THE NINETEENTH ANNUAL REPORT
OF THE
Committee of Management
OF THE
PLEASANT CREEK HOSPITAL.

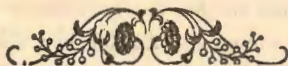

FOR THE YEAR 1877.

*To the Governors, Subscribers, and Contributors
of the Pleasant Creek Hospital.*

In resigning our trust, we have much pleasure in stating that the general management of the institution has given satisfaction, and the funds of the institution have been dispensed with economy. At the same time no reasonable expense has been spared in the cure and comfort of the patients. The statistics of the Hospital show that there were 397 in-patients; making a daily average of $46\frac{1}{2}$; and 568 out-patients attended to, who received 3626 attendances. We regret to state that the receipts have fallen off from the amounts received in former years, viz, the mining districts £40 8s., and the pastoral and agricultural districts £68 3s. 7d. In directing your attention to this matter, we must not forget that the Hospital is likely, before very long, to be entirely dependent upon local contributions, and the subscribers should, therefore, show a liberal spirit in supporting so excellent an institution. The Government grant for the year is £1600; the overdraft at the yearly balance was £447 7s. 5d.; the general receipts amount to £2533 17s. 6d., and the expenditure to £2981 4s. 11d. The amount received from Hospital Sunday collections was £97 8s. 8d., of which one-third (£11 17s 10d.) of the collection at Hospital was handed over to the Ladies' Benevolent Society, as previously arranged. We have to acknowledge the liberal bequest of £1000 from the late Isaac Newton, one of the old pioneers of the district, and one who

always had a warm regard for the welfare of the institution. In connection with this bequest we have appointed his executors, Messrs. John Naylor and Joseph Shilton, life governors of the Hospital. After paying legacy duty the net amount received, £950, has been placed as a trust fund in the Oriental Bank, until the same is specially appropriated. We have to acknowledge with thanks the following special sums :—Borough of Stawell, fifty guineas ; Shire of Stawell, £10 ; the trustees of Eureka Lodge, £10 ; Pleasant Creek Gold Fields Common, £10 ; Landsborough Gold Fields Common, £4 ; Barkly Gold Field Common, £5 ; Crown Cross United Company, £10 10s. Many kindly and thoughtful contributions of books, fruit, wine, beer, and tobacco were received, and the supply of newspapers has been a great boon to the patients, and special thanks are due to the various donors. We have to record the death of Dr. O'Donnell, one of the honorary surgeons of the Hospital for the past fifteen years ; his willing services were at all times at the disposal of the institution, and the warm interest he took in its general well-being deserves the kindly remembrance of the community at large. We granted Dr. Colquhoun leave of absence on account of ill health, and during his absence we were fortunate enough to secure the valuable services of Dr. Barnett, and his knowledge of Hospital duties and mode of management gave the Committee every satisfaction.

JAMES MATHERS, PRESIDENT.

RULES

OF THE

PLEASANT CREEK HOSPITAL,

For 1878.

1. The Hospital will afford, gratuitously, surgical and medical aid to any poor person requiring it, irrespective of creed, country, or color; but any person who shall be admitted, under any circumstances, and shall be found able to pay, shall be required to do so. Paying patients may be received, under certain conditions, according to the Bye-laws.

2. The Hospital shall be managed by the Patrons, President, two Vice-Presidents, five Trustees, an Honorary Treasurer, the Honorary Surgeons, and a Committee of Management not exceeding twenty-four, twelve of whom shall be residents of outlying districts. The above-named officers, with the exception of the Treasurer and Trustees, shall be elected annually, at the Annual General Meeting, in the month of January in each year, by duly qualified Subscribers.

3. Should a vacancy occur in any of the above-named offices, it shall be filled at the then or next ensuing General Meeting of Subscribers; but in all cases, except those of Treasurer or Trustees, the Board is empowered to temporarily fill the vacancy.

4. The duly-qualified electors shall, at each Annual General meeting, appoint two Auditors not members of the Board, to examine the accounts; but in case either of such Auditors neglect or refuse to perform his duty, the Board is empowered to temporarily appoint another Auditor or Auditors. And also it shall be competent for the President, or, in his absence, a Vice-President, at the request of not less than ten duly-qualified Subscribers, to convene by advertisement a meeting of Subscribers at any time, for the purpose of electing Auditors, if any emergency arise to warrant the same.

5. The Board of Management shall include all officers named in the second rule; it shall direct the collection and distribution of funds; appoint and dismiss all paid officers and servants; frame regulations for the management of the Hospital; present a report to the Annual General Meeting; and conduct the affairs of the Hospital generally; and may, from among themselves, from time to time, appoint committees for any purpose which, in their opinion, would be better regulated and managed by means of such committees; and it may fix the quorum of such committees, and may continue, alter, or discontinue such committees.

