THE TENTH ANNUAL REPORT  
OF THE  
COMMITTEE OF MANAGEMENT  
OF THE  
**Pleasant Creek Hospital,**  
FOR THE YEAR 1868.

*To the Governors, Subscribers, and Contributors  
of the Pleasant Creek Hospital:—*

The Committee of Management, in submitting their Annual Report, have the renewed satisfaction of congratulating you upon the continued usefulness and prosperity of your Hospital.

During the past year they were compelled, in consequence of the financial difficulties of the Government, to restrict, for three months, the operations of the Charity to cases of emergency only; notwithstanding this, the total number of patients was 360, showing an increase of 34 over that of the previous year, whilst the daily average was  $41\frac{2}{3}$ , being an increase of  $12\frac{1}{2}$  per cent.

The total attendances upon Out-Patients were much diminished from the above-named cause and numbered only 1,002.

The maintenance expenditure has been kept within the usual average.

Although the Grant actually received from the Government was less by £250, the increased voluntary contributions maintained the income to that of former years.

An examination of the Abstract of Accounts, appended hereto, will show the actual Expenditure for the past year to have been £2,396 10s. 6d. in addition to a debt from 1867 of £684 6s. 10d. due to the Oriental Bank. The Receipts were £2,639 1s. 6d., leaving a debt still due to the Oriental Bank of £441 15s. 10d. A balance of the Government Subsidy for 1868, amounting to £1,100, is still due, and when paid will leave a sum of £658 to the credit of the Institution.

The total amount of Subscriptions for 1869 is £1,258 16s. 9d., so that your Committee have been obliged to draw upon that sum to the extent of nearly £600 to meet the expenditure of the past year.

Some of the Subscriptions from stations lying to the North-east have been diverted to other hospitals, as it had been found more convenient at those places to remove patients either to the Dunolly or Maryborough Hospitals.

The Committee have had the pleasure of adding the names of Messrs. John Wilson, J.P., of Woodlands, and Patrick D'Arcy, of Stawell, to the list of Life-Governors.

Your Committee have thankfully to acknowledge the kindness of friends in supplying the Institution with periodicals and papers, and to Mrs. Holt, of Ledcourt, and Messrs. Maynard, Ord, and Thos. Stubbs, of the Reefs, their thanks are most especially due.

The Honorary Surgeons have rendered most valuable services to your Hospital, and they merit your warmest acknowledgments.

The Employeès of the Hospital have given every satisfaction in their several spheres of labor, and so far as your Board is aware there has been a total absence of complaints, either on the part of the patients or the public.

The regular and systematic inspection of the Hospital, weekly, by the house committee, has been attended with much success.

It is desirable to draw your attention to the urgent need of further accommodation for patients, and the erection of permanent kitchen and other offices in lieu of the temporary structures which have done service for so many years.

It will be necessary, to this end, to make a special appeal to your liberality in aid of a Building Fund, and to apply to the Government for an adequate grant for such works.

It is evident that the time is approaching in which the general Government will throw the total burden of local charities upon the districts in which they are situated, and it would be wise to secure, for permanent improvements, as large a proportion of the State Grants as possible, as this Institution has never received from the Government the same proportion of assistance as that given to other hospitals, in accordance with its private contributions.

The various details of the Institution need not be recapitulated here as they are set forth in the Schedules attached hereto. It may, however, be noted, that a sum of nearly £70 was paid for interest. This large item arose from the non-payment, in due course, of the Government Subsidy, and is one your Board trust they will not again have occasion to draw attention to. They learn with much satisfaction that your Hospital enjoys the pre-eminence of the lowest death-rate in the colony, and this fact speaks much in favor of the salubrity of its position, and the carefulness and skill of your medical officers.

They trust, that the year upon which you have now entered will witness the increased prosperity of your Charity, and that whilst conferring inestimable benefits upon the grateful recipients of your care, it may prove a blessing to you also.

Your Committee thankfully acknowledge the confidence you have placed in them during their year of office, and now resign their trust into your hands.

WILLIAM FRAYNE,

PRESIDENT.

R U L E S  
OF THE  
PLEASANT CREEK HOSPITAL  
FOR 1869.

---

1. The Hospital will afford gratuitously surgical and medical aid to any poor person requiring them, irrespective of creed, country, or colour; but any person who shall be admitted under any circumstances, and shall be found able to pay, will be required to do so. Paying patients may be received, under certain conditions, according to the Bye-Laws.

2. The Hospital shall be managed by a President, two Vice-Presidents, five Trustees, an Honorary Treasurer, the Honorary Surgeons, and a Committee of Management not exceeding twenty-four; twelve of whom shall be residents of outlying districts. The above-named officers, with the exception of the Trustees, shall be elected annually, at the Annual General Meeting in the month of January, in each year, by duly-qualified Subscribers.

