FOR YOUR INTEREST IN
THE HOSPITAL.

The President Reports

TO THE LIFE GOVERNORS AND CONTRIBUTORS

Ladies and Gentlemen —

On behalf of the Committee of Management of your Hospital, I have the honour to present the 101st Annual Report and Financial Statements for the year ended 30th June, 1960.

The year ended 30th June, 1959 completed 100 years of service to the people of Stawell and District, now we have just completed the first year of a new century still maintaining the high standards of service envisaged by the early settlers who established the Hospital.

Service to the Community —

During the year we treated 1191 in-patients and 643 outpatients, our Medical Staff performed 550 operations, and there were 160 babies born. The daily average of patients in Hospital was 31.8.

Finance —

The daily average bed cost rose from 94/3 to 98/5 but in view of the increase in costs experienced in all enterprises the increase of only 4/2 is satisfactory.

Our income of £56,741 is £2567 greater than last year mainly from increased Government Grants and a higher return from fees.

It is perhaps interesting to analyse the sources of income on the basis of each £1 note received:—

██████████	Govt. Grants	10/7
██████████	Patients' Fees	7/0
██████████	Comm. Hospital Benefits	1/10
██████████	Other Inome	0/7
		<hr/>
		20/0
		<hr/>

MR. W. R. WILLCOCK

On the expenditure side our expenses rose from £53,425 last year to £57,779—main increases being in the salaries and wages bill and in Domestic items. The following shows the dissection of each £1 spent:—

██████████	Wages	12/2
██████████	Elec., Gas, Oil, Laundry Etc	3/4
██████████	Bread Groc., Meat, Milk, Etc	2/5
██████████	Drugs, Anaesthetics, Oxygen,	1/2
██████████	Other Expenditure	0/11
		<hr/>
		20/0
		<hr/>

It must be noted here that donations to the 3LK Radio Appeal were not used for general running expenses of the Hospital but set aside for Capital Expenditure.

Hospital Fees —

With the new scale of fees now operating the need for everyone to become a member of an approved Hospital Benefits Scheme is now more apparent than ever. Benefits are available to cover almost any requirements up to, in some cases £40 per week for the outlay of a comparatively small weekly premium.

Radio Appeal —

This year the 3LK Radio Appeal realised £2058/1/6. Special thanks go to the numerous organisations, committees and individuals in Stawell and surrounding districts for their wholehearted support to the appeal.

Auxiliaries —

Once again the ladies of the Auxiliaries have had a very busy year and have given the Hospital valuable financial support as well as assisting the Supper Committee with arrangements to provide supper at our Annual Ball.

To these ladies I record our sincere thanks for a job well done.

Buildings, Equipment and Grounds —

Several major works were completed and new equipment purchased during the year, some of which were as follows:—

- (1) Completion of Sewerage construction.
- (2) Replacement of cold water reticulation pipes.
- (3) Installation of oil fired boilers.
- (4) Installation of new X-Ray plant.

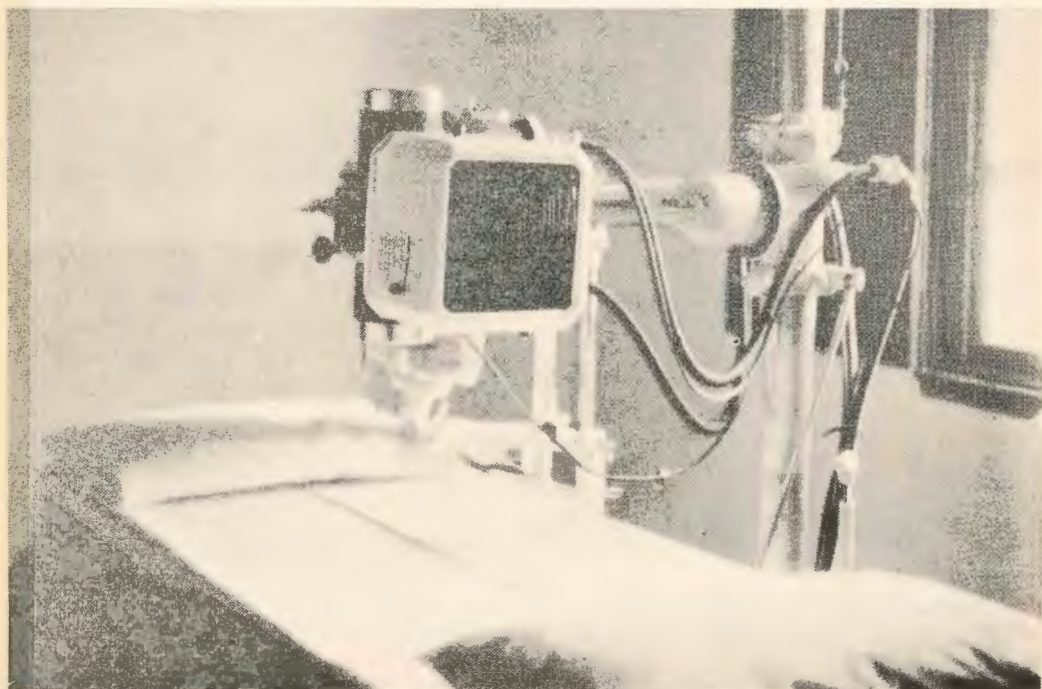

- (5) Alteration to Offices.
- (6) Replacement of Kitchen sinks.
- (7) Washing Machine for Sisters' Home.
- (8) Purchase of Air Cooling Unit.

