THE EIGHTH ANNUAL REPORT  
OF THE  
COMMITTEE OF MANAGEMENT  
OF THE  
PLEASANT CREEK HOSPITAL,  
FOR THE YEAR 1866.

---

TO THE GOVERNORS, SUBSCRIBERS, AND CONTRIBUTORS  
OF THE PLEASANT CREEK HOSPITAL :

THE proceedings of the past year do not call for any lengthened remarks from your Board of Management.

The efficiency of the Institution and its enlarged usefulness are evidenced by the increased numbers of both in-door and out-door patients who have availed themselves of the privileges of your charity ; the daily average of in-door patients being  $35\frac{1}{2}$ —an excess of nine over that of 1865 ; whilst 1699 attendances on out-door patients, against 1024 of the previous year, shows an increase of sixty-six per cent.

The increased number of patients has naturally led to greatly augmented expenditure for maintenance ; but the other working expenses have been kept to about the same as in former years—the servants of the Institution having satisfactorily performed the extra labour devolving upon them without being increased in numbers.

The Board have the pleasure of announcing that the subscriptions are in excess of those of 1865, particularly from the pastoral districts, where it has been found that both employers and employed have given a noble support now as in past years.

The Board, however, regret to place, as they are compelled to, in such unfavourable contrast, the donations from the working miners of the district.

The subscription lists indicate from how few in number, and by how small in amount, are the funds of the charity supported by the mining community.

Men who, from the nature of their calling, are more liable than

any other class to need the peculiar care of the Institution for themselves, and who, from their proximity to the Hospital, avail themselves of nearly all the services rendered under the head of out-door patients, are content to allow the claims upon them to be satisfied by a few shillings a year, or a total refusal to help the necessities of the Charity. The Board earnestly call upon the mining community to wipe out this stigma upon their name, and to let their subscriptions in future, both in number and amount, prove that they are alive to the claims, and are anxious to continue the usefulness, of an Institution of which we may all well be proud; which has proved a blessing to hundreds, and will doubtlessly yet prove so to thousands; and which has received from all hands the most extended evidence of its usefulness and efficiency.

Having received a special grant of £500 for building, it was determined to proceed at once to the completion of the surgeon's residence; and the building is now in hand, and will be finished in a few weeks. This will place three additional wards at the disposal of the Institution, affording increased accommodation and the means of a better classification of patients.

The payment for this work will leave a deficit in our funds of nearly £200; but it is confidently hoped that this and the increased expense of maintenance will be duly provided for, by the liberality of those who, in past years, have shown their generous sympathy with sickness and distress; and who, we trust, in the incoming year will feel themselves free to do even more than in past years.

Your representatives in Parliament, Messrs. Love, McBain, and Byrnes, are entitled to your thanks for having been ever ready to assist your Board in getting their claims recognised by the Government to such funds as the liberality of the Legislature has set apart for such charities.

The donation of Henry Nicoll, Esq., of Warranooke, has entitled him to be placed on the list of Life Governors, and the Board hope that this list, although small at present, will receive accession during the next year.

The system of admitting paying patients under certain conditions has been found to work satisfactorily.

Attention may again be drawn to the desirability of seeking from the Legislature a provision for the future maintenance of Hospitals by a permanent endowment of lands, which in after years, by their increased value, might bear the expense of these institutions when the general grant from the Legislature should be withdrawn.

The Board trust that their management during the past year has secured your approval.

You are now required by your constitution to elect new officers for the year 1867.

THEODORE MANTEL,

PRESIDENT.

**RULES**  
OF THE  
**PLEASANT CREEK HOSPITAL,**  
FOR 1867.

---

1. The Hospital will afford gratuitously surgical and medical aid to any poor person requiring them, irrespective of creed, country, or colour; but any person who shall be admitted under any circumstances, and shall be found able to pay, will be required to do so. Paying patients may be received, under certain conditions, according to the Bye-Laws.

