The President Reports

TO THE LIFE GOVERNORS AND CONTRIBUTORS

Ladies and Gentlemen,

It is a privilege and pleasure on behalf of the Board of Management to submit this one hundred and third Annual Report and Audited Statement of Accounts for the year ended 30th June, 1962.

Our Hospital serves a District of approximately 8290 people and its services were required in the following manner:

1. Inpatients treated 1154 (13.5 of the Population).
2. Outpatients treated 702.
3. 163 Babies born in the Hospital for the year.
4. Daily Average of Patients 27.5.
5. Average ~~Staff~~ ^{STAY} each patient 8.7. *days*

The treatment figures represent approximately a 1% increase on the previous year, and three more babies were born.

Attendances at the Visiting Clinics held at the Hospital were:

Peter McCallum Clinic 90
Physiotherapy 166

Peter McCallum Clinic now visits Stawell by Aircraft to Ararat, thence by car to Stawell. Representations by Hospital Committee and Town Council enabled service to be continued in Stawell when there was possibility of service being suspended because of lack of suitable Air strip in Stawell. Aircraft being used is also used as Aerial Ambulance by the Hospitals and Charities Commission.

REGIONAL

The regional Council Meetings have not been as frequent this year but a genuine desire prevails among all members to assist on all levels of Hospital service and administration — the appointment of a Regional Engineer this year has proved a great benefit.

FINANCE

The problem of daily bed cost is one with which the Board of Management is most concerned and this seems to have been arrested considerably during the current year with an increase of only 12/2.

Total Income rose by £2855 to £66345 and expenses by £3559 to £67804 — giving a deficit for the year of £1459.

The analysis of each pound worth of receipts and expenditure are as follows:

MR. J. K. McCRACKEN

### CAPITAL FINANCE

Capital Expenditure for the year was as follows:

- New Boiler Installation
- Operating Theatre and Birth Room Air Conditioning.
- New Solarium Windows.
- Concrete Stairway
- Installation of Power Points in Wards
- 1 New Refrigerator

We are indebted to the following organizations for their help in financing other capital expenses as follows:

- Split Pin Club — Children's Ward Air Conditioning.

**Nursing Aide Training Completed —**

Miss Georgina Young.  
 Miss Gloria Kaine.  
 Miss Margaret O'Neill.

**First Professional Examination —**

**APPRECIATION**

**Honorary Staff —**

To the Honorary Staff — Medical, Dental, Legal, and to our Chaplains,

your Committee is indeed grateful for the Honorary Services given to our patients.

We do appreciate the time given by the Medical Staff in lecturing our nurses. Our Dentists for their service to Public Patients. Our Honorary Solicitor for his advice so freely given, and our Chaplains for their spiritual help and assistance given to all our Patients.

In conclusion on behalf of the Board of Management I take this opportunity to express our appreciation of the services rendered by our Matron, Miss J. M. Forsythe, and her assistants — the nursing staff.

We thank the Headmasters of our Schools for the opportunities provided to enable recruitment of Nurses and also for the spirit of Social Service which they foster in their pupils

A cordial relationship has always prevailed between the Pres and our Committee and their publicity of our needs and achievements have been most helpful.

To my colleagues of the Board of Management I thank them for their help and their thoughtful deliberations in maintaining our progressive policy in the structural and administrative aspects of the Hospital.

To all who have assisted throughout the year either by donation or in personal Service I say a very sincere thank you and trust that together we can look forward to another year of progress in Service to our Community.

J. K. McCracken,  
 President.

### HOSPITAL BENEFITS