3. Should a vacancy occur in any of the above-named offices, it shall be filled at the then or next ensuing General Meeting of Subscribers; but in all cases, except those of Treasurer or Trustees, the Board is empowered to temporarily fill the vacancy.

4. The duly-qualified electors shall, at the Annual General Meeting in January, in each year, appoint two Auditors—not members of the Board—to examine the accounts of the past year; but in case either of such Auditors neglect or refuse to perform the said audit for the space of one month from the time of his appointment, a special meeting of duly-qualified Subscribers shall be called immediately to elect a new Auditor, or Auditors, to supply such place; and also, it shall be competent for the President, or, in his absence, a Vice-President, at the request of not less than ten duly-qualified Subscribers, to convene, by advertisement, a public meeting, at any time, for the purpose of electing Auditors, if any emergency arise to warrant the Board of Management in having the accounts audited.

5. The Board of Management shall include all the Officers named in the second rule; it shall direct the collection and distribution of funds; appoint and dismiss all paid officers and servants; frame regulations for the management of the Hospital; present a report to the Annual General Meeting; and conduct the affairs of the Hospital generally; and may, from among themselves, from time to time, appoint committees for any purposes which, in their opinion, would be better regulated and managed by means of such committees; and it may fix the quorum of such committees, and may continue, alter, or discontinue such committees.

6. The Board shall meet for general business once, at least, in each month, and for special business whenever requisite; such meetings to be convened by the Secretary at any time or place that may be ordered by the Board, the President, a Vice-President, or upon the requisition of not less than three members of the Board. At any meeting, nine members shall form a quorum, and in the absence of the President or Vice-Presidents, one of the members present shall be elected to act as chairman.

7. That every Contributor of £25 in one sum shall be a Life-Governor, with the privilege of voting at all meetings of Subscribers, and of nominating five in-door and five out-door patients in each year. And every Contributor of £1 and upwards to £5, shall be entitled to nominate one in-door and one out-door patient for each pound subscribed during the year of such contribution; provided that the funds and accommodation

of the Hospital will admit of the reception and treatment of such patients. The Board shall also have power to add to the list of Life-Governors such persons as by their eminent services may have added within one year the sum of £25 to the funds of the Hospital; and members of the Board are not to be limited in the number of patients they may recommend. Life-Governors alone shall be entitled to vote by proxy.

8. That no person shall hereafter be qualified to vote at any meeting of subscribers, unless he shall have been a subscriber of at least £1 sterling to this Hospital for the space of six months previous to such meeting; provided always that where a subscriber shall have paid his subscription for the year immediately preceding the year in which any public meeting shall take place, the payment of his subscription for the then current year at any time before such meeting shall entitle such subscriber to vote.

9. That accidents, and such cases as may be deemed of decided emergency by the Medical Officer in attendance, be received at any time, and that in ordinary cases patients shall be admitted daily (Sunday excepted), at such hours as may be from time to time appointed by the Board, on the recommendation of a subscriber of at least £1 sterling for the then current year, countersigned by a member of the Board, who shall certify that such patient is not capable of providing for medical attendance; but patients shall be admitted at any time on a special order, signed by the House Committee and one of the Honorary Surgeons.

10. That no female for the purpose of confinement, child under five years of age, insane person, or one affected with any infectious disease, or any person who, in the opinion of the Medical Officer in attendance, is unfit to be an in-door patient, shall be received under any circumstances, except with the express permission of the Board.

11. The House Committee shall at least once a week visit the Hospital, for the purpose of inspecting the arrangements thereof, and of inquiring of the patients if they are properly attended to, and shall report in writing to the next meeting of the Board any alterations or suggestions they may think necessary; such committee to be selected by agreement amongst the members during the sitting of the Board.

12. If any member of the Board shall neglect his duty for the space of two months (the Trustees excepted), he shall suffer disqualification (unless upon well-founded excuse) and another shall be appointed in his stead if the Board think fit; and any contractor to the Hospital, being a member of the Board, shall absent himself from its sittings while any subject relating to his contract is under consideration.

13. The Board shall have power, from time to time, to make, rescind alter, or amend any bye-laws for the due management of the affairs of the Hospital; but no such bye-laws shall be made, rescinded, altered, or amended unless upon seven days' notice thereof being given to each member, and only upon being carried by a majority of two-thirds of a meeting consisting of not less than fifteen members of the Board.

14. That no alteration or rescinding of Rules shall be made except by duly-qualified contributors, in public meeting assembled, of which the Secretary shall have given at least seven days' notice by public advertisement, stating the business for which such meeting shall be convened.

