FOR THE YEAR 1878.

---

---

*To the Governors, Subscribers, and Contributors  
of the Pleasant Creek Hospital.*

At the close of our year of office, we are glad to be able to state that the machinery of this valuable and beneficent charity has continued working with unbroken regularity and smoothness. The sick have been restored to health, the suffering have been cured or relieved, while many of the more aged and infirm that sought its kindly shelter have found in it a real asylum. It is a matter of deep gratitude to the Committee that so much has been done for the alleviation of human suffering, and that there are many now healthy and happy in their homes, and among their families, owing to the skilful and kindly treatment received in your Institution.

During the year, there were in all 365 in-door patients, making a daily average of 401.13; and 596 out-patients, who received 3087 attendances. These figures are somewhat lower than last year, making only a difference of 4, taking in-door and out-door patients together; and show the exercise of praiseworthy watchfulness that the ends for which the Hospital exists were not abused.

The Wards have been thoroughly cleaned and coloured, and the passages papered and varnished, a work that, while entailing considerable outlay, gives a look of cleanliness and comfort to the inside of the Institution; while the removal of the unsightly and inconvenient steps, and the formation of the raised terrace, and the

handsome balustrade outside, have done much to improve the appearance of the building. In addition to all this, a scheme is now in hand to have water laid on to the Hospital and garden.

The Subscriptions for the year have amounted to £835 11s. 6d, a few pounds in excess of 1877; while the Government Grant was £1500, or £100 short of last year. The amount received from last Hospital Sunday was £87 16s., a seeming falling off of £10 from the previous year, but really £1 more, seeing the whole amount came to your Hospital. The Committee thankfully acknowledge a donation of £30 from the M.U.I.O.O.F., and, at the request of that order, placed the name of their Secretary, Mr. Stephen Williamson, on the list of Life Governors; a legacy of £37 10s., left by the late Mr. Thomas Hewitt, for which the Committee would sincerely thank the executors, Messrs. Reading and Punchard; three contributions from Messrs. D. Leslie and Co., Railway Contractors, of £25 each; Stawell Shire, £10; Dunmunkle Shire, £15; Avoca Shire, £5 5s.; Stawell Athletic Club, £9 1s. 1d.; Barkly Common, £5; Landsborough Common, £4; Pleasant Creek Common, £10; Great Western Common, £3; Glenorchy Minstrels, £4. Welcome donations of fruit and other refreshments have been made to the patients during the year, while the proprietors of newspapers have kindly continued their regular and gratuitous supply. To all these our thanks are respectfully tendered.

We have to record, with regret, the death of Mr. Robert Jenkins, a member of Committee for the district of Glenorchy, an old and tried friend of the Hospital. We nominated his son, Mr. Joseph Jenkins, to the office, but, as he was leaving the district, he was unable to act.

The number of deaths in the Hospital, for the year, amounted to thirty-two, twenty-eight males and four females, making the death rate 8 4.5 per cent of the patients.

In concluding our report, we would earnestly commend to the charitable of every creed the claims of this truly benevolent Institution, and solicit their best efforts to enable our successors in office to maintain it in a condition of thorough efficiency.

THOMAS KINSELLA, PRESIDENT.

# RULES

OF THE

## Pleasant Creek Hospital,

For 1879.

---

1. The Hospital will afford, gratuitously, surgical and medical aid to any poor person requiring it, irrespective of creed, country, or color; but any person who shall be admitted, under any circumstances, and shall be found able to pay, shall be required to do so. Paying patients may be received under certain conditions, according to the Bye-laws.

2. The Hospital shall be managed by the Patrons, President, two Vice-Presidents, five Trustees, an Honorary Treasurer, the Honorary Surgeons, and a Committee of Management not exceeding twenty-four, twelve of whom shall be residents of outlying districts. The above-named officers, with the exception of the Treasurer and Trustees, shall be elected annually, at the Annual General Meeting, in the month of January in each year, by duly qualified Subscribers.

3. Should a vacancy occur in any of the above-named offices, it shall be filled at the then or next ensuing General Meeting of Subscribers; but in all cases, except those of Treasurer or Trustees, the Board is empowered to temporarily fill the vacancy.

4. The duly-qualified electors shall, at each Annual General Meeting, appoint two Auditors, not members of the Board, to examine the Accounts; but in case either of such Auditors neglect or refuse to perform his duty, the Board is empowered to temporarily appoint another Auditor or Auditors. And also it shall be competent for the President, or, in his absence, a Vice-President, at the request of not less than ten duly-qualified Subscribers, to convene by advertisement a meeting of Subscribers at any time, for the purpose of electing Auditors, if any emergency arise to warrant the same.

