# THE TWENTY-NINTH ANNUAL REPORT

OF THE

## COMMITTEE OF MANAGEMENT

OF THE

### Stawell Hospital and Benevolent Asylum.

TO 31ST DECEMBER, 1887.

*To the Governors, Subscribers, and Contributors of the Stawell Hospital and Benevolent Asylum.*

“The Committee, at the end of another six months, have gratefully to report that the Institution is in a satisfactory financial condition. The Balance-Sheet and Auditors' Report, which are to be placed before you this evening, give a full explanation of the state of matters.

“These six months will compare favorably with the corresponding period of 1886, there being an increase in the funds all round, viz. :—In private subscriptions an increase of £106 15s. ; in contributions from Shires, Borough, Churches, and Hospital Sunday, an increase of £116 9s. 4d. ; while in the number of patients there has been a slight decrease.

“The receipts for the half-year have been £1582 5s. 2d., as compared with £761 for 1886, being an increase of £821 3s. 8d., owing partly to the more prompt payment of the Government Grant. The expenditure shows a decrease of £109 13s. 1d., being £788 17s. 4d. as against £998 10s. 5d. for the corresponding half-year of 1886. The Government Grant for 1887-8 is £1200 for maintenance, but nothing is promised towards building. The Stawell Shire Council has given £25 for maintenance and £50 towards the Jubilee Ward, which the Committee resolved should be erected in honor of Her Gracious Sovereign Queen Victoria, and the Committee hope to receive another £50 as the work of building progresses. The Dunmunkle Shire Council has given £45 as its contribution to the funds of the Hospital, and to these Councils your best thanks are due.

"Several special donations have been given towards the Jubilee Ward. The Stawell Borough Council have kindly promised a special donation for this purpose, and the Committee hope that before the end of the financial year many liberal subscriptions will come in, so that their successors will not have to draw largely on their little reserve fund, thereby decreasing the interest receivable, and consequently their income for the support of the Institution.

"For the Jubilee Ward, and for four small semi-detached rooms for special cases, or married couples, a contract has been let for £1365 3s., and the work is now progressing satisfactorily. The Committee feel assured that when these additions are finished, your Institution will be one of the most complete and commodious to be found in any provincial centre in Victoria.

"The name of Mr. Jos. Reading, one of the executors of the late Thomas Hewitt, has been added to the list of life governors of the Hospital, and Mrs. Mary E. Hobbs, by her generous donation of £100, has also had her name added to this honored roll.

"The thanks of the subscribers are due alike to the Honorary Surgeons for their ready and valuable skill and aid, and to the proprietors of those newspapers that have been gratuitously supplied to the Institution.

"The Committee reports, with much regret, that their esteemed President, Mr. Charles Aeschmann, for many years a warm friend of this charity, and a hard-working and successful member of the Committee, died on the 27th of August last. Mr. C. G. Holmes, one of your Vice-Presidents, was appointed by the Committee to the vacant office till the end of the year, and Mr. E. F. Pollard to fill the vacancy in the Committee caused by the President's lamented death.

"Mr. G. Mackay, one of your Auditors, resigned, as he was about to leave the district. We appointed Mr. G. B. N. Bristow to act in his place, leaving you to confirm the appointment if you think fit.

"This meeting will require to appoint a President, two Vice-Presidents, a Committee of Management, and two Auditors to act for this year.

“ In resigning their trusts into the hands of the subscribers, the Committee appeal to the kindly feeling of the charitable of the town and district, to slack nothing in their endeavors to strengthen the hands of their successors in office, that the poor and aged may continue to find a place of kindly skilful treatment and of rest for their diseases and infirmities beneath the hospitable roof of this truly charitable Institution.

“ C. G. HOLMES,

“ PRESIDENT.”

# SUPPLEMENTARY REPORT.

FOR THE HALF-YEAR TO 30TH JUNE, 1888.

31ST JULY, 1888.

