TO THE CONTRIBUTORS.

Ladies and Gentlemen,—

The Board of Management has pleasure in presenting its Eighty-Eighth Annual Report and audited Statements of Accounts for the year ended 30th June, 1945.

FINANCE—The Statements of Accounts included in this report set out the financial position of the Home and the year's transactions in detail, and further comment would be superfluous. The average annual cost per occupied bed was £80.3 as compared with £79.5 for the previous year.

STATISTICAL—The daily average of inmates was 573.3, and the number of inmates in residence on 30th June, 1945, was 581, an increase of 32 on last years' figures.

The Trustees of the undermentioned Funds have allocated very welcome donations:—Edward Wilson Charitable Trust, £60; Estate of Patrick Brennan, £100; Estate of Alfred Felton, £140; C. L. Forrest Trust, £7; Estate of J. R. Hartley, £10; Estate of E. E. Truby Williams, £100; and The David Syme Charitable Trust, £25.

The steady increase in the contributions and donations has been maintained. Last year's figures are given in brackets. Annual Subscriptions, £1394/16/2 (£1219); Entertainments, £346/8/9 (£200); Ballarat Charity Sunday Fund (Mr. J. Keith, Hon. Secretary), £145 (£145, plus £1/1/- from a private subscriber); Other Donations in Cash, £394/5/8 (£394 and a Special Donation of £500). It is also pleasing to note that donations in kind were valued at £287 (an increase of £148 over yast year's figure).

The number of Contributors of £1 and over was 538, or 43 more than for the previous year.

Your Public Relations Committee decided upon making an appeal for funds to provide special comforts for the patients in our Home. It is many years since this Institution asked the public to support it by way of an appeal for funds. Inaugurating the movement, a public meeting was held and the attendance was a remarkable demonstration of goodwill to our Home. Ladies and gentlemen representing practically every organisation in the City attended at Craig's Hotel on 28th April, 1944. The chair was occupied by our ex-President, Mr. A. C. Fraser, and promises of support were so very encouraging that it was felt that the Appeal would prove to be a great success. Mr. Fraser was unanimously elected to the position of Chairman of the Appeal Committee. Mr. Keith Mackay, Manager of the Home, and Mr. G. H. Hammer, a Vice-President of the Home and for many years Hon. Treasurer of the C.T.A. Social Club, were appointed joint Hon. Secretaries, and Mr. L. M. Nixon, Manager of the E. S. & A. Bank accepted the position of Hon. Treasurer. With the willing co-operation of a very large body of enthusiastic workers the whole movement gathered momentum until the day of the public demonstration on 29th September, 1944, when Ballarat held a Gala Day amidst great enthusiasm. The splendid response of Ballarat and District was made evident by the magnificent total net receipt of £6,440/4/4.

This highly satisfactory conclusion to a memorable event, certainly the finest public expression of goodwill to this Institution which has been shown in Ballarat, was due mainly to the excellent team work of the representatives of practically every organisation in Ballarat and District. Where so many worked with enthusiasm to make a success of the Appeal, it is impossible to single out individual workers or societies, but all agree that the Chairman, Mr. Fraser, the Honorary Secretaries, Messrs. K. Mackay and G. H. Hammer, and Mr. Nixon, the Hon. Treasurer, deserve the highest praise for their untiring activity, their attention to detail and the fine organisation of the movement.

It was with great pleasure that I invited the ladies and gentlemen comprising the Appeal Committee to meet me at the Home on 28th October, 1944, when I was able to thank them all on behalf of the Board of Management, for their valuable contribution to our funds.

Important additions to the comfort of our patients have already been provided by the funds collected by this Appeal and some large improvements are under consideration. Existing restrictions in purchasing materials and obtaining necessary labour are hindering the Building Committee in their plans.

The new Aga Cooking Stove was formally presented to the Home on 17th September, 1944. Several representative members of the Commercial Travellers' Social Club accompanied their President, Mr. S. G. Hammer. Members of our Board supported me in expressing thanks for this fine acquisition to our Kitchen. We find it most efficient in preparing food for the old folk and economical in regard to fuel consumption.

A Tolberk Cake and Pudding Mixer, with vegetable slicer attachment, installed recently has also helped the Kitchen Staff to improve the culinary requirements of the patients.

As can readily be understood, the Laundry work for an Institution serving nearly 600 patients, together with a staff of 100 persons, is a considerable activity. To cope with this it became necessary to increase the appliances, and during the year a new Drying Tumbler was added to the Laundry equipment at a cost of £666. We have also on order a new large Washing Machine with electric reversing motor.