5. The Board of Management shall include all officers named in the second rule; it shall direct the collection and distribution of funds; appoint and dismiss all paid officers and servants; frame regulations for the management of the Hospital; present a report to the Annual General Meeting; and conduct the affairs of the Hospital generally; and may, from among themselves, from time to time, appoint Committees for any purpose which, in their opinion, would be better regulated and managed by means of such Committees; and may fix the quorum of such Committees, and may continue, alter, or discontinue such Committees.

6. The Board shall meet for general business once, at least, in each month, and for special business whenever requisite; such meetings to be convened by the Secretary at any time or place that may be ordered by the Board, the President, a Vice-President, or upon the requisition of not less than three members of the Board. At any meeting, seven members shall form a quorum, and, in the absence of the President or Vice-Presidents, one of the members present shall be elected to act as Chairman.

7. That every Contributor of £25 in one sum shall be a Life-Governor, with the privilege of voting at all meetings of Subscribers, and of nominat-

ing five in-door and five out-door patients in each year. And every Contributor of £1 and upwards, to £5, shall be entitled to nominate one in-door and one out-door patient for each pound subscribed during the year of such contribution, provided that the funds and accommodation of the Hospital will admit of the reception and treatment of such patients. The Board shall also have power to add to the list of Life-Governors such persons as by their eminent services may have added within one year the sum of £25 to the funds of the Hospital; and members of the Board are not to be limited in the number of patients they may recommend. Life-Governors alone shall be entitled to vote by proxy.

8. That no person shall hereafter be qualified to vote at a meeting of Subscribers, unless he shall have been a Subscriber of at least £1 sterling to this Hospital for the space of six months previous to such meeting, provided always that where a Subscriber shall have paid his subscription for the year immediately preceding the year in which any Public Meeting shall take place, the payment of his subscription for the then current year at any time before such meeting shall entitle such Subscriber to vote.

9. That accidents, and such cases as may be deemed of decided emergency by the Medical Officer in attendance, be received at any time; and that in ordinary cases patients shall be admitted daily (Sunday excepted), at such hours as may be from time to time appointed by the Board, on the recommendation of a Subscriber of at least £1 sterling for the then current year, countersigned by a member of the Board, who shall certify that such patient is not capable of providing for medical attendance; but patients shall be admitted at any time on a special order, signed by the House Committee and one of the Honorary Surgeons.

10. That no female for the purpose of confinement, child under five years of age, insane person, or one affected with an infectious disease (with the exception of cases of accident or emergency as per rule 9), shall be admitted except by the express permission of the House Committee or Board of Management.

11. The House Committee shall at least once a week visit the Hospital, for the purpose of inspecting the arrangements thereof, and of inquiring of the patients if they are properly attended to, and shall report in writing to the next meeting of the Board any alterations or suggestions they may think necessary; such Committee to be selected by agreement amongst the members during the sitting of the Board.

12. If any member of the Board shall neglect his duty for the space of two months (the Trustees excepted), he shall suffer disqualification (unless upon well-founded excuse), and another shall be appointed in his stead if the Board think fit. And any Contractor to the Hospital, being a member of the Board, shall absent himself from its sittings while any subject relating to his contract is under consideration.

13. The Board shall have power, from time to time, to make, rescind, alter, or amend any bye-laws for the due management of the affairs of the Hospital; but no such bye-law shall be made, rescinded, altered, or amended, unless upon seven days' notice thereof being given to each member, and only upon being carried by a majority of two-thirds of a meeting consisting of not less than fifteen members of the Board.

14. That no alteration or rescinding of Rules shall be made except by duly-qualified Contributors, in public meeting assembled, of which the Secretary shall have given at least seven days' notice by public advertisement, stating the business for which such meeting shall be convened.

#### HONORARY TREASURER.

15 The Honorary Treasurer shall receive all money on behalf of the Hospital, and invest the same in such bank or banks as the Board shall direct to the credit of the Hospital. He shall pay all accounts after the same have been signed by the Chairman of the meeting as having been

approved of by the Board, by drafts on the bank or banks, which shall be countersigned by the President or one of the Vice-Presidents, and by the Secretary. He shall also keep an account of all money received and paid by him, and report the same at least once a month to a meeting of the Board.