2. The Hospital shall be managed by a President, two Vice-Presidents, five Trustees, an Honorary Treasurer, the Honorary Surgeons, and a Committee of Management not exceeding twenty-four—twelve of whom shall be residents of outlying districts. The above-named officers, with the exception of the Trustees, shall be elected annually, at the Annual General Meeting in the month of January in each year, by duly qualified Subscribers.

3. Should a vacancy occur in any of the above-named offices, it shall be filled at the then or next ensuing General Meeting of Subscribers; but in all cases, except those of Treasurer or Trustees, the Board is empowered to temporarily fill the vacancy.

4. The duly qualified electors shall, at the Annual General Meeting in January, in each year, appoint two Auditors—not members of the Board—to examine the accounts of the past year; but in case either of such Auditors neglect or refuse to perform the said audit for the space of one month from the time of his appointment, a special meeting of duly qualified Subscribers shall be called immediately to elect a new Auditor, or Auditors, to supply such place; and also, it shall be competent for the President, or, in his absence, a Vice-President, at the request of not less than ten duly qualified subscribers, to convene, by advertisement, a public meeting, at any time, for the purpose of electing Auditors, if any emergency arise to warrant the Board of Management in having the accounts audited.

5. The Board of Management shall include all the Officers named in the second rule; it shall direct the collection and distribution of funds; appoint and dismiss all paid officers and servants; frame regulations for the management of the Hospital; present a Report to the Annual General Meeting; and conduct the affairs of the Hospital generally; and may, from among themselves, from time to time, appoint committees for any purposes which in their opinion would be better regulated and managed by means of such committees; and it may fix the quorum of such committees, and may continue, alter, or discontinue such committees.

6. The Board shall meet for general business once, at least, in each month, and for special business whenever requisite; such meetings to be convened by the Secretary at any time or place that may be ordered by the Board, the President, a Vice-President, or upon the requisition of not less than three members of the Board. At any meeting, nine members shall form a quorum, and in the absence of the President or Vice-Presidents, one of the members present shall be elected to act as chairman.

7. That every Contributor of £25 in one sum shall be a Life Governor, with the privilege of voting at all meetings of Subscribers, and of nominating five In-door and five Out-door Patients in each year. And every Contributor of £1, and upwards to £5, shall be entitled to nominate one In-door and one Out-

door Patient for each pound subscribed during the year of such contribution; provided that the funds and accommodation of the Hospital will admit of the reception and treatment of such Patients. The Board shall also have power to add to the list of Life Governors such persons as by their eminent services may have added within one year the sum of £25 to the funds of the Hospital; and members of the Board are not to be limited in the number of Patients they may recommend. Life Governors alone shall be entitled to vote by proxy.

8. That no person shall hereafter be qualified to vote at any meeting of subscribers, unless he shall have been a subscriber of at least £1 sterling to this Hospital for the space of six months previous to such meeting; provided always that where a subscriber shall have paid his subscription for the year immediately preceding the year in which any public meeting shall take place, the payment of his subscription for the then current year at any time before such meeting shall entitle such subscriber to vote.

9. That accidents, and such cases as may be deemed of decided emergency by the Medical Officer in attendance, be received at any time, and that in ordinary cases Patients shall be admitted daily (Sundays excepted), at such hours as may be from time to time appointed by the Board, on the recommendation of a subscriber of at least £1 sterling for the then current year, countersigned by a member of the Board, who shall certify that such patient is not capable of providing for medical attendance; but patients shall be admitted at any time on a special order, signed by the House Committee and one of the Honorary Surgeons.

10. That no female for the purpose of confinement, child under five years of age, insane person, or one affected with any infectious disease, or any person who, in the opinion of the Medical Officer in attendance, is unfit to be an Indoor Patient, shall be received under any circumstances, except with the express permission of the Board.

11. The House Committee shall, at least once a week, visit the Hospital, for the purpose of inspecting the arrangements thereof, and of inquiring of the patients if they are properly attended to, and shall report in writing to the next meeting of the Board any alterations or suggestions they may think necessary; such Committee to be selected by agreement amongst the members during the sitting of the Board.

