Board, shall absent himself from its sittings while any subject relating to his contract is under consideration.

13. The Board shall have power from time to time to make, rescind, alter, or amend any bye-laws for the due management of the affairs of the Hospital; but no such bye-laws shall be made, rescinded, altered, or amended, unless upon seven days' notice thereof being given to each member, and only upon being carried by a majority of two-thirds of a meeting consisting of not less than fifteen members of the Board.

14. That no alteration or rescinding of Rules shall be made except by duly-qualified contributors, in public meeting assembled, of which the Secretary shall have given at least seven days' notice by public advertisement, stating the business for which such meeting shall be convened.

#### HONORARY TREASURER.

15. The Honorary Treasurer shall receive all money on behalf of the Hospital, and invest the same in such Bank or Banks as the Board shall direct to the credit of the Hospital. He shall pay all accounts after the same have been signed by the Chairman of the meeting as having been approved of by the Board, by drafts on the Bank or Banks, which shall be countersigned by the President or one of the Vice-Presidents, and by the Secretary. He shall also keep an account of all money received and paid by him, and report the same at least once a month to a meeting of the Board.

#### HONORARY SURGEONS.

16. The Honorary Medical Officers shall consist of legally qualified Medical Practitioners, who shall be elected for one year. They shall have

access to the Hospital at all times; they shall assist the Resident Surgeon in the performance of all capital surgical operations—but no such operations shall be performed without previous consultations of the medical staff—and they shall regularly consult in all cases of importance or protracted continuance in the Hospital.

#### RESIDENT SURGEON.

17. The Resident Surgeon shall be a duly qualified medical practitioner, who shall reside on the premises, and shall not be absent therefrom for any lengthened period without the permission of the Board. He shall be allowed private practice within the limits of the Borough of Stawell, provided such private practice does not interfere with his duties as Resident Surgeon.

#### SECRETARY.

18. The Secretary shall convene the Annual General Meeting in the month of January, in each year, at such time and place as may be fixed by the Board, by advertisement in the local papers at least seven days previous to the meeting.

19. He shall convene Special Meetings of duly qualified Subscribers in the same manner, when directed by the Board, or on the written application of ten duly qualified Subscribers of at least £1 each, the object of such meeting to be stated in the advertisement; and shall give special notice to each member of the Board of such meetings.