*To the Governors, Subscribers, and Contributors of the Stawell Hospital and Benevolent Asylum.*

“ Since your yearly meeting in January last so little has occurred that we deem it unnecessary to call you together at the end of the financial year, or that calls for a lengthened report

“ The usual accounts, duly audited, and statistics, will be submitted, which will be found to vary but little from those previously issued, except that we have pleasure in reporting that the subscriptions are in excess of the previous year, being £984 11s. 3d., as against £528 3s. 2d. in the year to 30th June, 1887

“ The Jubilee Ward and small rooms referred to in our January report, are now nearly completed, which will shortly enable a few female asylum inmates to be received. Some special donations have been received to meet the expenditure for these additions, for which your Committee feel very grateful, a list of which will be found in the printed reports to be issued shortly.

“ It may be well to explain that the expenditure account as set forth only includes on this occasion eleven months, as it is the wish of the Government that all accounts should be closed on the 30th June; therefore the expenses for the month could not be included, but will be shown as a liability, which will appear heavier than usual. The expenditure is larger than that of the previous year, chiefly to the extent of the money paid on account of the new buildings.

“ In issuing the Twenty-ninth Annual Report, the sketch on cover and plans inside will be omitted, as they have now become incorrect, and for reasons of economy it has not been deemed advisable to have fresh ones, particularly as the subscribers are more locally situated than formerly, and can easily inspect the Institution, which is open to visitors from two to five every afternoon, and at other times, if required, by permission of the Resident Surgeon.

“ During the past half-year the following donations have been received, for which thanks are specially due, viz. :—The Stawell Borough Council, £50 ; committee of National Holiday picnic, £40 ; Easter Sunday collection at Hospital, £33 ; Malakoff Ball Committee, £15 ; Mr. Thomas Wright, £10 ; Navarre Ball Committee, £6 3s. 1d. ; St. Arnaud Shire Council, £5 ; T.S , £3 3s. ; Mr. A. Fabian, £3 ; Wallaloo Ball Committee, £2 10s. (part of proceeds) ; Professor Proud, quarter proceeds of lecture, £2 ; Rev. H. Hillier, collection at Lutheran Church, Sheep Hills, £1 16s. 6d ; Hon. J. Nimmo's two-thirds proceeds of lecture, £1 15s. 7d. ; and since closing the accounts £9 from the Stawell Football Club, and £5 from Mr. A. Brown, for honor of non-contested election as a borough councillor.

“ Thanks are again due to the Honorary Surgeons for their valuable skill and aid, and to the proprietors and agents of newspapers for the papers gratuitously supplied to the patients.

“ We have pleasure in reporting that the invested funds have not yet been drawn upon, which we are very reluctant to do, but fear that unless the Government will assist with a building grant this year, or some piece of good fortune should occur, that it will have to be done.

“ C. G. HOLMES,

“ PRESIDENT.”

Members of the Board are not to be limited in the number of patients they may recommend, but no person shall be qualified to vote at a meeting of Subscribers, unless he shall have been a Subscriber of at least £1 for the space of six months previous to such meeting, provided always that where a Subscriber shall have paid his subscription for the year immediately preceding the year in which any such meeting shall take place, the payment of his subscription for the then current year at any time before such meeting, shall entitle such Subscriber to vote. Life Governors and Life Subscribers only entitled to vote by proxy.

9. That accidents, and cases deemed of decided emergency by the Medical Officer in attendance, be received at any time ; in ordinary cases patients shall be admitted daily (Sunday excepted), at such hours as may be appointed by the Board, on the recommendation of a subscriber of at least £1 sterling for the then current year, and one member of Committee, and special cases shall be admitted at any time on an order signed by the House Committee and one of the Honorary Surgeons ; but patients to the Benevolent Ward shall only be admitted, after due enquiry, on an order of the Board of Management.

11. 12. And any contractor to the Institution being a member of the Board, shall absent himself from its sittings while any subject relating to his contract is under consideration.

13. The Board shall have power from time to time to make, rescind, alter, or amend any bye-laws for the due management of the affairs of the Institution ; but no such bye-laws shall be made, rescinded, altered, or amended, unless upon seven days' notice thereof being given to each member, and only upon being carried by a majority of two-thirds of a meeting consisting of not less than fifteen members of the Board.