#### HONORARY SURGEONS.

16. The Honorary Medical Officers shall consist of legally-qualified Medical Practitioners, who shall be elected for one year. They shall have access to the Hospital at all times; they shall assist the Resident Surgeon in the performance of all capital surgical operations—but no such operations shall be performed without previous consultations of the Medical Staff—and they shall regularly consult in all cases of importance or protracted continuance in the Hospital.

#### RESIDENT SURGEON.

17. The Resident Surgeon shall be a duly qualified medical practitioner, who shall reside on the premises, and shall not be absent therefrom for any lengthened period without the permission of the Board. He shall not engage in private practice under any circumstances, except in cases of consultation at the request of other Surgeons, provided such consultations will not interfere with his duties as Resident Surgeon.

#### SECRETARY.

18. The Secretary shall convene the Annual General Meeting in the month of January, in each year, at such time and place as may be fixed by Board, by advertisement in the local papers, at least seven days previous to the meeting.

19. He shall convene Special Meetings of duly-qualified Subscribers in the same manner, when directed by the Board, or on the written application of ten duly-qualified Subscribers of at least £1 each, the object of such meeting to be stated in the advertisement; and shall give special notice to each member of the Board of such meetings.

2. He shall have charge of patients in the Hospital, and of their treatment; but in all cases of difficulty or danger, or long continuance in the Hospital, he is requested to consult the Honorary Surgeons.

3. He shall superintend and control all servants of the Hospital, and in case of neglect of duty, or insubordination, may suspend any of them, and report thereon to the House Committee.

And he must, in the absence of a Dispenser, perform such duties as would devolve upon that officer.

6. He shall enter regularly, in books kept for the purpose, the names of patients as they are admitted or discharged, together with the nature and history of their disease while under treatment. He shall receive all money and other property belonging to patients, and account for the same to the Board when required.

#### NURSES.

11. The Nurses shall live in the Hospital, and shall not leave it for any length of time without the permission of the Resident Surgeon; they shall obey the orders of the said officer, be regular in their attendance, behave with tenderness to all patients, and with civility and respect to strangers.

12. They shall pay great attention to cleanliness, personally, in their respective wards, and in all things entrusted to their charge, particularly to the bedding of the patients, and have it changed as often as it may be necessary, taking care that it is thoroughly dried and aired.

13. They shall administer to the patients the medicines and diet at the time and in the manner directed by the Resident Surgeon, and not permit them to take any which have not been prescribed; they shall be careful to explain to the patients the instructions of the said officer, and watch attentively the state and symptoms of the patients, and report the same to the Resident Surgeon.

14. They shall not permit patients to receive from visitors medicines, victuals, tobacco, or liquor of any kind, nor allow any portion of the medicines or diet, nor anything to be removed from the wards by the patients or visitors, without an order from the Resident Surgeon.

15. They shall be careful to collect and carry all empty phials, gallipots, bandages, &c., to the dispensary, at which they shall attend at the time appointed to receive medicines and instructions.

16. They shall not admit any stranger without permission from the Resident Surgeon, except during the hours appointed for that purpose.

17. They shall be obedient to the regulations of the Hospital, and report immediately to the Resident Surgeon any impropriety of conduct, or infringement of the rules by any patient, visitor, or other person; and if such complaint is not properly attended to, report the same to the Board at its next meeting.

#### PATIENTS.

18. The Patients shall conduct themselves in an orderly manner, strictly observe all the directions of the Resident Surgeon and Nurses, take their medicines and diet at the time directed, and not take any other than those prescribed; neither shall they conceal or put away any portion thereof.

19. They shall not leave their ward and go into another ward, leave the house, or remain out for a longer time than may be granted, or introduce visitors, or receive medicines, victuals, liquors, tobacco, or anything, without the express leave of the Resident Surgeon.

20. They shall not gamble, spit on the floor, deface or injure any part of the ward, furniture, bedding, or clothing; nor sing, blaspheme, or use rude or indecent language; neither shall they smoke without permission from the Resident Surgeon.

21. Any Patient having cause of complaint shall make the same known to the Resident Surgeon, whose duty it shall be to remedy the same; if not remedied the same complaint may be made to the Official Visitors, or to the Board at its next meeting; but if complaints are not made before a patient leaves the Hospital, or within two days after leaving, they cannot be entertained.

22. Patients deemed able by the Resident Surgeon to assist in the work of the Hospital shall, at his request, so employ themselves.
