THE HOSPITAL

The President Reports

TO THE LIFE GOVERNORS
AND CONTRIBUTORS

Ladies and Gentlemen —

It is with a great deal of pleasure that I present to you, on behalf of the Committee of Management, the 102nd Annual Report and Financial Statements of your Hospital for the year ended 30th June, 1961.

Service to the Community —

Inpatient treatment was given to 1164 people whilst 495 people attended the out-patients department, 588 operations were performed and 151 babies were born. The daily average of patients in Hospital was 28.7.

Finance —

Again, this is one of the Hospital's biggest problems and our daily bed cost rose from 98/5 last year to 121/11 this year, mainly due to a reduction of time spent in Hospital by patients. Last year 1191 patients spent 11,585 days in Hospital whilst 1164 patients this year spent only 10,503 days in Hospital — this difference in patient days is equivalent to adding approximately 12/ per day to the daily cost.

Our income this year amounted to £63,520 and the expenditure totalled £64,245 — an analysis of these figures on the basis of each £1 note received and spent is interesting.

Hospital Fees —

The Hospital, like other businesses experienced the credit squeeze which has been reflected in the raising of the amount of fees owing by patients from £8257/14/8 last year to £10,595/4/7. This state of affairs should not occur because today people may insure through one of the many Hospital Benefits schemes for most of their Hospital fees at a comparatively low cost.

Radio Appeal —

The appeal this year was organised in Stawell as a "Doorknock Appeal" and the amount raised totalled £1901/18/3—this has been paid to our Capital Account for purchasing equipment or for building works. To Radio 3LK, organisations, committees and individuals who helped conduct the appeal and to those who gave so generously I would like to say "Thank You."

Auxiliaries —

This year the Stawell Ladies' Auxiliary provided finance for the purchase of a Diathermy Machine, Vacuum Cleaner, and Ward Trolley as well as providing curtain material for wards and Nurses' Home. Their support to the Ball Supper Committee was also one of the major factors in our Annual Ball being a financial and social success.

The Ladies' Committee at Navarre also have done good work for the Hospital over many years, their Annual Ball held in July and their support to the Radio Appeal has helped provide many pieces of equipment. Thank you ladies for your continued support.

Buildings, Equipment and Grounds —

During the year new electrical switchboards were installed to replace obsolete boards, renovations were carried out to provide a new self-contained flat for Matron, and a sealing programme was carried out on the driveway. Some of the items of equipment purchased are listed below.

1. Washing machine for Nurses' Quarters.
2. Staff lockers.
3. X-Ray protective screen.
4. Croupette (donated by Split Pin Club)
5. Deep freeze unit.
6. Car port.
7. Autoclave booster pump.
8. Refrigerator (donated by Bolangum Gun Club).
9. Heater for Sisters' Home.

The Hospital grounds are kept in good order and most of our painting and minor repairs have been carried out by our own staff.

Clinics —

The Peter MacCallum clinic continues to operate satisfactorily. Dr. Holman, Medical Director and Mr. Churches, Manager and Secretary of the Cancer Institute Board visited the Hospital and met members of the Honorary Medical Staff and myself to discuss workings of the clinic generally.

Staff —

Except for a period prior to Easter, when some difficulties were experienced in recruiting trained nursing staff, the staff position has been good. The nursing field is attracting more girls now as we have three first year trainee nurses and five trainee nursing aides — a greater number than for some years.

The position of Matron has seen some changes. Miss E. M. Higgins who was granted leave to undertake a Nursing Ad-

"Light and Shadow" — Sister M. Ridler pours a welcome drink for Mr. A. W. Wyatt.

ministration Course resigned from the Matronship of the Hospital. Miss M. A. Wright, who was relieving during Miss Higgins' absence, completed duty at the end of December, and the present Matron, Miss J. M. Forsythe took up her appointment early in January.

I am sure Miss Forsythe will have a happy association with the Hospital and the people of Stawell.

Congratulations to each of the following staff members who successfully completed training in various branches of nursing.

Completed General Training —

Miss Lynette Leslie.

Miss Mavis O'Neill.

Completed Nursing Aide Training —

Miss Valerie Eldridge.

Miss Steila Weir

Miss Lorraine Penna.

Miss Iris Waldron.

Mrs. Isobel Smith.

Mr. Percy Tyler.

Completed First Nursing Professional Examination—

Miss Francis Dart.

It is with pleasure I record that Miss Valerie Eldridge obtained first place in Victoria and Miss Stella Weir top marks in the Wimmera School in their respective Nursing Aide Examinations.

On behalf of the Committee I extend sincere thanks to each and every member of the Hospital staff for the co-operation,

loyalty and team spirit that has prevailed throughout the year.

Committee of Management —

After nearly nineteen years of service on the Committee, Rev. C. S. Petrie resigned on 11th July, 1961, because of his leaving the district. The Committee has recognised his work for the Hospital by conferring a Life Governorship.

Three members of the Committee retire this year and all are eligible for re-election. They are Mrs. L. B. Plaisted, Mr. J. K. McCracken and Mr. M. M. Robson.

Appreciation —

I am afraid it would not be possible to list every person, club or other organisation who has rendered valuable assistance to the Hospital in one way or another this year, but I would appreciate it if each would accept this as a personal "Thank You" for services rendered.

There are, however, certain persons and organisations who are not called on once or twice during any year but many times over many years. These are members of the Honorary Medical Staff, Honorary Dental Surgeons, the Honorary Solicitor, the "Stawell Times" and the "Stawell News," and the Hospitals and Charities Commission. For these services I record special thanks.

On behalf of the Committee of Management,

W. R. WILLCOCK, President.

PUBLIC WARDS	£21 0 0
INTERMEDIATE WARDS	£25 4 0
SEMI-PRIVATE WARDS	£28 0 0
PRIVATE WARDS	£32 11 0

HOSPITAL BENEFITS

You can recover a considerable portion, if not all, of your Hospital Account by becoming a member of a Registered Hospital Benefit Scheme and serving the necessary probationary periods. It is in your own interests to join one of the schemes available — the outlay is very small in comparison with the benefits available.