12. If any member of the Board shall neglect his duty for the space of two months (the Trustees excepted), he shall suffer disqualification (unless upon well-founded excuse), and another shall be appointed in his stead if the Board think fit; and any contractor to the Hospital, being a member of the Board, shall absent himself from its sittings while any subject relating to his contract is under consideration.

13. The Board shall have power from time to time to make, rescind, alter, or amend any bye-laws for the due management of the affairs of the Hospital; but no such bye-laws shall be made, rescinded, altered, or amended, unless upon seven days' notice thereof being given to each member, and only upon being carried by a majority of two-thirds of a meeting consisting of not less than fifteen members of the Board.

14. That no alteration or rescinding of Rules shall be made except by duly qualified contributors, in public meeting assembled, of which the Secretary shall have given at least seven days' notice by public advertisement, stating the business for which such meeting shall be convened.

#### HONORARY TREASURER.

15. The Honorary Treasurer shall receive all money on behalf of the Hospital, and invest the same in such bank or banks as the Board shall direct, to the credit of the Hospital. He shall pay all accounts, after the same have been signed by the Chairman of the meeting as having been approved by the Board, by drafts on the bank or banks, which shall be countersigned by the President or one of the Vice-Presidents, and by the Secretary. He shall also keep an account of all money received and paid by him, and report the same at least once a month to a meeting of the Board.

## HONORARY SURGEONS.

16. The Honorary Medical Officers shall consist of legally qualified Medical Practitioners, who shall be elected for one year. They shall have access to the Hospital at all times; they shall assist the Resident Surgeon in the performance of all capital surgical operations—but no such operation shall be performed without previous consultations of the medical staff; and they shall regularly consult in all cases of importance or of protracted continuance in the Hospital.

## RESIDENT SURGEON.

17. The Resident Surgeon shall be a duly qualified medical practitioner, who shall reside on the premises, and shall not be absent therefrom for any lengthened period, without the permission of the Board. He shall not engage in private practice under any circumstances, except in cases of consultation at the request of other surgeons; provided such consultations will not interfere with his duties as Resident Surgeon.

## SECRETARY.

18. The Secretary shall convene the Annual General Meeting in the month of January in each year, at such time and place as may be fixed by the Board, by advertisement in the local papers, at least seven days previous to the meeting.

19. He shall convene special meetings of duly qualified Subscribers in the same manner, when directed by the Board, or on the written application of ten duly qualified Subscribers of at least £1 each; the object of such meeting to be stated in the advertisement, and shall give special notice to each member of the Board of such meetings.

## Bye-Laws of the Pleasant Creek Hospital.

## RESIDENT SURGEON.

1. The Resident Surgeon shall receive the certificates from applicants for admission, examine the nature of their cases, and decide on their fitness for admission, either as In-door or Out-door Patients, subject to the approval of the House Committee; and he shall discharge all patients as soon as he considers them fit to be discharged.

2. He shall have charge of Patients in the Hospital, and of their treatment; but in all cases of difficulty or danger, or long continuance in the Hospital, he is requested to consult the Honorary Surgeons.

3. He shall superintend and control all Servants of the Hospital, and in case of neglect of duty, or insubordination, may suspend any of them, and report thereon to the House Committee.

4. He shall keep such accounts respecting the Patients as the Board of Management may direct, in books to be kept for that purpose, and report to the Board such cases as he may think necessary.

5. He shall have charge of all surgical instruments, drugs, and chemicals; carefully examine them, both as to quality and quantity, and report any defects, in either respect, to the Board; make an inventory of the same in a book to be kept for that purpose; and keep an account of the receipts and expenditure, or loss and breakage, of all such instruments, drugs, and chemicals. And he must, in the absence of a Dispenser, perform such duties as would devolve upon that officer.

