THE FOURTEENTH ANNUAL REPORT

COMMITTEE OF MANAGEMENT

PLEASANT CREEK HOSPITAL

For the year 1872.

To the Governors, Subscribers, and Contributors of the Pleasant Creek Hospital:—

We submit, for general information, the Annual Report of the Board, showing the financial position of the charity, and other statistics and particulars bearing on its progress and usefulness. The amounts received in subscriptions during 1872, both from the pastoral and mining districts, show a slight decrease, as compared with those of the previous year. They are as follow:-Mining districts, 1872, £565 5s. 11d.; pastoral districts, 1872, £532 13s. 6d. The amounts collected during the year 1871 were—£599 10s. 9d. from the mining districts, and £551 7s. 6d. from the pastoral districts. We cannot look upon this falling-off-especially as regards the mining districts-except with feelings of regret and disappointment, and trust that a similar deficit may not be apparent next year, as it is a reflection on the well-to-do classes in our mining districts that an institution like the Pleasant Creek Hospital should receive anything less than a warm and liberal support. The expenditure for the year includes the sum of £850 175., the amount of overdraft due at the end of 1871, which has been liquidated; also a sum of £,290 12s. 3d. paid on account of new buildings. The balance in hand at the end of the year was £397 13s. 8d., and there is due from the Government on account of subsidy, to June 30th, 1873, the sum of £1150. A new morgue has been completed during our term of office. We have also contracted for new entrance gates, of a substantial character, and of a style suitable to the building and its surroundings. We have taken the initiatory steps necessary for building a new ward. It will be an extension of the wing of the main building nearest the Surgeon's residence. We have also prepared for the erection of a new outer staircase, leading to the upper wards in the second building. Both these additions are considered advisable by the Resident Surgeon on sanitary grounds, as is also a more effectual system or house drainage from the two-storey buildings lately erected. The sum available, together with what the Committee can claim for building purposes next year, will enable the carrying out of the contemplated improvements, without crippling the ordinary revenue of the institution. We desire to express our thanks to H. Nicoll, Esq., of Warranooke, as the most liberal donor to the Hospital funds for the year. Thanks are also due for the following special donations :- Friendly Societies' Fete Committee, 1871, £60; collected by Mr. Daley, Clerk of Petty Sessions, £20; Hon. W. Campbell, M.L.C., £, 20; Managers of Pleasant Creek Goldfields Common, £,15; Madame Cora de Lamond, £7 18s.; Mr. J. Smith's lecture at the Lyceum, £6 os. 9d.; Mr. Hayden's lecture, £2; Mr. W. H. Osmand, £10; Managers of the Victoria, London Chartered, and Union Banks, each £ 10; and Byrne and Co. (panoramic entertainment), £3 os. 6d. We also thank the proprietors of the News and Chronicle, and Mr. J. Clark, bookseller, for papers and books supplied to the patients, as well as Mrs. Goatham, for articles of furniture, and Mr. Allingham for books. A number of presents of fruit, &c., for the patients, have been received from other ladies and gentlemen. The Resident Surgeon's records show that during the year 1872 there were 387 in-door patients admitted, of which number 315 were discharged cured or relieved; 28 died, and 44 remained in the Hospital. The attendances on out-door patients amounted to 2474. It will be necessary for the Subscribers at the Annual Meeting to elect a Trustee in the place of the late David Scallan, Esq., and it is also with regret we record the death of your late Honorary Treasurer, Mr. Theodore Mantel, as both these gentlemen were identified with the institution since its foundation, having taken much trouble in its formation, and remained during their lives amongst its staunchest friends. We have had under consideration the question of having the Hospital incorporated, and although a sub-committee reported unfavourably on the proposal, we again bring the matter under your notice. We believe incorporation, as a probable means of inducing subscribers to take a more active interest in the management and success of the institution, would be beneficial. It might also, by giving a more defined proprietary right of control, induce subscribers to be more liberal in their subscriptions—an end greatly to be desired, as it is with the greatest difficulty, we grieve to say, that some of those with ample means, on the goldfields, can be persuaded to subscribe on a scale commensurate with their prosperous circumstances and status in society. We advise an alteration in rule 4 so as to provide for the election of Auditors for the ensuing year at each Annual Meeting of Subscribers in order that the accounts of the Institution may be presented each year duly certified when the Subscribers meet together, or at any time during the year when the Board may require the same to be done. In retiring from the Board of Management we feel it our duty to impress upon the residents of the district that the urgent demands upon the Pleasant Creek Hospital caused by the increase of population render more vigorous and general co-operation necessary on the part of the public. The charity, to be thoroughly useful and beneficial, must have public sympathy and cordial support, and if the high character it has obtained in the past has to be preserved, it will be necessary for all classes throughout its wide district to increase their diligence and enlarge their contributions on its behalf.