6. The Board shall meet for general business once, at least, in each month, and for special business whenever requisite; such meetings to be convened by the Secretary at any time or place that may be ordered by the Board, the President, a Vice-President, or upon the requisition of not less than three members of the Board. At any meeting, seven members shall form a quorum, and, in the absence of the President or Vice-Presidents, one of the members present shall be elected to act as chairman.

7. That every Contributor of £25 in one sum shall be a Life-Governor, with the privilege of voting at all meetings of Subscribers, and of nominating five in-door and five out-door patients in each year. And every Contributor of £1 and upwards, to £5, shall be entitled to nominate one in-door and one out-door patient for each pound subscribed during the year of such contribution, provided that the funds and accommodation of the Hospital will admit of the reception and treatment of such patients. The Board shall also have power to

add to the list of Life-Governors such persons as by their eminent services may have added within one year the sum of £25 to the funds of the Hospital; and members of the Board are not to be limited in the number of patients they may recommend. Life-Governors alone shall be entitled to vote by proxy.

8. That no person shall hereafter be qualified to vote at a meeting of Subscribers, unless he shall have been a Subscriber of at least £1 sterling to this Hospital for the space of six months previous to such meeting, provided always that where a Subscriber shall have paid his subscription for the year immediately preceding the year in which any public meeting shall take place, the payment of his subscription for the then current year at any time before such meeting shall entitle such Subscriber to vote.

9. That accidents, and such cases as may be deemed of decided emergency by the Medical Officer in attendance, be received at any time; and that in ordinary cases patients shall be admitted daily (Sunday excepted), at such hours as may be from time to time appointed by the Board, on the recommendation of a Subscriber of at least £1 sterling for the then current year, countersigned by a member of the Board, who shall certify that such patient is not capable of providing for medical attendance; but patients shall be admitted at any time on a special order, signed by the House Committee and one of the Honorary Surgeons.

10. That no female for the purpose of confinement, child under five years of age, insane person, or one affected with an infectious disease (with the exception of cases of accident or emergency as per rule 9), shall be admitted except by the express permission of the House Committee or Board of Management.

11. The House Committee shall at least once a week visit the Hospital, for the purpose of inspecting the arrangements thereof, and of inquiring of the patients if they are properly attended to, and shall report in writing to the next meeting of the Board any alterations or suggestions they may think necessary; such committee to be selected by agreement amongst the members during the sitting of the Board.

12. If any member of the Board shall neglect his duty for the space of two months (the Trustees excepted), he shall suffer disqualification (unless upon well-founded excuse), and another shall be appointed in his stead if the Board think fit. And any contractor to the Hospital, being a member of the Board, shall absent himself from its sittings while any subject relating to his contract is under consideration.

13. The Board shall have power, from time to time, to make, rescind, alter, or amend any bye-laws for the due management of the affairs of the Hospital; but no such bye-law shall be made, rescinded, altered, or amended, unless upon seven days' notice thereof being given to each member, and only upon being carried by a majority of two-thirds of a meeting consisting of not less than fifteen members of the Board.

14. That no alteration or rescinding of Rules shall be made except by duly-qualified contributors, in public meeting assembled, of which the Secretary shall have given at least seven days' notice by public advertisement, stating the business for which such meeting shall be convened.

HONORARY TREASURER.

15. The Honorary Treasurer shall receive all money on behalf of the Hospital and invest the same in such bank or banks as the Board shall direct to the credit of the Hospital. He shall pay all accounts after the same have been signed by the Chairman of the meeting as having been approved of by the Board, by drafts on the bank or banks, which shall be countersigned by the President or one of the Vice-Presidents, and by the Secretary. He shall also keep an account of all money received and paid by him, and report the same at least once a month to a meeting of the Board.

HONORARY SURGEONS.

16. The Honorary Medical Officers shall consist of legally-qualified Medical Practitioners, who shall be elected for one year. They shall have access to the Hospital at all times; they shall assist the Resident Surgeon in the performance

of all capital surgical operations—but no such operations shall be performed without previous consultations of the medical staff—and they shall regularly consult in all cases of importance or protracted continuance in the Hospital.

RESIDENT SURGEON.

17. The Resident Surgeon shall be a duly-qualified medical practitioner, who shall reside on the premises, and shall not be absent therefrom for any lengthened period without the permission of the Board. He shall not engage in private practice under any circumstances, except in cases of consultation at the request of other surgeons, provided such consultations will not interfere with his duties as Resident Surgeon.

SECRETARY.

18. The Secretary shall convene the Annual General Meeting in the month of January, in each year, at such time and place as may be fixed by the Board, by advertisement in the local papers, at least seven days previous to the meeting.

19. He shall convene Special Meetings of duly-qualified Subscribers in the same manner, when directed by the Board, or on the written application of ten duly-qualified Subscribers of at least £1 each, the object of such meeting to be stated in the advertisement; and shall give special notice to each member of the Board of such meetings.