#### HONORARY TREASURER.

15. The Honorary Treasurer shall receive all money on behalf of the Hospital, and invest the same in such bank or banks as the Board shall direct, to the credit of the Hospital. He shall pay all accounts after the same have been signed by the Chairman of the meeting as having been approved by the Board, by drafts on the bank or banks, which shall be countersigned by the President or one of the Vice-Presidents, and by the Secretary. He shall also keep an account of all money received and paid by him, and report the same at least once a month to a meeting of the Board.

## HONORARY SURGEONS.

16. The Honorary Medical Officers shall consist of legally-qualified Medical Practitioners, who shall be elected for one year. They shall have access to the Hospital at all times; they shall assist the Resident Surgeon in the performance of all capital surgical operations—but no such operation shall be performed without previous consultations of the medical staff—and they shall regularly consult in all cases of importance or of protracted continuance in the Hospital.

## RESIDENT SURGEON.

17. The Resident Surgeon shall be a duly-qualified medical practitioner, who shall reside on the premises, and shall not be absent therefrom for any lengthened period without the permission of the Board. He shall not engage in private practice under any circumstances, except in cases of consultation at the request of other surgeons; provided such consultations will not interfere with his duties as Resident Surgeon.

## SECRETARY.

18. The Secretary shall convene the Annual General Meeting, in the month of January, in each year, at such time and place as may be fixed by the Board, by advertisement, in the local papers, at least seven days previous to the meeting.

19. He shall convene special meetings of duly-qualified subscribers in the same manner, when directed by the Board, or on the written application of ten duly-qualified subscribers of at least £1 each; the object of such meeting to be stated in the advertisement, and shall give special notice to each member of the Board of such meetings.

## Bye-Laws of the Pleasant Creek Hospital.

## RESIDENT SURGEON.

1. The Resident Surgeon shall receive the certificates from applicants for admission, examine the nature of their cases, and decide on their fitness for admission, either as in-door or out-door patients, subject to the approval of the House Committee; and he shall discharge all patients as soon as he considers them fit to be discharged.

2. He shall have charge of patients in the Hospital, and of their treatment; but in all cases of difficulty or danger, or long continuance in the Hospital, he is requested to consult the Honorary Surgeons.

3. He shall superintend and control all servants of the Hospital, and in case of neglect of duty, or insubordination, may suspend any of them, and report thereon to the House Committee.

4. He shall keep such accounts respecting the patients as the Board of Management may direct, in books to be kept for that purpose, and report to the Board such cases as he may think necessary.

5. He shall have charge of all surgical instruments, drugs, and chemicals; carefully examine them, both as to quality and quantity, and report any defects, in either respect, to the Board; make an inventory of the same in a book to be kept for that purpose; and keep an account of the receipts and expenditure, or loss and breakage of all such instruments, drugs, and chemicals. And he must, in the absence of a Dispenser, perform such duties as would devolve upon that officer.

6. He shall enter regularly in books kept for that purpose the names of patients as they are admitted or discharged, together with the nature and history of their diseases while under treatment. He shall receive all money and other property belonging to patients, and account for the same to the Board when required.

7. He shall accompany the Honorary Surgeons through the wards, and report to them the state of the patients; visit each patient every morning and evening, and inquire if the treatment prescribed has been attended to; and, if any cause of complaint exist, immediately remove the same, or report it to the Board at its next meeting.

8. He shall perform all surgical operations and *post mortem* examinations, keep the key of the dead-house, and give due notice to the Honorary Medical Officers when a consultation is to be held, or an operation to be performed; but in all cases of emergency, to act to the best of his judgment.

#### SECRETARY AND COLLECTOR.

9. The Secretary and Collector shall keep the minutes, accounts, and records of the Hospital, compile all reports, conduct the correspondence, attend all meetings, and bring all business before the same; carry out their resolutions, and perform all clerical duties that may be ordered by the Board.

10. He shall collect subscriptions and all money due to the Hospital; in all cases give receipts for the same, and pay to the Treasurer, at least once in every month, all money he may have received, and render an account of the same to the Board.

#### NURSES.

11. The Nurses shall live in the Hospital, and shall not leave it for any length of time without the permission of the Resident Surgeon; they shall obey the orders of the said officer, be regular in their attendance, behave with tenderness to all patients, and with civility and respect to strangers.

12. They shall pay great attention to cleanliness, personally, in their respective wards, and in all things entrusted to their charge; particularly to the bedding of the patients, and have it changed as often as may be necessary, taking care that it is thoroughly dried and aired.

13. They shall administer to the patients the medicines and diet at the time and in the manner directed by the Resident Surgeon, and not permit them to take any which have not been prescribed; they shall be careful to explain to the patients the instructions of the said officer, and watch attentively the state and symptoms of the patients, and report the same to the Resident Surgeon.