> JOHN H. FRANKLIN, President.

2. The Hospital shall be managed by the Patrons, President, two Vice-Presidents, five Trustees, an Honorary Treasurer, the Honorary Surgeons, and a Committee of Management not exceeding twenty-four; twelve of whom shall be residents of outlying districts. The above named officers, with the exception of the Trustees, shall be elected annually, at the Annual General Meeting, in the month of January in each year, by duly qualified Subscribers.

3. Should a vacancy occur in any of the above-named offices, it shall be filled at the then or next ensuing General Meeting of Subscribers; but in all cases, except those of Treasurer or Trustees, the Board is empowered to tem-

porarily fill the vacancy.

4. The duly qualified electors shall, at the Annual General Meeting in January, in each year, appoint two Auditors—not members of the Board—to examine the accounts, but, in case either of such Auditors neglect or refuse to perform his duty, a special meeting of duly qualified Subscribers shall be called immediately to elect a new Auditor, or Auditors, to supply such place; and, also, it shall be competent for the President, or in his absence a Vice-President, at the request of not less than ten duly qualified Subscribers, to convene, by advertisement, a public meeting, at any time, for the purpose of electing Auditors, if any emergency arise to warrant the Board of Management in having the accounts audited.

5. The Board of Management shall include all officers named in the second rule: it shall direct the collection and distribution of funds; appoint and dismiss all paid officers and servants; frame regulations for the management of the Hospital; present a report to the Annual General Meeting; and conduct the affairs of the Hospital generally; and may, from among themselves, from time to time, appoint committees for any purpose which, in their opinion, would be better regulated and managed by means of such committees; and it may fix the quorum of such committees, and may continue, alter, or discontinue

such committees.

6. The Board shall meet for general business once, at least, in each month, and for special business whenever requisite; such meetings to be convened by the Secretary at any time or place that may be ordered by the Board, the President, a Vice-President, or upon the requisition of not less than three members of the Board. At any meeting, seven members shall form a quorum, and, in the absence of the President, or Vice-Presidents, one of the members

present shall be elected to act as chairman.

7. That every Contributor of £25 in one sum shall be a Life-Governor, with the privilege of voting at all meetings of Subscribers, and of nominating five in-door and five out-door patients in each year, and every Contributor of £1 and upwards, to £5, shall be entitled to nominate one in-door and one out-door patient for each pound subscribed during the year of such contribution; provided that the funds and accommodation of the Hospital will admit of the reception and treatment of such patients. The Board shall also have power to add to the list of Life-Governors such persons as by their eminent services may

have added within one year the sum of £25 to the funds of the Hospital; and members of the Board are not to be limited in the number of patients they may recommend. Life-Governors alone shall be entitled to vote by proxy.

8. That no person shall hereafter be qualified to vote at any meeting of Subscribers, unless he shall have been a Subscriber of at least fr sterling to this Hospital for the space of six months previous to such meeting; provided always that where a Subscriber shall have paid his subscription for the year immediately preceding the year in which any public meeting shall take place, the payment of his subscription for the then current year at any time before such

meeting shall entitle such Subscriber to vote.

9. That accidents, and such cases as may be deemed of decided emergency by the Medical Officer in attendance, be received at any time; and that in ordinary cases patients shall be admitted daily (Sunday excepted), at such hours as may be from time to time appointed by the Board, on the recommendation of a Subscriber of at least (I sterling for the then current year, countersigned by a member of the Board, who shall certify that such patient is not capable of providing for medical attendance; but patients shall be admitted at any time on a special order, signed by the House Committee and one of the Honorary Surgeons.

10. That no female for the purpose of confinement, child under five years of age, insane person, or one affected with any infectious disease (with the exception of cases of accident or emergency as per Rule 9) shall be admitted except by the express permission of the House Committee or Board of Management,

11. The House Committee shall at least once a week visit the Hospital, for the purpose of inspecting the arrangements thereof, and of enquiring of the patients if they are properly attended to, and shall report in writing to the next meeting of the Board any alterations or suggestions they may think necessary; such committee to be selected by agreement amongst the members during the sitting of the Board.

