THE TWENTY-FIFTH ANNUAL REPORT

OF THE

COMMITTEE OF MANAGEMENT

OF THE

Stawell Fospital and Penevolent Asylum.

FOR THE YEAR 1883.

To the Governors, Subscribers, and Contributors of the Stawell Hospital and Benevolent Asylum.

"In resigning the responsibilities belonging to the Board of Management, we will endeavour to give a résumé of our proceedings during our term of office, and submit for your consideration such measures as experience justifies us in recommending.

"Whilst the returns, undoubtedly good, considering the limited area for collecting, show a falling off to the extent of eight per cent., £502 10s. 9d. this year as against £541 4s. 8d. last year, the in-patients, which are the main cause of expense, show an increase of twenty per cent., or 29.6 as a daily average, as against 24.46 in 1882. It is hoped, however, that because of the very abundant harvest now being gathered in, the subscriptions from the country districts, many of which are not yet collected, will be so increased as fully to meet this deficiency, while there is still £1,100 due on account of the Government grant.

"In order to give greater facilities for the admission of applicants coming from a distance, we recommend that Rule 9 be

modified, so that they may receive attention on getting their tickets signed by a subscriber and one Member of the Committee, but that applicants locally resident be required to attend the admission Committee as usual, but all cases of emergency will be attended to at once, as heretofore. In doing this we testify to the great efficiency of this Committee in securing the object for which it was established.

"After a somewhat brief period of service, Dr. W. E. L. Hearne resigned his position as surgeon, and Dr. E. J. Bennett was appointed to succeed him. This change effects a saving in the funds of the Institution of £50 per annum; while, under such experienced hands and well attested ability, no falling off in efficiency need be dreaded by the friends of the Institution.

"The name, and to some extent the character of the Institution have been changed. The Benevolent Asylum cases as yet are few; the six who make up this class of patients are treated very much the same as Hospital cases, as some of them are found useful as attendants upon the other patients. The Government grant not being sufficient to warrant any additions to the buildings, the erection of personal conveniences as recommended by the late Inspector of Charities, has been reluctantly postponed. It has, however, been considered imperative, in order to prevent absolute decay, to have the outside woodwork of the building painted, the contract for which is now in progress. Whilst gratefully acknowledging the liberality of neighbouring corporations in subscribing to our funds, we would remind them that the benevolent wards will receive patients largely from the shires; and a more liberal support will go far to prevent any attempts to introduce among our Victorian population anything akin to the undesirable poor laws of Europe. The shires most interested in our Institution are those of Stawell, Dunmunkle, Wimmera, and portions of the Avoca and St. Arnaud shires, while the Borough of Stawell occupies a central place. The Government wish the financial year of our Hospital to be altered so as to end on the

30th June. If it be considered advisable to make the alteration, the publication of the report and balance-sheet might be deferred till after that date. The ready assistance of the honorary surgeons, whenever their services were required, calls once more for the recording of our thanks; we are also indebted to the various ministers and congregations of the town and district for the collections made in their respective churches, and thanks are especially due to the proprietors and agents of newspapers, as well as to friends supplying fruit and delicacies, all gratuitously. Our term of office now expires, and to you and to all charitable persons we sincerely commend the claims of this Institution, requesting you now to appoint our successors, together with auditors for the coming year.

"The Resident Surgeon's report for the year 1883 showed that 247 in-patients had been admitted, giving a daily average of 29.6; 208 out-patients treated, having received 1,428 attendances; and 24 deaths had occurred amongst the in-patients.

THOMAS Y. SMITH,

PRESIDENT."

SUPPLEMENTARY REPORT.

August 24th, 1884.

To the Governors, Subscribers, and Contributors of the Stawell Hospital and Benevolent Asylum.

"The delay in printing the Twenty-fifth Report is occasioned by the alteration of the time for closing accounts from the 31st December to the June following, so as to correspond with the Government financial year, which ends with June. The accounts and statistics will, in consequence, on this occasion embrace a period of 18 months, viz., from the 1st January, 1883 to 30th June, 1884.

"In the report in chief, hope is expressed that from the abundant harvest the subscriptions would be so much increased as would meet a deficiency. These anticipations have not been realised, for £24 is not such an increase as the Management are entitled to expect from the settlers who occupy so large a portion of the district, especially with the claims of a Benevolent Ward added.

"We regret having to record the death of one of the Patrons of the Hospital, Duncan McKellar, Esq., who has taken a lively interest in the management from its first inception, also that of Mr. D. Pennington, of Navarre, who has been Member for that district for many years.

"We will only add that the working of the Institution is now being carried on in every respect satisfactorily.

MARTIN THORNFELDT,

PRESIDENT."

RULES OF THE

Stawell Fospital and Benevolent Asylum.