Our own Staff have carried out a great deal of exterior painting work and have completely re-decorated several wards, utility rooms and passage ways in the Hospital, as well as maintaining our equipment and keeping the Hospital grounds in good order.

Regional Development —

The regional services provided from the Wimmera Base Hospital include the Blood Bank, Physiotherapy and Emergency Equipment all of which we have used. Late last year a Group Laundry service was established and this is now functioning quite well. The cost of this service to us has been 1/- per 1 lb. Laundry is collected from Stawell, transported to Horsham, laundered and returned to Stawell.

(Below) A view of the X-Ray Department showing part of new equipment purchased

Clinics —

As in previous years we have provide facilities for the Peter McCallum Clinic and the Consultative Council of Poliomyelitis who visit the Hospital at regular intervals.

Appreciation —

During the year we have received valued assistance and advice from the Hospitals and Charities Commission for which we extend our sincere thanks.

We also extend thanks and appreciation to the members of the Honorary Medical Staff, the Honorary Dental Surgeons and the Honorary Solicitors for their service to the patients and the Hospital.

To "The Stawell Times" and "The Stawell News" for publicity so willingly given to our various efforts during the year, and to all who have assisted the Hospital directly or indirectly, the members of the Committee express their sincere thanks.

Staff —

It is with great pleasure that the Committee records its sincere thanks to the whole staff of the Hospital for their loyal co-operation and team spirit which is reflected in the standard of service given to the public.

In November Mr. R. V. Stone resigned from the position of Manager and Secretary to take up a similar appointment at the Swan Hill District Hospital. We were fortunate in securing the services of Mr. J. C. Lindsay to fill this position and we trust his stay with us will be a happy one.

Miss E. Higgins has been granted extended leave to undertake a post-graduate course in Nursing Administration. This course is of a duration of 40 weeks.

During the absence of Miss Higgins we have secured the services of Miss M. A. Wright as Acting Matron.

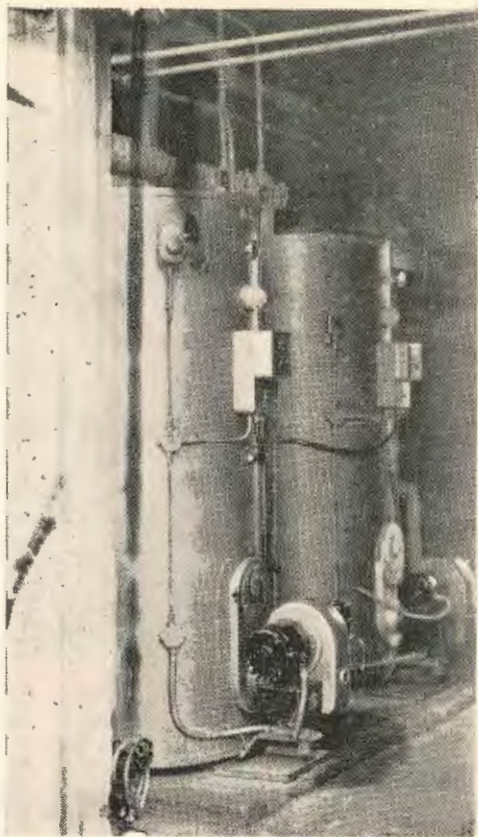

We offer congratulations to the following Staff members who successfully completed their Nursing Training Course:—

Miss Lynette M. Coutts

Miss Noeline Cowell

Miss Barbara J. Pert

Also to Miss Jacqueline Sprake and Miss Dorothy J. Eagle who successfully

completed their Nursing Aide Training and Miss Judith A. McKay who passed her first Professional Nursing Examination.

Committee of Management —

Cr. L. R. Erwin was appointed Municipal Nominee following the retirement of Cr. C. Cashin as Council Representative on the Committee. Mr A. E. Murdoch resigned on leaving the district and Mr C. Cashin was appointed to fill the casual vacancy.

This year three members retire from the Committee and all are eligible for re-election. They are Messrs W. R. Willcock, J. M. Bennett and C. Cashin.

On behalf of the Committee of Management.

W. R. WILLCOCK,
President.