12 If any member of the Board shall neglect his duty for the space of two months (the Trustees excepted), he shall suffer disqualification (unless upon well-founded excuse), and another shall be appointed in his stead if the Board think fit. And any contractor to the Hospital, being a member of the Board, shall absent himself from its sittings while any subject relating to his contract is

under consideration.

13. The Board shall have power, from time to time, to make, rescind, alter, or amend, any bye-laws for the due management of the affairs of the Hospital; but no such bye-laws shall be made, rescinded, altered, or amended, unless upon seven days' notice thereof being given to each member, and only upon being carried by a majority of two-thirds of a meeting consisting of not less than fifteen members of the Board.

14. That no alteration or rescinding of Rules shall be made except by duly qualified contributors, in public meeting assembled of which the Secretary shall have given at least seven days' notice by public advertisement, stating

the business for which such meeting shall be convened.

HONORARY TREASURER.

15. The Honorary Treasurer shall receive all money on behalf of the Hospital, and invest the same in such bank or banks as the Board shall direct, to the credit of the Hospital. He shall pay all accounts after the same have been signed by the Chairman of the meeting as having been approved by the Board, by drafts on the bank or banks, which shall be countersigned by the President or one of the Vice-Presidents, and by the Secretary. He shall also keep an account of all money received and paid by him, and report the same at least once a month to a meeting of the Board.

HONORARY SURGEONS.

16. The Honorary Medical Officers shall consist of legally qualified Medical Practitioners, who shall be elected for one year. They shall have access to the Hospital at all times; they shall assist the Resident Surgeon in the perform-

ance of all capital surgical operations—but no such operations shall be performed without previous consultations of the medical staff—and they shall regularly consult in all cases of importance or protracted continuance in the Hospital.

RESIDENT SURGEON.

17. The Resident Surgeon shall be a duly qualified medical practitioner, who shall reside on the premises, and shall not be absent therefrom for any lengthened period without the permission of the Board. He shall not engage in private practice under any circumstances, except in cases of consultation at the request of other surgeons; provided such consultations will not interfere with his duties as Resident Surgeon.

SECRETARY.

18. The Secretary shall convene the Annual General Meeting in the month of January, in each year, at such time and place as may be fixed by the Board, by advertisement in the local papers, at least seven days previous to the meeting.

19. He shall convene Special Meetings of duly qualified Subscribers in the same manner when directed by the Board, or on the written application of ten duly qualified Subscribers of at least £1 each; the object of such meeting to be stated in the advertisement, and shall give special notice to each member of

the Board of such meetings.

2. He shall have charge of patients in the Hospital, and of their treatment; but in all cases of difficulty or danger, or long continuance in the Hospital, he

is requested to consult the Honorary Surgeons.

3. He shall superintend and control all servants of the Hospital, and in case of neglect of duty, or insubordination, may suspend any of them, and report thereon to the House Committee.

4. He shall keep such accounts respecting the patients as the Board of Management may direct, in books to be kept for that purpose, and report to

the Board such cases as he may think necessary.

5. He shall have charge of all surgical instruments, drugs and chemicals; carefully examine them, both as to quality and quantity, and report any defects, in either respect, to the Board; make an inventory of the same in a book to be kept for that purpose; and keep an account of the receipts and expenditure, or loss and breakage of all such instruments, drugs, and chemicals. And he must, in the absence of a Dispenser, perform such duties as would devolve upon that officer.

6. He shall enter regularly, in books kept for the purpose, the names of patients as they are admitted or discharged, together with the nature and history of their diseases while under treatment. He shall receive all money and other property belonging to patients, and account for the same to the Board

when required.

7. He shall accompany the Honorary Surgeons through the wards, and report to them the state of the patients; visit each patient every morning and

evening, and inquire if the treatment prescribed has been attended to; and if any cause of complaint exist, immediately remove the same, or report it to the

Board at its next meeting.

8. He shall perform all surgical operations and post mortem examinations, keep the key of the dead-house, and give due notice to the Honorary Medical Officers when a consultation is to be held, or an operation to be performed; but in all cases of emergency shall act to the best of his judgment.

SECRETARY AND COLLECTOR.

9. The Secretary and Collector shall keep the minutes, accounts, and records of the Hospital, compile all reports, conduct the correspondence, attend all meetings, and bring all business before the same; carry out their resolutions,

and perform all clerical duties that may be ordered by the Board.

10. He shall collect subscriptions and all money due to the Hospital; in all cases give receipts for the same, and pay to the Treasurer, at least once in every month, all money he may have received, and render an account of the same to the Board.