- 1. The Hospital and Benevolent Asylum will afford, gratuitously, surgical and medical aid, and maintenance to any poor person requiring them, irrespective of creed, country, or color; but any person who shall be admitted, under any circumstances, and shall be found able to pay, shall be required to do so. Paying patients may be received, under certain conditions, according to the Bye-laws.
- 2. The Institution shall be managed by the Patrons, President, two Vice-Presidents, five Trustees, an Honorary Treasurer, the Honorary Surgeons, and a Committee of Management not exceeding twenty-four, twelve of whom shall be residents of outlying districts. The above-named officers, with the exception of the Treasurer, and Trustees, shall be elected annually, at the Annual General Meeting, in the month of January in each year, by duly qualified Subscribers. The Committee to be elected shall be nominated at or before such meeting, but nominations cannot be received (except for members of the outlying districts) without the consent of the person nominated.
- 3. Should a vacancy occur in any of the above-named offices, it shall be filled at the then or next ensuing General Meeting of Subscribers; but in all cases, except those of Treasurer or Trustees, the Board is empowered to temporarily fill the vacancy.
- 4. The duly qualified electors shall, at each Annual General Meeting, appoint two Auditors not members of the Board, to examine the accounts; but in case either of such Auditors neglect or refuse to perform his duty, the Board is empowered to temporarily appoint another Auditor or Auditors. And also it shall be competent for the President, or, in his absence, a Vice-President, at the request of not less than ten duly-qualified Subscribers, to convene by advertisement a meeting of Subscribers at any time, for the purpose of electing Auditors, if any emergency arise to warrant the same.
- 5. The Board of Management shall include all officers named in the second rule; it shall direct the collection and distribution of funds; appoint and dismiss all paid officers and servants; frame regulations for the management of the Institution; present a report to the Annual General Meeting; and conduct the affairs of the Institution generally; and may from among themselves, from time to time, appoint committees for any purpose which, in their opinion, would be better regulated and managed by means of such committees; and it may fix the quorum of such committees, and may continue, alter, or discontinue such committees.
- 6. The Board shall meet for general business, once at least in each month, and for special business whenever requisite; such meetings to be convened by the Secretary at any time or place that may be ordered by the Board, the President, a Vice-President, or upon the requisition of not less than three members of the Board. At any meeting, seven members shall form a quorum, and in the absence of the President or Vice-Presidents, one of the members present shall be elected to act as chairman.

- 7. That every contributor of £25, in one sum, shall be a Life Governor; also, any person nominated by any Society that has added a sum of not less than £25, or the Executors to a Will, by which a sum of not less than £100 has been added to the funds of the Institution shall be Life Governors; and the Board of Management shall have power to add to the List of Life Governors such persons as it may deem expedient for eminent services rendered.
- 8. Every Life Governor shall have the privilege of voting at all meetings of Subscribers, and of recommending five in-door and five out-door patients in each year. And every contributor of £1 and upwards shall be entitled to vote at such meetings, and of recommending one in-door and one out-door patient for each pound subscribed during the year. Members of the Board are not to be limited in the number of patients they may recommend, but no person shall be qualified to vote at a meeting of Subscribers, unless he shall have been a Subscriber of at least £1 for the space of six months previous to such meeting, provided always that where a Subscriber shall have paid his subscription for the year immediately preceding the year in which any such meeting shall take place, the payment of his subscription for the then current year at any time before such meeting, shall entitle such Subscriber to vote. Life Governors and Life Subscribers only entitled to vote by proxy.
- 9. That accidents, and cases deemed of decided emergency by the Medical Officer in attendance, be received at any time; in ordinary cases patients shall be admitted daily (Sunday excepted), at such hours as may be appointed by the Board on the recommendation of a Subscriber of at least £1 sterling for the then current year, and on the authority of the Admission Committee, who shall certify that such patient is not capable of providing for medical attendance; but patients from the country districts may be received on a ticket signed by a Subscriber and one member of Committee, and special cases shall be admitted at any time on an order signed by the House Committee and one of the Honorary Surgeons; but patients to the Benevolent Ward shall only be admitted, after due enquiry, on an order of the Board of Management.
- 10. That no female for the purpose of confinement, child under five years of age, insane person, or one affected with an infectious disease (with the exception of cases of accident or emergency, as per Rule 9), shall be admitted except by the express permission of the House Committee or Board of Management.
- 11. The House Committee shall at least once a week visit the Institution for the purpose of inspecting the arrangements thereof, and of inquiring of the patients if they are properly attended to, and shall report in writing to the next meeting of the Board any alterations or suggestions they may think necessary; such Committee to be selected by agreement amongst the members during the sitting of the Board.
- 12. If any member of the Board shall neglect his duty for the space of two months (the Trustees excepted), he shall suffer disqualification (unless upon a well-founded excuse), and another shall be appointed in his stead if the board think fit. And any contractor to the Institution being a member of the Board, shall absent himself from its sittings while any subject relating to his contract is under consideration.
- 13. The Board shall have power from time to time to make, rescind, alter, or amend any bye-laws for the due management of the affairs of the

Institution; but no such bye-laws shall be made, rescinded, altered, or amended, unless upon seven days' notice thereof being given to each member, and only upon being carried by a majority of two-thirds of a meeting consisting of not less than fifteen members of the Board.

14. That no alteration or rescinding of Rules shall be made except by duly qualified contributors, in public meeting assembled, of which the Secretary shall have given at least seven days' notice by public advertisement stating the business for which such meeting shall be convened.

He shall also keep an account of all money received and paid by him, and report the same at least once a month to a meeting of the Board.

HONORARY SURGEONS.

16. The Honorary Medical Officers shall consist of legally qualified Medical Practitioners, who shall be elected for one year. They shall have access to the Institution at all times; they shall assist the Resident Surgeon in the performance of all capital surgical operations—but no such operations shall be performed without previous consultations of the medical staff—and they shall regularly consult in all cases of importance or protracted continuance in the Institution.

RESIDENT SURGEON.

17. The Resident Surgeon shall be a duly qualified Medical Practitioner, who shall reside on the premises, and shall not be absent therefrom for any lengthened period without the permission of the Board. He shall be allowed private practice within the limits of the Borough of Stawell, provided such private practice does not interfere with his duties as Resident Surgeon.

SECRETARY.

- 18. The Secretary shall convene the Annual General Meeting in the month of January, in each year, at such time and place as may be fixed by the Board, by advertisement in the local papers at least seven days previous to the meeting.
- 19. He shall convene Special Meetings of duly qualified Subscribers in the same manner, when directed by the Board, or on the written application of ten duly qualified Subscribers of at least £1 each, the object of such meeting to be stated in the advertisement; and shall give special notice to each member of the Board of such meetings.
