THE FIFTEENTH ANNUAL REPORT

OF THE

COMMITTEE OF MANAGEMENT

OF THE

PLEASANT CREEK HOSPITAL.

For the Year 1873.

To the Governors, Subscribers, and Contributors of the Pleasant Creek Hospital.

In submitting our Annual Report for the year 1873, we have the honour to bring under your notice the following facts in connection with the Pleasant Creek Hospital, showing its financial position and the working of the institution during the last twelve months. The total receipts from all sources amount to £3134 13s. 8d., being £666 4s. 4d. less than the revenue for the year 1872. This deficiency is particularly noticeable in the mining returns, the figures being £,454 5s. 6d. for 1873, as against £568 3s. 5d. in 1872, a result certainly not expected in the face of the great increase of population and prosperity amongst the general mining community. The falling off in the pastoral districts from £529 16s. to £,364 18s. 10d. is easily accounted for by the steps already taken to establish new hospitals at St. Arnaud and Horsham. Fortunately the increase of the Government grant by £,600 makes our financial position good, leaving a balance in hand of £343 15s. This amount, with the available assets, will, we trust, meet the necessary outlay for the contracts already in progress; but if a more liberal spirit is not evinced in the quarter above referred to, it will be impossible to carry out the contemplated enlargements and improvements which the increased population urgently demands. Before dropping this matter, we feel it incumbent upon us to point out that the working community, who are the principal recipients of the benefits derived from the institution, seem slow to recognise its claim upon them for support, the onus being thrown upon the shoulders of the few who have always given with a free and generous hand. Our warmest acknowledgments, and those of the whole community, are due to Messrs. McBain, Woods, and Walker, the Parliamentary representatives of the district, for their energy, to which we are indebted for the increase in the Government grant so much needed. We have also to thank the Revs. J. Hogan and Kearns, and the Catholic congregation for a donation of £,21. Special thanks are due to the

honorary surgeons, Drs. Bennett, O'Donnell, Sharp, and Colquhoun. whose services have been ever available at the call of the institution. We have also to thank the proprietors of the Pleasant Creek Chronicle. the Pleasant Creek News, the Ararat Advertiser, the Landsborough Times, and Mr. James Clark, for papers and books kindly supplied to the patients. Thanks are also due to Henry Nicoll. Esq., of Warranooke, for his repeated liberal donations of £25. and to Messrs. Wm. Osmand, Joseph Shilton, the Victoria, London Chartered, and Union Banks, for their donations of £, 10 each. A considerable change has taken place in the managing staff of the institution, the most important of which was the resignation of Dr. Colquhoun, who so ably and faithfully discharged the duties of resident surgeon at the hospital since its foundation. Under his fostering care and direction the institution rose and flourished, and to his well-known zeal and ability the hospital is indebted for the wide-spread reputation it enjoys, and the confidence reposed in it throughout the district. We feel ourselves extremely fortunate in having been able to fill the vacancy so left by the appointment of Dr. Greenaway, who bears so high and distinguished a reputation. Other vacancies have occurred, which we are pleased to record have been satisfactorily filled up. The resident surgeon's report shows that for the year 1873 403 patients were admitted, 34 of whom died, During the same period 2600 attendances were given to out-door patients. Some time since, in consequence of the various changes in the staff of the institution, we deemed it necessary to retain the services of the secretary near home, and we therefore appointed a collector, relieving the secretary of that portion of his duties. This change, we regret to say, has not worked well. To this in part we attribute the falling off of the receipts, and we therefore recommend an immediate return to the old system. The joint duties of secretary and collector have been thoroughly fulfilled for many years by one officer, and we are of opinion that the interests of the institution will be best served by these duties being combined as formerly, the remuneration given for the joint office being no more than sufficient to make it worth the while of one officer to devote his whole time and attention to the duties connected therewith, and to the welfare of the institution. In delivering up our trust to your hands, we have once more earnestly to urge the claims and necessities of the hospital to your consideration and charity.

A. BROWN, PRESIDENT.

Stawell, January 27th, 1874.

RULES

OF THE

PLEASANT CREEK HOSPITAL

FOR 1874,

r. The Hospital will afford, gratuitously, surgical and medical aid to any poor person requiring them, irrespective of creed, country, or colour; but any person who shall be admitted, under any circumstances, and shall be found able to pay, shall be required to do so. Paying patients may be received,

under certain conditions, according to the Bye-laws.

2. The Hospital shall be managed by the Patrons, President, two Vice-Presidents, five Trustees, an Honorary Treasurer, the Honorary Surgeons, and a Committee of Management not exceeding twenty-four; twelve of whom shall be residents of outlying districts. 3. Should a vacancy occur in any of the above-named offices, it shall be filled at the then or next ensuing General Meeting of Subscribers; but in all cases, except those of Treasurer or Trustees, the Board is empowered to tem-

porarily fill the vacancy.

4. The duly qualified electors shall, at the Annual General Meeting in January, in each year, appoint two Auditors—not membars of the Board—to examine the accounts, but, in case either of such Auditors neglect or refuse to perform his duty, a special meeting of duly qualified Subscribers shall be called immediately to elect a new Auditor, or Auditors, to supply such place; and, also, it shall be competent for the President, or in his absence a Vice-President, at the request of not less than ten duly qualified Subscribers, to convene, by advertisement, a public meeting, at any time, for the purpose of electing Anditors, if any emergency arise to warrant the Board of Management in having the accounts audited.

5. The Board of Management shall include all officers named in the second rule: it shall direct the collection and distribution of funds; appoint and dismiss all paid officers and servants; frame regulations for the management of the Hospital; present a report to the Annual General Meeting; and conduct the affairs of the Hospital generally; and may, from among themselves, from time to time, appoint committees for any purpose which, in their opinion, would be better regulated and managed by means of such committees; and it may fix the quorum of such committees, and may continue, alter, or discontinue

such committees.

The Board shall also have power to add to the list of Life-Governors such persons as by their eminent services may

have added within one year the sum of £25 to the funds of the Hospital; and members of the Board are not to be limited in the number of patients they may recommend. Life-Governors alone shall be entitled to vote by proxy.

8. That no person shall hereafter be qualified to vote at any meeting of Subscribers, unless he shall have been a Subscriber of at least £1 sterling to this Hospital for the space of six months previous to such meeting; provided always that where a Subscriber shall have paid his subscription for the year immediately preceding the year in which any public meeting shall take place, the payment of his subscription for the then current year at any time before such meeting shall

12. under consideration.
