THE TWENTY-FIRST ANNUAL REPORT
OF THE
COMMITTEE OF MANAGEMENT
OF THE
PLEASANT CREEK HOSPITAL,

FOR THE YEAR 1879.

*To the Governors, Subscribers, and Contributors
of the Pleasant Creek Hospital.*

WE have the pleasure of submitting our report of the past year's proceedings of the hospital, being the twenty-first annual report since its establishment in 1858, which we trust will meet with your approval. Notwithstanding the decreased list of subscriptions, which we believe is attributable solely to the depressed state of trade generally and agricultural and pastoral pursuits in particular during the past year, the Institution has been conducted in the usual satisfactory manner; the amount of relief which it has been the means of affording being very nearly equal to that of late years, as will be seen by reference to the medical and other statistics. During the year there were 348 in-door patients making a daily average of $31\frac{2}{3}$ males and 9 females; and 431 out-patients, who received 2131 attendances. The deaths of in-patients have been 37; of these three men from accidents on the railway works, and one other accident being hopeless cases when brought into hospital, and one female being in a moribund state. The scheme referred to in last year's report—respecting a proper supply of water for sanitary and garden purposes, as well as other improvements to the grounds—has been executed, and we believe with very beneficial results. We have also had a complete plan of the grounds, etc., prepared, with a view to any improvements that may be done at a future time tending to a uniform system for its ultimate completion, and thus save a patchwork appearance, or the expense of unsystematic alterations. The expense incurred in these improvements may appear heavy, but we think, if an error, it is one in the right direction, as much permanent improvement has been effected thereby. The subscriptions for the year have amounted to £678 5s. 4d., showing a falling off of £157 6s., as compared with the year 1878; but we have pleasure in reporting

that with a view of keeping the charity in as good a financial position as possible, the Government have granted for the year 1879-80 £1600 for maintenance—being an increase of £100 over that of last year—the first instalment of which will be received in a few days. With reference to the subscriptions from the agricultural districts, we think that our successors in office should make special appeal to the farmers in say February or March, as being a more suitable time of year for them to subscribe, than that usually tried in the spring of the year, and if only some tangible method of collecting can be adopted that would not incur too much expense, we think, as a class now occupying so large a portion of the country their contributions would be considerable. The board of management thankfully acknowledge the special donations from Messrs. D. Leslie and Co.'s employèes, the Stawell Shire, and the Managers of the Goldfields Commons of Pleasant Creek, Barkly and Navarre, and Landsborough, the Banks at Stawell, and the Trades' Eight Hours' Demonstration, also the various Ministers of Religion and others for their kind exertions in connection with Hospital Sunday; the results of all these will be found detailed in the subscription list. Welcome donations of fruit and other luxuries have been made by several donors, for which the patients have expressed much gratification, as well as to the proprietors of the following publications, regularly and gratuitously supplied for their amusement and instruction, viz., the *Argus*, *Pleasant Creek News and Stawell Chronicle*, *Ballarat Star*, and *Ararat Advertiser*, also to Messrs. Lyell and Marquand for the *Leader*, and Mr. G. Carr for the *Weekly Times*. Several bundles of old calico and linen have also been received, but a still greater supply of these articles is much needed. We have had under consideration the subject of erecting separate fever wards, but after mature deliberation with the medical staff and others, and looking at the requirements in that direction for the past twenty years, from the balance of evidence it was not thought advisable or necessary to go to that expense. We have also had under consideration some slight alterations of rules, which will be submitted for your consideration. As our term of office has expired, it now becomes your duty to elect a committee of management for the present year, and we most fervently hope that the Institution which you will hand over to its care, in a really good and efficient working order will be maintained in all respects in a progressive manner, so as at all times to be able to assist the indigent sick and maimed, which appear to be inseparable from all communities, more particularly a mining one. We therefore beg you to recollect that you not only entrust the committee with a valuable property, but heavy responsibilities, and that though they may devote much time and attention to such a worthy labor of love, it will be useless unless you yourselves respond to the appeals of the charity in an earnest, liberal, and unbegrudging manner.

GUSTAV MAGNUS, PRESIDENT.

R U L E S

OF THE

PLEASANT CREEK HOSPITAL,

FOR 1880.

1. The Hospital will afford, gratuitously, surgical and medical aid to any poor person requiring it, irrespective of creed, country, or color; but any person who shall be admitted, under any circumstances, and shall be found able to pay, shall be required to do so. Paying patients may be received, under certain conditions, according to the Bye-laws.

2. The Hospital shall be managed by the Patrons, President, two Vice-Presidents, five Trustees, an Honorary Treasurer, the Honorary Surgeons, and a Committee of Management not exceeding twenty-four, twelve of whom shall be residents of outlying districts. The above-named officers, with the exception of the Treasurer and Trustees, shall be elected annually, at the Annual General Meeting, in the month of January in each year, by duly qualified Subscribers. The Committee to be elected shall be nominated at or before such meeting, but nominations cannot be received (except for members of the outlying districts) without the consent of the person nominated.

3. Should a vacancy occur in any of the above-named offices, it shall be filled at the then or next ensuing General Meeting of Subscribers; but in all cases, except those of Treasurer or Trustees, the Board is empowered to temporarily fill the vacancy.

4. The duly-qualified electors shall, at each Annual General Meeting, appoint two Auditors not members of the Board, to examine the accounts; but in case either of such Auditors neglect or refuse to perform his duty, the Board is empowered to temporarily appoint another Auditor or Auditors. And also it shall be competent for the President, or, in his absence, a Vice-President, at the request of not less than ten duly-qualified Subscribers, to convene by advertisement a meeting of Subscribers at any time, for the purpose of electing Auditors, if any emergency arise to warrant the same.