6. He shall enter regularly in books kept for that purpose the names of Patients as they are admitted or discharged, together with the nature and history of their diseases while under treatment. He shall receive all money and other property belonging to Patients, and account for the same to the Board when required.

7. He shall accompany the Honorary Surgeons through the Wards, and report to them the state of the Patients; visit each Patient every morning and evening, and inquire if the treatment prescribed has been attended to; and, if any cause of complaint exist, immediately remove the same, or report it to the Board at its next meeting.

8. He shall perform all surgical operations and *post mortem* examinations, keep the key of the dead-house, and give due notice to the Honorary Medical Officers when a consultation is to be held, or an operation to be performed; but in all cases of emergency, to act to the best of his judgment.

#### SECRETARY AND COLLECTOR.

9. The Secretary and Collector shall keep the minutes, accounts, and records of the Hospital, compile all reports, conduct the correspondence, attend all meetings, and bring all business before the same; carry out their resolutions, and perform all clerical duties that may be ordered by the Board.

10. He shall collect subscriptions and all money due to the Hospital; in all cases give receipts for the same, and pay to the Treasurer, at least once in every month, all money he may have received, and render an account of the same to the Board.

12. They shall pay great attention to cleanliness, personally, in their respective Wards, and in all things entrusted to their charge; particularly to the bedding of the Patients, and have it changed as often as may be necessary, taking care that it is thoroughly dried and aired.

13. They shall administer to the Patients the medicines and diet at the time and in the manner directed by the Resident Surgeon, and not permit them to take any which have not been prescribed; they shall be careful to explain to the Patients the instructions of the said officer, and watch attentively the state and symptoms of the Patients, and report the same to the Resident Surgeon.

14. They shall not permit Patients to receive from visitors medicines, victuals, tobacco, or liquor of any kind, nor allow any portion of the medicines or diet, nor anything to be removed from the Wards by the Patients or Visitors, without an order from the Resident Surgeon.

15. They shall be careful to collect and carry all empty phials, gallipots, bandages, &c., to the Dispensary, at which they shall attend, at the time appointed, to receive medicines and instructions.

16. They shall not admit any stranger without permission from the Resident Surgeon, except during the hours appointed for that purpose.

17. They shall be obedient to the regulations of the Hospital, and report immediately to the Resident Surgeon any impropriety of conduct, or infringement of the rules, by any patient, visitor, or other person; and if such complaint is not properly attended to, report the same to the Board at its next meeting.

#### PATIENTS.

18. The Patients shall conduct themselves in an orderly manner, strictly observe all the directions of the Resident Surgeon and Nurses, take their medicines and diet at the time directed, and not take any other than those prescribed; neither shall they conceal or put away any portion thereof.

19. They shall not leave their Ward and go into another Ward, leave the house, or remain out for a longer time than may be granted, or introduce visitors, or receive medicines, victuals, liquors, tobacco, nor anything, without the express leave of the Resident Surgeon.

20. They shall not gamble, spit on the floor, deface or injure any part of the

ward, furniture, bedding, or clothing; nor sing, blaspheme, or use rude or indecent language, neither shall they smoke without permission from the Resident Surgeon.

21. Any Patient having any cause of complaint, shall make the same known to the Resident Surgeon, whose duty it shall be to remedy the same; if not remedied, the said complaint may be made to the Official Visitors, or to the Board at its next meeting; but if complaints are not made before a Patient leaves the hospital, or within two days after leaving, they cannot be entertained.

22. Patients deemed able by the Resident Surgeon to assist in the work of the Hospital shall, at his request, so employ themselves.

23. Patients shall not sit up after 8 p.m. in Winter or 9 o'clock in Summer; and all Patients considered by the Resident Surgeon able to do so, shall rise at 7 a.m. in the Summer and 8 o'clock in Winter.

30. Visitors shall not give to or leave with any Patient, medicine, victuals, tobacco, or liquor of any kind, nor any other thing, without the permission of the Resident Surgeon; nor interfere with the Nurses, nor disturb the Patients by loud talking or unnecessary noise.