Mr. C. L. McVilly, Inspector of Charities, came to Ballarat on 6th April, 1945, at the invitation of the Board of Management, when a number of matters relating to urgent additions to the buildings and equipment were discussed with our Building Committee. Among these additions are the extension of the staff quarters, storeroom buildings, a sun room for male and ambulatory patients, etc. After a full and detailed discussion upon the numerous matters listed, a very satisfactory understanding was reached. Mr. McVilly's detailed knowledge of the requirements of the Home was very helpful and assisted us in reaching a general agreement upon the matters reviewed.

Owing to the absence on Military duties of our Architect, Mr. G. S. Richards, your Building Committee was greatly hampered in their work. We are now relieved to have Mr. Richards back to his professional duties in the City and we feel that his expert knowledge and advice will be of immense assistance. I took advantage of Mr. Richards' return to invite Mrs. Richards and him to meet the Board after its ordinary meeting on Monday, 16th July. At the same time, Dr. Douglas attended with Mrs. Douglas, when the Board asked Mrs. Douglas to accept a Silver Coffee Jug, suitably engraved, as an appreciation of the great services rendered as Honorary Oculist to our patients over a period of 20 years. The evening was a memorable one and members of the Board of Management assisted me in suitably impressing on our guests the Board's appreciation of the valuable services given by them. In particular, we expressed our relief and pleasure in having Mr. G. S. Richards among us once again, after over five years of service with the Military Forces.

The satisfactory termination of the War in Europe by the complete defeat of Germany was celebrated enthusiastically by all in the Home. Their loyal assistance in all the local efforts for our soldiers in Europe, as also in the conflict with Japan, has always been very fine. V-E Day was celebrated in a happy and dignified way by both the patients and staff.

Further effort was made, through the Charities Board, to have the name of the Home changed to "Queen Elizabeth's." We are advised that His Highness The Duke of Gloucester, our Governor-General, desires that the necessary application to Her Majesty the Queen be deferred until the conclusion of the war with Japan.

On his appointment, for the third time, as President of the Charities Board, I desire to express to our fellow member of the Board, the Hon. A. J. Pittard, M.L.C., our sincere congratulations. Mr. Pittard is one of the original members of the Charities Board and has been a member of our Board since 1907. He has recently been appointed Chairman of the Ballarat Water Commission and Sewerage Authority. His duties in all the important posts he holds are carried out most efficiently.

Our Sister City of Geelong, from which we have been happy to receive a large number of patients, has decided, with the consent of the Charities Board, upon building a Home similar to ours. Preliminary steps in that direction have been taken and, together with several members of our Board, I visited Geelong, by invitation, to assist in the launching of an appeal for funds. This meeting was held in the Town Hall at Geelong on 6th November, 1944, and was an unqualified success. Over £30,000 was promised at the meeting which was under the Chairmanship of the Mayor of Geelong, Cr. Dr. Wallace. On your behalf, I congratulated Geelong on the initiation of this project and told the large assembly of Geelong citizens that the co-operation and assistance of my Board of Management would always be cheerfully given. I was accompanied by Messrs. Fraser, Smail, and K. Mackay, Manager. Dr. Sloss, a member of the Charities Board, also accompanied us.

Two outstanding contributions to the funds of our Home have reached us this year. I refer to bequests of £1628 from the John Hill Estate, and £1061 from the Mary Ellen Irvine

on behalf of my Board, that the value of Mr. Morrow's services are beyond price. He guides us over difficulties and what is perhaps best of all, he prevents us from getting into difficulties. To Messrs. T. P. Wilson and Dr. S. A. Wilson our best thanks are tendered on behalf of the aged patients, and to Messrs. W. J. and A. W. Meinhardt, Consulting Engineers, the Board is indebted for valuable professional advice.

Mr. Keith Mackay, the Manager, is a highly qualified Chief Executive Officer. He is well equipped for the important and varied duties which he is called upon to perform. The well being of the helpless patients, the control of the large staff, the purchasing of supplies are his responsibility as well as the maintenance of the buildings and grounds. These duties are carried on with a minimum of friction as well as with a kindly consideration for the old folk. Although the building was designed for about 500 beds the demand for accommodation has been such that Mr. Mackay has been obliged to find room for as many as 586 persons. This is no easy task, but difficulties are overcome without in any way interfering with the comfort and health of those frail old men and women who seek shelter and food, clothing and a comfortable, clean bed in our Home. His is a big job, and a visit to the Home will convince the most critical that Mr. Keith Mackay is the right man in the right place.