5. The Board of Management shall include all officers named in the second rule; it shall direct the collection and distribution of funds; appoint and dismiss all paid officers and servants; frame regulations for the management of the Hospital; present a report to the Annual General Meeting; and conduct the affairs of the Hospital generally; and may, from among themselves, from time to time, appoint committees for any purpose which, in their opinion, would be better regulated and managed by means of such committees: and it may fix the quorum of such committees, and may continue, alter or discontinue such committees.

6. The Board shall meet for general business once, at least, in each month, and for special business whenever requisite; such meetings to be convened by the Secretary at any time or place that may be ordered by the Board, the President, a Vice-President, or upon the requisition of not less than three members of the Board. At any meeting, seven members shall form a quorum, and, in the absence of the President or Vice-Presidents, one of the members present shall be elected to act as chairman.

7. That every contributor of £25, in one sum, shall be a Life Governor; also, any person nominated by any Society that has added a sum of not less than £25, or the Executors to a Will, by which a sum of not less than £100 has been added to the funds of the Hospital, shall be Life Governors; and the Board of Management shall have power to add to the List of Life Governors such persons as it may deem expedient for eminent services rendered.

8. Every Life Governor shall have the privilege of voting at all meetings of Subscribers, and of recommending five in-door and five out-door patients in each year. And every contributor of £1 and upwards, shall be entitled to vote at such meetings, and of recommending one in-door and one out-door patient for each pound subscribed during the year. Members of the Board are not to be limited in the number of patients they may recommend, but no person shall be qualified to vote at a meeting of Subscribers, unless he shall have been a Subscriber of at least £1 for the space of six months previous to such meeting, provided always that where a Subscriber shall have paid his subscription for the year immediately preceding the year in which any such meeting shall take place, the payment of his subscription for the then current year at any time before such meeting shall entitle such Subscriber to vote. Life Governors and Life Subscribers only entitled to vote by proxy.

9. That accidents, and such cases as may be deemed of decided emergency by the Medical Officer in attendance, be received at any time; and that in ordinary cases patients shall be admitted daily (Sunday excepted), at such hours as may be from time to time appointed by the Board, on the recommendation of a Subscriber of at least £1 sterling for the then current year, countersigned by a member of the Board, who shall certify that such patient is not capable of providing for medical attendance; but patients shall be admitted at any time on a special order, signed by the House Committee and one of the Honorary Surgeons.

10. That no female for the purpose of confinement, child under five years of age, insane person, or one affected with an infectious disease (with the exception of cases of accident or emergency as per rule 9), shall be admitted except by the express permission of the House Committee or Board of Management.

11. The House Committee shall at least once a week visit the Hospital, for the purpose of inspecting the arrangements thereof, and of inquiring of the patients if they are properly attended to, and shall report in writing to the next meeting of the Board any alterations or suggestions they may think necessary; such committee to be selected by agreement amongst the members during the sitting of the Board.

12. If any member of the Board shall neglect his duty for the space of two months (the Trustees excepted), he shall suffer disqualification (unless upon well-founded excuse), and another shall be appointed in his stead if the Board think fit. And any contractor to the Hospital, being a member of the Board, shall absent himself from its sittings while any subject relating to his contract is under consideration.

13. The Board shall have power, from time to time, to make, rescind, alter, or amend any bye-laws for the due management of the affairs of the Hospital; but no such bye-laws shall be made, rescinded, altered, or amended, unless upon seven days' notice thereof being given to each member, and only upon being carried by a majority of two-thirds of a meeting consisting of not less than fifteen members of the Board.

14. That no alteration or rescinding of Rules shall be made except by duly-qualified contributors, in public meeting assembled, of which the Secretary shall have given at least seven days' notice by public advertisement, stating the business for which such meeting shall be convened.

HONORARY TREASURER.

15. The Honorary Treasurer shall receive all money on behalf of the Hospital and invest the same in such Bank or Banks as the Board shall direct to the credit of the Hospital. He shall pay all accounts after the same have been signed by the Chairman of the meeting as having been approved of by the Board, by drafts on the Bank or Banks, which shall be countersigned by the President or one of the Vice-Presidents, and by the Secretary. He shall also keep an account of all money received and paid by him, and report the same at least once a month to a meeting of the Board.

HONORARY SURGEONS.

16. The Honorary Medical Officers shall consist of legally qualified Medical Practitioners, who shall be elected for one year. They shall have access to the Hospital at all times; they shall assist the Resident Surgeon in the performance of all capital surgical operations—but no such operations shall be performed without previous consultations of the medical staff—and they shall regularly consult in all cases of importance or protracted continuance in the Hospital.

RESIDENT SURGEON.

17. The Resident Surgeon shall be a duly-qualified medical practitioner, who shall reside on the premises, and shall not be absent therefrom for any lengthened period without the permission of the Board. He shall not engage in private practice under any circumstances, except in cases of consultation at the request of other surgeons, provided such consultations will not interfere with his duties as Resident Surgeon.

SECRETARY.

18. The Secretary shall convene the Annual General Meeting in the month of January, in each year, at such time and place as may be fixed by the Board, by advertisement in the local papers, at least seven days' previous to the meeting.

19. He shall convene Special Meetings of duly-qualified Subscribers in the same manner, when directed by the Board, or on the written application of ten duly-qualified Subscribers of at least £1 each, the object of such meeting to be stated in the advertisement; and shall give special notice to each member of the Board of such meetings.