NURSES.

II. The Nurses shall live in the Hospital, and shall not leave it for any length of time without the permission of the Resident Surgeon; they shall obey the orders of the said officer, be regular in their attendance, behave with tenderness to all patients, and with civility and respect to strangers.

12. They shall pay great attention to cleanliness, personally, in their respective wards, and in all things entrusted to their charge, particularly to the bedding of the patients, and have it changed as often as may be necessary,

taking care that it is thoroughly dried and aired.

13. They shall administer to the patients the medicines and diet at the time and in the manner directed by the Resident Surgeon, and not permit them to take any which have not been prescribed; they shall be careful to explain to the patients the instructions of the said officer, and watch attentively the state and symptoms of the patients, and report the same to the Resident Surgeon.

14. They shall not permit patients to receive from visitors medicines, victuals, tobacco, or liquor of any kind, nor allow any portion of the medicines or diet, nor anything to be removed from the wards by the patients or

visitors, without an order from the Resident Surgeon.

15. They shall be careful to collect and carry all empty phials, gallipots, bandages, &c., to the dispensary, at which they shall attend at the time appointed to receive medicines and instructions.

16. They shall not admit any stranger without permission from the Resident

Surgeon, except during the hours appointed for that purpose.

17. They shall be obedient to the regulations of the Hospital, and report immediately to the Resident Surgeon any impropriety of conduct or infringement of the rules by any patient, visitor, or other person; and if such complaint is not properly attended to, report the same at the Board at its next meeting.

PATIENTS.

18. The patients shall conduct themselves in an orderly manner, strictly observe all the directions of the Resident Surgeon and Nurses, take their medicines and diet at the time directed, and not take any other than those prescribed; neither shall they conceal or put away any portion thereof.

19. They shall not leave their ward and go into another ward, leave the house, or remain out for a longer time than may be granted, or introduce visitors, or receive medicines, victuals, liquors, tobacco, nor anything, without

the express leave of the Resident Surgeon.

20. They shall not gamble, spit on the floor, deface or injure any part of the ward, furniture, bedding, or clothing; nor sing, blaspheme, nor use rude or indecent language; neither shall they smoke without permission from the Resident Surgeon.

21. Any Patient having cause of complaint shall make the same known to the Resident Surgeon, whose duty it shall be to remedy the same; if not remedied, the same complaint may be made to the Official Visitors, or to the Board at its next meeting; but if complaints are not made before a patient leaves the Hospital, or within two days after leaving, they cannot be entertained.

22. Patients deemed able by the Resident Surgeon to assist in the work of the

Hospital shall, at his request, so employ themselves.

23. Patients shall not sit up after 8 p.m. in winter, or 9 o'clock in summer; and all patients considered by the Resident Surgeon able to do so shall rise at

7 a.m. in the summer and 8 o'clock in the winter.

24. Out door Patients shall attend at the Hospital between 9 and 12 o'clock a.m. on Mondays, Wednesdays, and Fridays, and must observe the rules relating to in-door Patients so far as may be practicable. In-door Patients, in ordinary cases, shall be admitted daily (Sundays excepted) between the hours of 10 and 12 a.m.

25. Paying Patients may be admitted, provided the wards are not all occupied

by ordinary Patients.

26. The admission Tickets of Paying Patients to be signed by two Members of Committee and one Member of the House Committee, and the charge for admission shall be fixed by the House Committee, subject to the approval of the Board of Management.

27. Paying Patients to receive the same treatment as ordinary Patients, and they must abide by the same rules, it being left to the Resident Surgeon to place

them in any ward, either separate or with ordinary Patients.

28. Patients and Visitors are requested not to give any fee, reward, or gratuity

to any officer, nurse, or other person connected with the Hospital.

29. Visitors are admitted daily between the hours of two and five o'clock in the afternoon, except persons from a distance, who may be admitted at any time by permission of the Resident Surgeon; but no visitor will be allowed to remain more than one hour, except ministers of religion, who may visit the patients at any time; but all visitors must retire when requested by the Nurses.

30. Visitors shall not give to or leave with any Patient medicine, victuals, tobacco, or liquor of any kind, nor any other thing, without the permission of the Resident Surgeon; nor interfere with the Nurses, nor disturb the Patients

by loud talking or unnecessary noise.

31. Any Visitor or Patient violating any of the Rules of the Hospital, or behaving with impropriety, will be compelled to retire or be dismissed, and will not be re-admitted at any time without special leave from the Resident Surgeon or the Board.