Mr. Mackay is assisted by an excellent Matron in Sister Mandeville Halls. This lady's training and temperament are ideal for her responsible duties. The Sub-Matron is a tower of strength and in Sister Zachariah the Home possesses a splendid Sub-Matron. I feel that special mention should be made of the loyal and devoted service rendered by our Trained Nurses, under whose direction and supervision our nursing staff has reached a high standard of efficiency. The number of diabetic patients transferred to this Home has been an added responsibility for them. In addition to discharging her routine duties, Sister Zachariah has achieved a remarkable record. Owing entirely to the keen interest she takes in all that pertains to the Home and by the exercise of considerable ingenuity, Sister Zachariah was able to inform the Board of Management recently that she had been able to raise £1000 by means of working parties and entertainments during the last twelve months. This is probably an unequalled achievement in the history of Charitable Institutions in Australia. This brings me to the office of Accountant. In Mr. C. C. FitzGerald we recognise an officer of outstanding ability. His responsible duties are closely studied by those responsible for the oversight of Charitable Institutions in the State of Victoria. Mr. FitzGerald stands very high in the estimation of all who are concerned with accountancy. Reference must be made to the efficient services of our office staff. Our Home now accommodates nearly 600 patients and the keeping of records, attendance to correspondence, reports, trust funds, etc. entails a vast amount of routine clerical work, added to which is the extra work in connection with rationing and other war-time measures. They have carried out their work very capably and their contacts with members of the public and patients are characterised with unflinching courtesy, tact and patience.

One naturally turns from accountancy to that important officer, the Collector. Year by year since his appointment, Mr. C. A. Young has gone on better. It is a great pleasure to me to find that during my term as President Mr. Young has reached the highest record in his collections for our Home. On behalf of the Board of Management, I sincerely thank Mr. Young for his splendid work.

This report would be incomplete without reference to our Hon. Treasurer, Mr. L. Lederman, who was first elected to the Board in 1902. He was President for the year 1906-07, and in 1912 was elected Hon. Treasurer, an office which he has held continuously ever since. During his term of office, the country has been involved in two major wars and has suffered a severe depression, but under his stewardship, the funds of the Institution were carefully accumulated and invested, so that when the new building was completed in 1942, £20,000 was available towards its cost.

I must not omit reference to our Head Gardener, Mr. J. Allan. Vegetable growers in Ballarat have had the opportunity to see some specimens of Mr. Allan's work at the Horticultural show and in some business establishments in the City. Our kitchen is kept well supplied with stocks of well grown vegetables and I congratulate Mr. Allan on the fine quality and quantity of the vegetables he grows for the old folk. The appearance of the Home is immensely improved by the condition of the lawns and the fine show of flowers. Doubtless when more normal times come, Mr. Allan will be able to indulge in the, to him, much desired improvement of planting suitable shrubs in front of the building.

In an Institution such as ours, with its steam, hot water and central heating services, its great variety of complicated mechanical equipment, there is a need for constant supervision and our Engineer, Mr. Alf Sargent, is to be complimented upon his efficient running of our mechanical equipment and his conscientious attention to his duties.

To all the staff, of whom there are about one hundred, I wish to extend the thanks of the Board of Management. I cannot mention them in detail, but to the trained Sisters and the Nurses, the Kitchen and Laundry staffs, the tradesmen, and all those in their several responsibilities who are helping to keep our Home in good condition and in good repute, I extend my personal thanks at the termination of my year as President.

To the Reverend Gentlemen and those who assist in the spiritual duties I wish to say that I know that most, if not all, the patients are grateful for the guidance received. It is pleasing to know that our beautiful little chapel is in regular use and is serving the purpose for which it was built.

May I, in one comprehensive "Thank You," sum up my appreciation and gratitude to every one with whom I have had the privilege to be associated in the management and control of this fine Institution.

Finally, I wish to express my very sincere thanks to the members of the Board of Management for the kindly consideration extended to me throughout my year of office as President. It has been an eventful year to me made very agreeable by the forbearance and helpfulness of the members of the Board. We are linked together in a common objective and that is to do our best to make the lives of those who are in our care as peaceful and as comfortable as humanly possible.

C. N. EYRES,

President
