STAWELL HOSPITAL

SEVENTY-FIFTH ANNUAL REPORT For the Year Ended 30th June, 1934

To Life Governors and Subscribers.

Ladies and Gentlemen—

In presenting the 75th Annual Report and Balance Sheet, the Board of Management wish to express gratification that the year has again closed with a credit balance in the maintenance account, despite the fact that £2567/4/2 was subscribed to the building fund—a magnificent response worthy of the descendants of the pioneers of the Pleasant Creek Hospital.

MAINTENANCE

The receipts amounted to £2371 19/7, and expenditure £2463/18/2 leaving a credit balance of £324/8/7. The Government Grant was increased by £20.

BOARD OF MANAGEMENT

Two members resigned from the committee during the year. One vacancy was filled by the appointment of Mr. G. F. Bull, but the other has been left vacant owing to the nearness of the annual elections.

LADIES' AUXILIARY

A very large requisition for linen, etc., for equipping the new hospital was placed before the Auxiliary, and it is most gratifying to acknowledge that all articles have been supplied before the close of the financial year. The mending and making has been attended to as usual and the sum of £79 3/9 expended on requirements.

BENEFACTIONS

Under the will of the late J. T. Chaponnel, Esq., we received the sum of £50, for which we are duly grateful.

PATIENTS

526 patients were treated during the year, being 106 more than last year. Of this number 83 were private or intermediate cases as against 80 last year.

SPECIAL ASSISTANCE

The Hospital Ball which was run for new Hospital funds on 30th August, 1933, was a very great success. The sum of £115/10/4 being handed in. Special thanks are due to the President, Mr. Walter Fleetwood-Smith, and to Mrs Alex Neil, the Secretary, and a hard working committee.

The Stawell Brass Band appeals resulted in the sum of £63/8/9 being collected in country centres.

Mr. R. Selleck ran a very enjoyable bridge party in June of this year, and as a result handed in the sum of £15 11/6.

The concert given by the Horsham Choral Society in the Stawell Town Hall returned us a profit of £19/17/3.

The Sun-News Pictorial Obstinate Artist Competition benefitted our Hospital funds to the extent of £43 14/3.

The Empire Day committee handed over £8/8/0 as the result of sales of flags and concert, etc.

The Relief Camp's football match returned the sum of £3/15/6 and a sum of £3/9/1 was received from the Swimming Carnival Committee.

The Great Western Mouth Organ Band held an entertainment at Great Western in aid of the Stawell and Ararat Hospitals, and sent us the fine contribution of £4/19/4.

The Girl Guides, per Miss Allen, gave us £3/10/0 for purchasing articles for the new Hospital.

The Stawell, Deep Lead and Armstrongs Relief Camps collected and sent us £8/3/0 throughout the year for the maintenance account.

THE NEW HOSPITAL

The Foundation Stone of the New Hospital was placed in position on Sunday, September 3rd, 1933 at 3 p.m. in the presence of a vast concourse of people. The honor of laying the stone was denoted to the ex-president, Mr. L. C. Phillips, to whom was presented a trowel and a gavel as mementoes of the occasion. The President gave an address on the Hospital development, dealing with the Doctor's Hill Tent Hospital and Pleasant Creek Hospital, and paying a well-earned tribute to the zeal and energy of those who pioneered hospital progress locally. Under the stone were placed copies, on white satin, of the issues of the "Stawell Times" and the "Stawell News," each containing specially written articles on Hospital development, past and present.

The original foundation stone of the Pleasant Creek Hospital was withdrawn, and on 12th December, 1933, it was placed at the main entrance of the

new Hospital, in the presence of most of the remaining pioneers of the district, or the direct descendants of those who laboured at the beginning. The honour of rolling it into position was given to Mr. W. Campbell and Mr. W. Harris, who, as school-children, saw it placed in position 73 years before. Mrs Barker and Mrs Wilson, who also were present at the original ceremony, unveiled the commemorative tablet. The gold and silver coins and a copy of the "Ararat Advertiser" of December 30th, 1860, were replaced under the stone.

On Saturday, June 20th, 1934, in the presence of 3,500 people the new building was officially opened by His Excellency, Sir William Irvine, Lieutenant-Governor of Victoria. Lady Irvine turned the key in the main door. The key was a golden replica on which was inscribed the Borough coat-of-arms. A collection taken up in aid of the building fund, amounted to £1014.

The transfer of patients and the evacuation of the old Pleasant Creek Hospital took place during the last week of March, 1934, thus closing a long chapter of events, to bring about the third change of site and building in an attempt to progress with the march of scientific hospital development.

The great aim of the members of the Board of Management was to open the building free of debt. At the signing of the contract, there was a deficiency of capital to the extent of £3,000, provided that the contract was reduced by £750. Grading of grounds, road-making, fencing, etc., and general equipment and the furnishing of the hospital has cost practically £1500 more. But the first point we wish to stress is this:—At the laying of the Foundation Stone, an appeal was opened for the raising of £3,000, so that, as in the past, the building could be said to be opened free of debt. Magnificently the people responded, and since that date £3067 has been paid into the building fund.

And the second point we would like to draw attention to is this:—The extra £1500 had to be spent in order to have the equipment and environment in keeping with hospital pro-

gress, and the building provided. There is still a debt of £1500. There are many in our community, who probably refrained from giving direct during the past year owing to what seemed too gigantic a proposition, viz., to wipe out the whole debt ere the building was finished. However it is the intention of the Board of Management to keep prominent the appeal to liquidate the debt, and it is with confidence in the generosity of the Stawell and District supporters, who have so splendidly stood by their hospital up to the present, that we continue our appeal.

The debt liquidated means a present of £75 yearly to the maintenance account. £75 yearly would more than keep the hospital abreast of the times in the purchase of modern instru-

ments, fittings, etc. Until the debt is discharged, we cannot progress scientifically. The generations that have gone before never denied the call of the sick and the weary, the suffering and the unfortunate, surely, then this generation will hearken to the appeal, for it is no less benevolent, and so much indebted to the past for the present day civilization.

THANKS

Your thanks are due to the members of the Stawell Brass Band in connection with their services at the Hospital Sunday Appeals, to the various car owners for free conveyance of bandsmen and committeemen, to the ladies of the country centres for afternoon tea provided for bandsmen and visitors, to Messrs E. Potter and J. A. Punched, of Campbell's Bridge; to

On behalf of the Board of Management

JAMES O'CONNOR, President.

G. R. E. GREEN, Secretary.
